If requested, Contractor agrees to serve as an expert witness for County in any third party action or proceeding arising out of this Contract.

2. **Charges and Payments:**

The charges (herein "Charges") for furnishing the aforesaid Services under this Contract are set forth in **Exhibit "B"**, including, if applicable, hourly rates, unit pricing, and expense, mileage and cost limits. Said Charges shall be presented monthly by invoice, and shall be due within thirty (30) days of receipt unless payment is otherwise set forth in said **Exhibit "B"**, and shall remain in effect for the entire term of this Contract, and any extension hereof. In no event will the cost to County for Services to be provided under this Contract, including direct non-salary expenses, exceed the **Maximum Contract Price** set forth at §2, page one (1), above.

Time for Performance

3. **Contract Term:**

This Contract shall commence on the **Contract Beginning Date** set forth at §3, page one (1), above. All Services required to be provided by this Contract shall be completed and ready for acceptance no later than the **Contract Termination Date** set forth at §3, page one (1), above.

County and Contractor agree that damages to County due to delays in timely providing Services in accordance with the aforesaid Performance Schedule and Contract Termination Date are impractical and difficult to ascertain. Therefore, if §4 at page one (1) hereof shall indicate a daily amount as **Liquidated Damages**, County shall have the right to assess said daily sum, not as a penalty, but as and for damages to County due to delays in providing Services not in accordance with the said Performance Schedule, or later than the Contract Termination Date (herein "Delay"). Liquidated Damages shall be offset against amounts owing to Contractor, including retention sums.

To the extent that any Delay is a result of matters or circumstances wholly beyond the control of Contractor, County may excuse said Liquidated Damages; provided however, that County may condition such excuse upon Contractor having given prompt notice to County of such delay immediately by telephone and thereafter by written explanation within a reasonable time. The time for Contractor's performance shall be extended by the period of delay, or such other period as County may elect.

5. **Time of the Essence:**

Time is of the essence with respect to Contractor's performance under this Contract. Delay in meeting the time commitments contemplated herein will result in the assessment of liquidated damages, if indicated at §4 at page one (1), hereof. If Liquidated Damages are not so indicated, damages shall be as otherwise provided by law.

Insurance

6. **Commercial General Liability Insurance:** (County Resolution No. 90674)

7. Automobile Liability Insurance: (County Resolution No. 90676)

If §7 at page one (1) hereof shall require either a Business Rated or a Commercial Automobile Liability insurance policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following provisions:

- (i) Liability protection for death or bodily injury to a person or persons, property damage, and uninsured and underinsured coverage, combined single limit coverage, in the minimum amount indicated at said §7;

Failure to provide and maintain the insurance policies (including Best's ratings), endorsements, or certificates of insurance required by this Contract shall constitute a material breach of this agreement (herein "Material Breach"); and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both. (See §13, ¶2, below, as these provisions additionally apply to subcontractors.)

11. Indemnity .

Nothing herein shall be construed as a limitation of Contractor's liability, and Contractor shall indemnify, defend and hold harmless the County and its officers, officials, employees, agents and volunteers from any and all liabilities, claims, demands, damages, losses and expenses (including, without limitation, defense costs and attorney fees of litigation) which result from the negligent act, willful misconduct, or error or omission of Contractor, except such loss or damage which was caused by the sole negligence or willful misconduct of County or its officers, officials, employees, agents and volunteers.

A Material Breach of this Contract pursuant to the terms hereof or otherwise, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to immediately suspend payments hereunder, or terminate this contract, or both, **without notice**.

2. **TERM:** The initial term of this Agreement is five years six months beginning on the Effective Date specified in the Summary. After completion of the initial term of the contract including any extensions County and Contractor may renegotiate the contract terms and conditions.

3. **PRICE AND PAYMENT:**

3.1 **FUEL PRICING**

Jet A: The formula for avgas is the weekly average of Platt's Los Angeles Jet Mean plus a differential of \$.11312 per gallon. This differential is a rack price and includes freight. The Platt's average price will be calculated each Monday (or Tuesday when Monday is a holiday) for the previous week (Monday-Friday-published trading days only) and will be effective for the following Tuesday through Monday period.

Avgas 100LL: The formula for avgas is the weekly average of Platt's Los Angeles Premium Unleaded plus a differential of \$1.06925 per gallon. This differential is a rack price and includes freight. The Platt's average price will be calculated each Monday (or Tuesday when Monday is a holiday) for the previous week (Monday-Friday-published trading days only) and will be effective for the following Tuesday through Monday period.

Please note that all the above confidential fuel prices include freight, are exclusive freight surcharges and any federal, state or local taxes, into-wing charges, fuel or any other surcharges or fees. If any documented surcharges are imposed upon Avfuel, Avfuel reserves the right to assess surcharges to customer.

The price formula is valid when fuel is delivered from the primary supply terminal. If fuel is delivered from an alternate supply terminal additional charges may be applicable. In the event that there is a change in Avfuel's costs for supplying the above products Avfuel reserves the right to amend any component of the aforementioned formula. In such case, Avfuel will notify customer in writing of the changes which will take effect as of the date in the notification but before any increased charges begin to accrue. Customer reserves the right to decline product/services at any increased rate pursuant to this section. Failure to notify Customer of increased rates prior to the accrual of amounts owed at those increased rates is grounds for Customer to pay for product and services at the reduced price formula. Declination of Customer to pay higher rates is not considered a breach of this agreement.

