NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: June 16, 2026

TO: Board of Supervisors

FROM: David Garcia, Director of Public Works

SUBJECT: Resolution approving Amendment No. 2 to the contract between the County of Nevada and USA Fleet Solutions, LLC for use of their vehicle locational and diagnostic information system for an annual not-to-exceed amount of \$93,500 for fiscal year 2026/27, contingent upon the adoption of the fiscal year 2026/27 budget, and authorizing the Purchasing Agent to encumber the contract (All Districts)

RECOMMENDATION: Adopt the attached Resolution.

FUNDING: This contract amendment is contingent upon the adoption of the fiscal year 2026/27 county budget and is included in the Fleet Services' Proposed Budget. There is no impact to the General Fund.

BACKGROUND: On August 8, 2017, the Nevada County Board of Supervisors adopted Resolution No. 17-415, approving an agreement with USA Fleet Solutions, LLC for the acquisition and use of the Fleet Solutions vehicle locational and diagnostic information system. Since that time, Fleet Solutions software/hardware has been installed and utilized to track the location of fleet vehicles.

On July 9, 2024, the Nevada County Board of Supervisors adopted Resolution No. 24-397, approving a new agreement with USA Fleet Solutions, LLC for the period of July 1, 2024, through June 30, 2025, with three renewal options through fiscal year 2027/28. This agreement allowed Fleet Services continued use of the global positioning system (GPS) that is currently installed in all County Motorpool, department-owned, and heavy equipment vehicles. On June 24, 2025, resolution 25-297 approved the first renewal with amendment number one.

In meeting the requirements to forego a formal request for proposal (RFP), USA Fleet Solutions contract number 102924-GEO with Sourcewell was utilized. Sourcewell is a cooperative purchasing entity that performs competitively solicited cooperative contracts that may be utilized by participating entities, such as the County of Nevada. As such, the County of Nevada is given the approved Sourcewell rates for services. The Sourcewell contract with Geotab ends April 23, 2029.
