NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: November 14, 2017

TO: Board of Supervisors

FROM: Keith Royal, Sheriff-Coroner-Public Administrator

SUBJECT: Resolution authorizing the Nevada County Sheriff to submit an application to the California Department of Boating and Waterways for reimbursement of boating safety enforcement costs for the period July 1, 2018 to June 30, 2019 in the amount of \$266,721

RECOMMENDATION: Adopt Resolution

FUNDING: Not applicable. This is an application for financial aid from the California Department of Boating and Waterways to reimburse costs associated with the Sheriff's Office Boating Safety and Enforcement Program for FY 18/19.

BACKGROUND: The Nevada County Sheriff's Office has participated in the Cal Boating Safety and Enforcement Program for over 40 years. The program allows the Sheriff's Office to assign specially trained officers to patrol the county's waterways. Funds received from this program along with a portion of the personal property taxes assessed on boats, are allocated to pay the cost of officers' salaries and benefits, boats, training, maintenance, and other program related costs. Without it, there would be very minimal enforcement of watercraft law or boating safety regulations on our county waterways.

Although we are requesting \$266,721, it is anticipated that funding will be more in line with prior funding amounts of approximately \$96,000.