Prices shall be F.O.B. the Customer's facilities at the Airports (each a "Delivery Address") and shall be exclusive of all taxes, fees, surcharges and other charges.

3.2 Unless otherwise agreed in writing or otherwise required by the state law where the Product is delivered, the standard unit of measurement of quantities of Products purchased and delivered shall be the Net Gallon. The term "Net Gallon" shall mean the volumetric measurement, in U.S. gallons, of a Product actually loaded and measured at the point of shipment, adjusted to the number of U.S. gallons that would have been loaded at a temperature of sixty degrees Fahrenheit (60°F). The conversion ratio shall be from the current American Society for Testing and Materials ("ASTM") IP Petroleum Measurement Tables.

3.3 Unless otherwise agreed in writing by the Parties, Customer agrees to pay in advance by bank wire transfer for all Products purchased hereunder. Failure to pay in advance shall be construed as a credit transaction and shall be subject to the Terms and Conditions of the Customer Credit Program set forth below.

4. **TAXES AND OTHER CHARGES:**

- 4.1. Customer shall pay all taxes, assessments, fees and other charges (the "Taxes") which are imposed by any federal, state or local governmental agency or by any airport authority (collectively, the "Taxing Authorities") based upon the delivery, sale, importation, inspection, storage or use of the Products purchased by Customer, excepting Taxes which are imposed upon Avfuel based upon its net income or revenues.
- 4.2. If the Taxing Authorities collect the Taxes directly from Customer, then Customer shall pay all such Taxes on or before their due dates. If the Taxing Authorities require that Avfuel collect the Taxes from Customer at the time of sale, Avfuel will include all such Taxes in its invoices to Customer and Customer shall pay all such invoices on or before their due dates. (In its invoices, Avfuel will identify those Taxes as separate items.) If Customer is entitled to an exemption from any Taxes which the Taxing Authorities require to be collected by Avfuel, then, in order to permit Avfuel not to collect those Taxes, Customer shall obtain and provide to Avfuel current and valid exemption certificates relating to those Taxes. If, subsequent to the issuance of any invoice, the Taxing Authorities or Avfuel advise Customer of additional Taxes payable with respect to the Products covered by that invoice, then Customer shall promptly pay such additional Taxes.
- 4.3. CUSTOMER ACKNOWLEDGES THAT IT REMAINS SOLELY RESPONSIBLE FOR ALL SUCH TAXES, AND WILL INDEMNIFY AVFUEL AGAINST ANY LIABILITY FOR SUCH TAXES. EVEN IF AVFUEL FAILS FOR ANY REASON TO INCLUDE ANY SUCH TAXES IN ITS INVOICES TO CUSTOMER. HOWEVER, AVFUEL WILL INDEMNIFY CUSTOMER AGAINST ANY LATE CHARGES, PENALTIES OR OTHER CHARGES THAT CUSTOMER INCURS IF AVFUEL'S FAILURE TO INCLUDE ANY TAXES IN ITS INVOICE. IS DUE TO GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

Customer's obligation to indemnify Avfuel shall extend to any Taxes which are assessable against Customer as a result of any subsequent change or reinterpretation of the laws relating to those Taxes or any exemptions from those Taxes and to any Taxes for which an exemption had been claimed but which are subsequently assessed by Taxing Authorities based upon its of a rejection of the claimed exemption for the Products or Customer.

5. DELIVERY:

Deliveries shall be made to the Delivery Address(es) listed in the Special Terms And Conditions. Avfuel or its authorized shipping agent ("Shipping Agent") shall be provided access to Customer's storage facilities during normal business hours, or at such other times as may be approved by Customer's authorized representative, for the purpose of unloading the Products. Unless otherwise agreed in writing, the minimum delivery of Jet A fuel will be a full standard transport tanker load which is equivalent to 7,500 Gross Gallons, and the minimum delivery for Avgas fuel will be a full standard transport tanker load which is equivalent to 8,500 Gross Gallons. Avfuel reserves the right to impose a surcharge for deliveries of less than a full tanker load.

- 5.1 Delivery shall be into tanks designated by Customer. Customer shall specifically designate and gauge the available capacity of the tanks into which the Product shall be unloaded, and shall bear all responsibility for all unloading operations including if such designation or gauge of available capacity results in spillage or contamination of the Product. Such designation shall be construed as a warranty that the designated tanks and containment areas have been inspected and approved by the appropriate regulatory agencies. Customer shall be responsible for the placement of hoses into the proper storage tanks and shall bear all responsibility of spillage or contamination of the Product after it leaves the end of any properly operating hose provided by Avfuel or its Shipping Agent. Contractor shall bear all responsibility of spillage or contamination of the Product before it leaves the end of any properly operating hose or as a result of Avfuel's or its Shipping Agent's improperly operating hose. Access to Customer's tanks shall be furnished in such a manner that Avfuel or its Shipping Agent can safely and conveniently reach Customer's storage facility with the hoses available, and Avfuel or its Shipping Agent may refuse to complete any delivery which Avfuel or the Shipping Agent determines, in its sole discretion, cannot be made safely.

