ATTACHMENT A

A.1 SCOPE OF SERVICES AND DUTIES.

The services to be provided by CONTRACTOR and the scope of CONTRACTOR's duties include the following:

Nevada County Behavioral Health, hereinafter referred to as CONTRACTOR, and Sierra County, hereinafter referred to as COUNTY, agree to enter into a specific contract for the provision of Respite Services at the Insight Respite Center (IRC).

Background and Overview

Nevada County Behavioral Health has contracted with Turning Point Community Programs, Inc., hereinafter referred to as Sub-Contractor, to provide Respite services as part of a crisis continuum of care at the Insight Respite Center (IRC). The four (4) bed Care Center operates 24 hours per day, seven (7) days per week (24/7). The IRC provides a relaxed and welcoming home-like environment for individuals with mental health challenges who are going through an escalation of mental health symptoms, in order to prevent crisis intervention or hospitalization. Participants focus on their personal strengths and strive to gain emotional stability, balance, and resilience within their lives as they work with peer counselors and their fellow peers in the program toward their recovery. The IRC honors all aspects of the whole self of all persons involved. The leadership of people with lived experience is essential to the success of the IRC. The IRC is staffed primarily by peer counselors and others with lived experience. This wellness-, resiliency-, and recovery-oriented setting is less restrictive than a Crisis Stabilization Unit (CSU) or a psychiatric inpatient facility. The IRC facilitates communication and coordination across all components of the crisis continuum of care, including the Crisis Response Team at the local Emergency Department, CSU, and other service agencies involving a client's support network.

County Responsibilities

COUNTY shall establish the process for placement of County clients in the IRC, which will include the County's policies related to the clinical appropriateness of individual clients for Respite Services, discharge planning, and other services necessary for clients to be successful following from the IRC. The COUNTY will develop their own policies and procedures unique to issues related to the County admissions, including transportation and the authorization of services.

1. The COUNTY may authorize IRC services, when CONTRACTOR has verified that a bed is available, for an individual whom Sierra County is taking fiscal responsibility for. Only adults, 18 years and older and who are psychiatrically and physically appropriate, as deemed by the CONTRACTOR and IRC staff, will be accepted for an IRC placement. The COUNTY will establish an authorization form and ensure it is completed for every client acceptance request for the IRC. It is understood between the parties that CONTRACTOR maintains dedicated beds at the IRC, and may only accept COUNTY clients as capacity allows. Further, it is understood and agreed between the Parties that CONTRACTOR reserves the right to refuse admission of a COUNTY client at CONTRACTOR'S discretion.
2. The COUNTY shall arrange transportation from Sierra County to the CSU in Grass Valley, California as part of the assessment process for placement at the IRC. The CONTRACTOR may provide Taxi Vouchers for transportation of clients from the CSU to the IRC. Transportation following discharge from the IRC shall be arranged by the COUNTY, and any associated costs are the responsibility of the COUNTY.
3. The COUNTY shall ensure that all prescribed medications of the client will be carried and delivered by the client. Clients are to take medication on their own. Respite staff shall not observe medication adherence, unless the client voluntarily asks for staff to provide this type of observation.
4. The COUNTY shall provide an identified designee for Respite staff to provide updates, and to gain assistances with accessing necessary services for the client. Any discharges after hours will need a preliminary plan or established protocol of referrals set up ahead of time to ensure that follow up

intake/linkage appointment times with Sierra County and any other necessary services are available.

5. The COUNTY shall begin discharge planning from the Insight Respite Center immediately upon client placement. The COUNTY shall provide any necessary medical, psychiatric, or other services to support such placements. All individuals referred to Respite Services, including those who are homeless, must have an identified placement (e.g., Drug and Alcohol residential program) or residence arranged upon discharge from the Insight Respite Center, which shall be the sole responsibility of the COUNTY to secure.

