NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: June 9, 2020

TO: Board of Supervisors

FROM: David A. Garcia, Jr., Solid Waste Program Manager

SUBJECT: **Resolution to Provide Financial Assurance for Post-Closure Maintenance and Reasonably Foreseeable Corrective Actions for the McCourtney Road Landfill and Rescind Resolution No. 97-80**

RECOMMENDATION: Approve the attached Resolution.

FUNDING: N/A

BACKGROUND: The County of Nevada maintains the closed McCourtney Road Landfill in conformance with the findings, conditions, prohibitions and requirements contained in the Solid Waste Permit No. 29-AA-0001 issued by the Nevada County LEA, serving as Local Enforcement Agency (LEA) for CalRecycle. Public Resources Code sections 43500 through 43610.1 and Title 27, California Code of Regulations (27 CCR), Division 2, Subdivision 1, Chapter 6, require operators of solid waste landfills to demonstrate the availability of financial resources to conduct closure, post-closure maintenance and corrective action activities. Sections 22228 and 22245 of the Regulations specify a Pledge of Revenue as an acceptable mechanism to demonstrate financial responsibility for financing post-closure maintenance and/or corrective action costs of a solid waste landfill. The Board of Supervisors established a pledge of revenue from Solid Waste Parcel Charges per Resolution 97-80 (Section G-IV 8.16 of Chapter IV, Article 8 of the General Code of the County of Nevada).

The proposed pledge of revenue agreement has been updated per 2019 financial assurance cost estimates approved by CalRecycle and includes a Pledge of Revenue for corrective actions in accordance with 27 CCR, sections 22228 and 22245.
