INDEPENDENT ACCOUNTANTS' REPORT

Honorable Members of the Board of Supervisors
County of Nevada
Nevada City, California

We have examined the County of Nevada's compliance with the investment compliance requirements contained in Article 6, Sections 27131-27137 of the California Government Code and the County Investment Policy during the period July 1, 2016, to June 30, 2017. The County Treasury's management is responsible for compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County of Nevada complied in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether County of Nevada complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on compliance with specified requirements.

In our opinion, County of Nevada complied, in all material respects, with the aforementioned investment compliance requirements during the period July 1, 2016 through June 30, 2017.

This report is intended solely for the information and use of the Board of Supervisors, and management and is not intended to be and should not be used by anyone other than these specified parties.