Contractor Responsibilities

1. Services rendered pursuant to this Contract shall be provided at the following location: 16573 Auburn Rd. Grass Valley, California 95949.
2. Offer Insight Respite Center (ORC) Services/support up to fourteen (14) days. If individuals need additional time at the Center, the IRC team shall document, consider requests and may authorize additional days up to a maximum of twenty-eight (28) days per admission.
3. The CONTRACTOR and its Subcontractor will:
 - a. Maintain the confidentiality and security of all services and records in compliance with HIPAA and HITECH, to the extent required by law.
 - b. Deliver services in compliance with all applicable provisions described under the Welfare and Institutions Code.
 - c. Consider the client's psychiatric and physical health stability and whether the staffing and interventions available through the IRC will meet the psychiatric and behavioral health needs of any proposed Sierra County admissions. This includes whether the environment and support of the IRC specifically is adequate in managing potentially dangerous behavior. Because of the nature of the physical environment at the IRC, including many stairs, the client's physical limitations and medical needs may preclude the use of this service.
 - d. Follow the procedure of assessing all potential Respite clients first at the CSU where the Crisis Response Team (CRT) is co-located in Grass Valley, California next to the entrance of the Emergency Department of Sierra Nevada Memorial Hospital. Clients may or may not need CSU services, but all assessments will take place at that location. The CRT or CSU staff will assess the client's appropriateness for Respite Services during the initial assessment of the client for placement and continuing during any admission, if needed, at the CSU. Clients that do not require CSU services may be immediately referred to the IRC. When a referral is made to the IRC, the CONTRACTOR will identify if there is an opening and request IRC staff to travel to the CSU to provide a screening of the client for appropriateness of IRC services. The final decision of who enters the IRC program will remain with the designee of the CONTRACTOR, which is usually the Clinical Supervisor or the Program Manager.
 - e. In coordination with COUNTY, assist with discharge planning for the client immediately upon client's arrival to the IRC. The discharge plan, which includes a Wellness Recovery Action Plan (WRAP), provides a clear outline of both strategies for managing symptoms during the stay at IRC and afterward.
 - f. Regularly coordinate with the COUNTY's designee for providing updates on progress and planning of follow-up services.

- g. Comply with documentation standards established by Nevada County for the IRC.
- h. Ensure that potential clients meet the following target population:
 - 1. Over the age of 18.
 - 2. Have a mental illness and as a result of the disorder the individual is at risk of needing a higher level of care (e.g., psychiatric hospitalization, residential program, etc.) or recently discharged from a higher level of care, or experiencing a first episode or re-emergence of a psychotic break;
 - 3. Assessed by the staff of the Sub-Contractor and approved by the CONTRACTOR's Program Manager or his/her designee;
 - 4. Medically stable;
 - 5. Not under the influence of alcohol and/or drugs;
 - 6. Able to maintain acceptable personal hygiene
 - 7. Be responsible for preparing meals and cleaning up after oneself;
 - 8. Understand and sign or initial necessary documentation;
 - 9. Willing to follow participant agreement upon entering the Center; and
 - 10. Have a place to return to when leaving the Center, which shall be identified by COUNTY at the time of placement.
- i. Ensure that IRC provides a warm supportive home-loke environment for individuals who will receive active listening and empathy from peer counselors, which has been shown to be effective in reducing immediate feelings of crisis and promoting quicker resolution of crisis. Services shall be focused on helping individuals understand the factors that preceded the crisis so they can begin to understand triggers and develop appropriate coping skills.
- j. Provide clinical support to the staff who are made up mostly of peers. Peers are defined as those persons with lived experience, as wither a person who has received psychiatric services in the past for mental illness or has lived with a family member with such experiences. The Program Director fi the IRC shall be onsite at the Center 40 hours per week. There shall also be a Peer Counselor or Lead Peer Counselor onsite 24 hours per day, 7 days per week, and a second Peer Counselor shall be onsite daily at various times form 8 am to 12 am.
- k. Ensure that the guiding principles utilized by staff shall include Wellness and Recovery and Intentional Peer Support, with a focus on services being participant-driven, individualized and person-centered, empowering, holistic, strengths-based, respectful, and above all provide hope to the participants.
- l. Encourage the use of a comprehensive trauma-informed approach with a crisis prevention WRAP plan. This plan will start with goal setting. The respite staff shall use the Strengths Assessment in order to help the client identify existing strengths and develop plans that use those strengths in order to achieve identified short-term goals. This plan will help clients to anticipate and manage situations that have historically precipitated crisis events. These plans often lead to the client feeling empowered and provide hope for improved ability to manage difficult situations in their lives. The plan shall include natural supports, such as family members and friends, along with other identified support who will be invited to participate in the development of the plan and to play an active role in ongoing support of the individual. During their time at the Center, other natural community supports also shall be identified that meet the clients identified needs at that time, as well as any needs they may have following discharge from the program.
- m. Early Transition/Termination may occur with clients if their behavior does not align with house rules, they need a higher level of care, they display significant threatening behavior or verbalize threats to self or others, they decline to follow significant parts of their support plan at the Center, they achieve their desired goals and are ready to leave, or have stayed at the Center for the maximum time period (28 days), as determined by staff and the

