CERTIFICATE OF RECOGNITION
SR Jones

The County of Nevada Board of Supervisors takes great pleasure in recognizing SR Jones for her 32-year career with the County. Her work has been vital in ensuring special district public services are delivered and sustainable.

SR Jones has been Executive Officer of the Local Agency Formation Commission (LAFCo) of Nevada County since 1993. This organization is an independent agency that makes decisions about growth while considering the needs of all Nevada County communities; including municipal services (such as utilities and treated water), special district services (such as fire protection, agricultural water and road maintenance) and county services.

In 1993, she assisted with the incorporation of the Town of Truckee and played a critical role in annexing the Glenbrook Basin - adding the territory to the City of Grass Valley. More recently, she has guided the process of the Rough and Ready and Penn Valley Fire District consolidation.

SR also participated in the statewide association CALAFCO and, in October 2025, was awarded the association's prestigious Lifetime Achievement Award which acknowledged her accomplishments, including eight years as CALAFCO's Executive Director.

Over the years, SR has helped numerous organizations and individuals navigate the processes established by the state law known as Cortese-Knox-Hertzberg to complete the important task of annexation and subsequent fair distribution of property taxes. Her relentless efforts have served Nevada County for the better and therefore, SR has earned the respect of local officials, life-long friends, and colleagues throughout the state, both as a mentor and a leader.

SR Jones' character and professionalism reflect an unwavering dedication to the county and its communities. Therefore, the Nevada County Board of Supervisors takes great pleasure in celebrating SR Jones' 32 years of service.
