## NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo

---

**MEETING DATE:** August 24, 2021

**TO:** Board of Supervisors

**FROM:** **Mike Dent**

**SUBJECT:** Resolution approving execution of a Contract with Sierra Roots pertaining to the provision of a temporary emergency shelter during extreme weather and Public Safety Power Shutoff (PSPS) events in the maximum amount of \$35,530 for Fiscal Year 2021/22.

---

**RECOMMENDATION:** Approve the attached Resolution.

**FUNDING:** This contract is funded by County General Fund dollars pursuant to the County Homeless Plan and California Emergency Solutions and Housing (“CESH”) grant funds. Funding was anticipated in the Department’s FY 21/22 budget and there is no additional impact on the General Fund.

**BACKGROUND:** Nevada County continues to support and improve shelter operations in Western County. The advent of the COVID-19 pandemic requires measures to safely operate shelters for vulnerable homeless Western County residents. COVID-19 requires adapting shelter operations to meet social distancing guidelines and the use of Personal Protective Equipment (“PPE”) and other safety protocols to ensure both guest and staff safety.

The Contractor will work with Public Health to access capacity at the Nevada City Veteran’s Building for an extreme weather or PSPS triggered shelter operation. The shelter will open on days that weather threshold or PSPS criteria, as determined by County management, have been met. The shelter will operate between the hours of 4:30 pm and 8:00 am during these designated events unless alternate hours of operation are approved by County Staff. The shelter will provide clean, socially distanced space for guests and a safe and a sanitary environment for Western County residents experiencing homelessness who need to shelter due to extreme weather conditions.

It is recommended that the Board approve this Agreement as it will support implementation of a limited capacity extreme weather or PSPS shelter for vulnerable individuals experiencing homelessness in the Western Nevada County area.