CONTRACTOR or the Sub-Contractor. Policies and procedures that clearly describe the criteria for transitioning/terminating a participant early from the program shall be clearly outlined and documented. CONTRACTOR shall document the reason(s) why any individual is transitioned/terminated early from the program and a summary provided to the County designee.

- n. Arrange and lead regular Insight Respite Center Steering Committee meetings which will include key staff from the COUNTY, CONTRACTOR, Spirit Peer Empowerment Center, SB 82 grant evaluator, other relevant agencies and stakeholders, consumers, advocates, and other interested parties. The Steering Committee will review outcomes and ways to improve the Respite Center process and services. Ensure that all persons working at the IRC receive comprehensive training related to understanding the array of services with the County Adult System of Care. Coordination of the Center's services will be integrated with the Crisis Response Team, CSU, Sierra Nevada Memorial Hospital, and the County programs related to crisis services and follow-up services. IRC staff and COUNTY staff shall collaborate to ensure that all Center participants, to the best extent possible, have a clinically supported transition back to their home.
- o. Perform services which are relevant to this contract but have not been included in this scope of the services. The Sub-Contractor has agreed to perform said services upon the written request of the CONTRACTOR. These additional services may include, but are not limited to, any of the following: Work requested by the CONTRACTOR in connection with any other matter or any item of work not specified herein; work resulting from substantial changes ordered by the CONTRACTOR in the nature or extent of the project, and serving as an expert witness for the CONTRACTOR in any litigation or other proceedings involving the Center.

This provision is not intended to create any cause of action in favor of any third party against either Party or to enlarge in any way either Party's liability but is intended solely to provide for indemnification of the Indemnified Party from liability for damages, or injuries to third persons or property, arising from or in connection with Indemnifying Party's performance pursuant to this Contract. This obligation is independent of, and shall not in any way be limited by, the minimum insurance obligations contained in this Contract."

For all purposes of compliance by COUNTY with Section 107.6 of the *California Revenue and Taxation Code*, this recital shall be deemed full compliance by the COUNTY. All questions of initial determination of possessory interest and valuation of such interest, if any, shall be the responsibility of the County Assessor and the contracting parties hereto. A taxable possessory interest may be created by this, if created, and the party in whom such an interest is vested will be subject to the payment of property taxes levied on such an interest.

D.12 TAXES. CONTRACTOR hereby grants to the COUNTY the authority to deduct from any payments to CONTRACTOR any COUNTY imposed taxes, fines, penalties and related charges which are delinquent at the time such payments under this Agreement are due to CONTRACTOR.

Further provided, however, COUNTY shall not in any manner be liable for lost profits which might have been made by CONTRACTOR had CONTRACTOR completed the services required by this Agreement. In this regard, CONTRACTOR shall furnish to COUNTY such financial information as in the judgment of the COUNTY is necessary to determine the reasonable value of the services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the services rendered by CONTRACTOR, the decision of the COUNTY shall be final. In the event the Sierra County Auditor's office finds a mathematical discrepancy between the terms of the Agreement and actual invoices or payments, provided that such discrepancy does not exceed 1% of the Agreement amount, the Auditor's office may make the adjustment in any payment or payments without requiring an amendment to the Agreement to provide for such adjustment. Should the COUNTY or the CONTRACTOR disagree with such adjustment, they reserve the right to contest such adjustment and/or to request corrective amendment.

D.24 COUNTERPARTS. This Agreement may be executed simultaneously and in several counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument.

D.25 OTHER DOCUMENTS. The parties agree that they shall cooperate in good faith to accomplish the object of this Agreement and, to that end, agree to execute and deliver such other and further instruments and documents as may be necessary and convenient to the fulfillment of these purposes.

D.26 PARTIAL INVALIDITY.
