Honorable Members of the Board of Supervisors and Clerk of the Board:

Epic Wireless Group, on behalf of New Cingular Wireless PCS, LLC dba AT&T Wireless, would like to respectfully request a continuance of this appeal hearing of Agenda Item SR 19-0490 at your June 11, 2019 meeting. While the Board of Supervisors requested the item come back with findings for denial, the applicant would like additional time to draw together a more thorough explanation of the technical reasons for this proposal so that the Board of Supervisors is fully-informed as to the need for wireless service in this area.

Thank you for your help on this matter. I can be reached at (916) 296-2011 with any questions.

Sincerely,
