9. **Relationship of Parties**

9.1. **Independent Contractor**

In providing services herein, Contractor, and the agents and employees thereof, shall work in an independent capacity and as an independent contractor and not as agents or employees of County or City. Contractor acknowledges that it customarily engages independently in the trade, occupation, or business as that involved in the work required herein. Further, the Parties agree that Contractor shall perform the work required herein free from the control and direction of County and City, and that the nature of the work is outside the usual course of the County's and City's business. In performing the work required herein, Contractor shall not be entitled to any employment benefits, Workers' Compensation, or other programs afforded to County and City employees. Contractor shall hold County and City harmless and indemnify County and City against such claim by its agents or employees. County and City make no representation as to the effect of this independent contractor relationship on Contractor's previously earned California Public Employees Retirement System ("CalPERS") retirement benefits, if any, and Contractor specifically assumes the responsibility for making such determination. Contractor shall be responsible for all reports and obligations including but not limited to: social security taxes, income tax withholding, unemployment insurance, disability insurance, workers' compensation and other applicable federal and state taxes.

9.2. **No Agent Authority** Contractor shall have no power to incur any debt, obligation, or liability on behalf of County or City or otherwise to act on behalf of County or City as an agent. Neither County nor City nor any of their agents shall have control over the conduct of Contractor or any of Contractor's employees, except as set forth in this Contract. Contractor shall not represent that it is, or that any of its agents or employees are, in any manner employees of the County or City.

9.3. **Indemnification of CalPERS Determination** In the event that Contractor or any employee, agent, or subcontractor of Contractor providing service under this Contract or is determined by a court of competent jurisdiction or CalPERS to be eligible for enrollment in CalPERS as an employee of the County or City, Contractor shall indemnify, defend, and hold harmless County and City for all payments on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County or City.

10. **Assignment and Subcontracting** Except as specifically provided herein, the rights, responsibilities, duties and Services to be performed under this Contract are personal to the Contractor and may not be transferred, subcontracted, or assigned without the prior

written consent of County or City. Contractor shall not substitute or replace any personnel for those specifically named herein or in its proposal without the prior written consent of County or City.

Contractor shall cause and require each transferee, subcontractor, and assignee to comply with the insurance provisions set forth herein, to the extent such insurance provisions are required of Contractor under this Contract. Failure of Contractor to so cause and require such compliance by each transferee, subcontractor, and assignee shall constitute a Material Breach of this Contract, and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both.

11. **Licenses, Permits, Etc.** Contractor represents and warrants to County and City that Contractor shall, at its sole cost and expense, obtain or keep in effect at all times during the term of this Contract, any licenses, permits, and approvals which are legally required for Contractor to practice its profession at the time the services are performed.
12. **Hold Harmless and Indemnification Contract** To the fullest extent permitted by law, each Party (the "Indemnifying Party") hereby agrees to protect, defend, indemnify, and hold the other Party (the "Indemnified Party"), its officers, agents, employees, and volunteers, free and harmless from any and all losses, claims, liens, demands, and causes of action of every kind and character resulting from the Indemnifying Party's negligent act, willful misconduct, or error or omission, including, but not limited to, the amounts of judgments, penalties, interest, court costs, legal fees, and all other expenses incurred by the Indemnified Party arising in favor of any party, including claims, liens, debts, personal injuries, death, or damages to property (including employees or property of the Indemnified Party) and without limitation, all other claims or demands of every character occurring or in any way incident to, in connection with or arising directly or indirectly out of, the Contract. The Indemnifying Party agrees to investigate, handle, respond to, provide defense for, and defend any such claims, demand, or suit at the sole expense of the Indemnifying Party, using legal counsel approved in writing by Indemnified Party. Indemnifying Party also agrees to bear all other costs and expenses related thereto, even if the claim or claims alleged are groundless, false, or fraudulent. This provision is not intended to create any cause of action in favor of any third party against any Party or to enlarge in any way any Party's liability but is intended solely to provide for indemnification of the Indemnified Party from liability for damages, or injuries to third persons or property, arising from or in connection with Indemnifying Party's performance pursuant to this Contract. This obligation is independent of, and shall not in any way be limited by, the minimum insurance obligations contained in this Contract.
13. **Standard of Performance** Contractor shall perform all services required pursuant to this Contract in the manner and according to the standards observed by a competent practitioner of the profession in which Contractor is engaged in the geographical area in which Contractor practices its profession. 20. **Termination**

- A. A Material Breach, as defined pursuant to the terms of this Contract or otherwise, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County or City may elect to immediately suspend payments hereunder, or terminate this Contract, or both, without notice.
- B. If Contractor fails to timely provide in any manner the services materials and products required under this Contract, or otherwise fails to promptly comply with the terms of this Contract, or violates any ordinance, regulation or other law which applies to its performance herein, County or City may terminate this Contract by giving **five (5) calendar days written notice to Contractor.**
- C. The term "writings" shall be construed to mean and include: handwriting, typewriting, printing, photostatting, photographing, and every other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof.
- 2) County and City shall have full ownership and control of all such writings delivered by Contractor pursuant to this Contract.

In this regard, Contractor shall furnish to County and City such financial information as in the judgment of the County is necessary to determine the reasonable value of the services rendered by Contractor. The foregoing is cumulative and does not affect any right or remedy, which County and City may have in law or equity.

E. If City or County terminates this Contract for any reason, the other Party may elect to proceed under the Contract by striking those provisions of the Schedule of Services it deems, in its sole discretion, unnecessary or solely applicable to the terminating Party.

21. **Intellectual Property** To the extent County or City provides any of their own original photographs, diagrams, plans, documents, information, reports, computer code and all recordable media together with all copyright interests thereto, not the property of Contractor (herein "Intellectual Property"), which concern or relate to this Contract and which have been prepared by, for or submitted to Contractor by County or City shall be the property of County or City, respectively, and upon fifteen (15) days demand therefor, shall be promptly delivered to County or City without exception.

This includes prior Nevada County employment in accordance with County Personnel Code.

24. **Entirety of Contract** This Contract contains the entire Contract of County, City and Contractor with respect to the subject matter hereof, and no other Contract, statement, or promise made by any Party, or to any employee, officer or agent of any Party, which is not contained in this Contract, shall be binding or valid.
25. **Alteration** No waiver, alteration, modification, or termination of this Contract shall be valid unless made in writing and signed by all Parties, except as expressly provided in Section 19, Termination.
26. **Governing Law and Venue** This Contract is executed and intended to be performed in the State of California, and the laws of that State shall govern its interpretation and effect. The venue for any legal proceedings regarding this Contract shall be the County of Nevada, State of California. Each Party waives any Federal court removal and/or original jurisdiction rights it may have.

- 1.2 Cost of services and fund analysis: Identify direct and indirect costs of providing solid waste services in Eastern Nevada County, including contract administration, parcel bill administration, and post closure liability for the Closed Hirschdale Landfill. Finally, the analysis should include potential future costs (e.g. contract negotiations, etc.)

- 1.3 Current and Recommended Rate Structure(s): Assess the equity and suitability of current rate structures and make recommendations as necessary. Of particular interest are potential rates for parcels that have more than one dwelling unit and/or parcels that share a community drop-off location. Rates must cover all current and projected future costs of providing service, include projections for variables such as growth, inflation, future interest rates and others. Provide direct identification of revenues to corresponding expenditures. Provide a comparison of rates of similar service providers in California to demonstrate that the proposed rates are reasonable.

- 1.4 Fee Study: The final report shall demonstrate a legal nexus between recommended fees and the services provided and the benefits from those services, any recommended revisions to County Code, as well as all information described above. In addition to providing the final report, provide assistance with the Proposition 218 noticing requirements including preparing the public hearing notices and all public outreach material during the process and to effectuate the rate change.

- (iv) **Waiver of Subrogation** Contractor hereby grants to County and City a waiver of any right to subrogation which any insurer or said Contractor may acquire against the County or City by virtue of the payment of any loss under such insurance. - (v) **Sole Proprietors** If Contractor is a Sole Proprietor and has no employees, they are not required to have Workers Compensation coverage.  - b. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

- (ix) **Verification of Coverage** Contractor shall furnish the County and City with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to County before work begins. However, failure to obtain and provide verification of the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The County and City reserve the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
- (x) **Subcontractors** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.