In any event, Customer shall be solely responsible for making sure that it has received proper payment for each Card Transaction submitted. Customer shall have forty-five (45) days from the date of a Card Transaction to provide Avfuel Notice that the Card Transaction has not been properly accounted for or that payment has not been received. If no such Notice is given, such Card Transaction shall be conclusively presumed to have been settled and closed.

11. Avfuel reserves the unilateral right to amend, suspend, or terminate Charge Card Acceptance Program at any time effective upon written notice to the Customer. Customer may withdraw from the Charge Card Acceptance Program upon 60 days Notice to Avfuel. Termination of Customer's participation in the Charge Card Acceptance Program shall not be construed as terminating the Agreement or Customer's participation in any other Program.

12. This Charge Card Acceptance Program is further governed by the Avfuel Corporation AFSA General Terms and Conditions, latest edition, as updated from time to time and published at Avfuel.com. In the case of conflicts, the terms of this Charge Card Acceptance Program shall prevail.

CONTRACT FUEL DEALER PROGRAM:

IF CUSTOMER HAS ELECTED TO PARTICIPATE IN AVFUEL'S CONTRACT FUEL DEALER PROGRAM, THE FOLLOWING WILL APPLY.

1. Customer has been invited and has elected to participate in Avfuel's Contract Fuel Dealer Program (the "CFD Program"). Accordingly, Customer agrees to sell and deliver to clients who participate in Avfuel's Contract Fuel Program (the "CFCs" or a CFC" as the context may require) aviation fuel supplied by Avfuel and other products and services supplied by the Customer. A CFC is a person or entity that has executed a Contract Fuel User's Agreement with Avfuel or that is specifically authorized in writing, in accordance with authorization procedures established from time to time by Avfuel, and is included in a listing of purchasers eligible to purchase aviation fuel and other products and services under the CFD Program. The Customer will secure authorization from Avfuel before completing a sale to a CFC and the failure to obtain such authorization may result in Avfuel's dishonor of the invoice for that sale.

2. Subject to agreement between Customer and Avfuel, Products supplied hereunder shall be supplied from either Avfuel inventory on site or from Customer inventory. If, as a convenience to Customer, Avfuel maintains inventory at Customer's facility then Customer agrees to the following: (a) if Avfuel's inventory is

held separately in a segregated storage facility, Customer will withdraw fuel from that facility only to supply authorized CFCs and (b) if Avfuel's inventory is commingled with the inventory of the Customer (and, if applicable, third parties) in unsegregated facilities, Customer will not use or permit others to use Avfuel's inventory to supply parties other than authorized CFCs and to that end Customer shall not at any time make or permit withdrawals from that facility that would reduce the fuel in such facilities below the level of Avfuel's inventory (and, if applicable, the inventories of third parties). Customer shall measure Avfuel's inventory and reconcile that inventory on an ongoing basis. Reconciliation reports, in a form satisfactory to Avfuel, shall be delivered to Avfuel no later than the 5th day following the end of each month. If Avfuel's inventory is commingled in an unsegregated storage facility, gains and losses shall be allocated proportionally to the parties sharing the storage facility based on receipts of fuel during the month and losses shall be limited to no more than ¼% of total receipts for per annum. Book inventory shall be adjusted to coincide with actual inventory each month. Unless the Products are contaminated by an act or omission of Dealer, Avfuel will be liable if the Products do not conform to specifications. If the Products are supplied from the Customer's inventory, the Customer will be liable if the Products do not conform to specifications. Customer shall maintain Avfuel's inventory level in accordance with Avfuel's guidelines and shall specify when ordering fuel whether that fuel is for Customer's or Avfuel's inventory (which is subject to approval by Avfuel).

3. Under the CFD Program, all aviation fuel delivered by the Customer to a CFC will be deemed sold by Avfuel and will be at the prices and terms independently established between Avfuel and the CFC. If Avfuel maintains an inventory of aviation fuel at the Customer's facilities, then aviation fuel supplied by the Customer to CFCs will be drawn from Avfuel's inventory. If Avfuel does not maintain an inventory of aviation fuel at the Customer's facilities, then aviation fuel supplied to a CFC is drawn from the Customer's inventory and Avfuel will account for that aviation fuel by issuing a credit to the Customer equal to the Customer's cost for that aviation fuel, including applicable taxes, based upon the Customer's cost for the last load of aviation fuel purchased from Avfuel prior to the date of supply to the CFC.

4. The charges for all aviation fuel supplied to the CFC will be payable solely to Avfuel. Avfuel will be responsible for collecting and remitting any taxes imposed thereon by any local, state or federal taxing authority. Avfuel will invoice and collect those charges and taxes from the CFC. Avfuel, as the seller of all aviation fuel supplied to the CFC, will be the holder of and have the sole right to exercise all lien rights under applicable law on the aircraft into which that aviation fuel is supplied. In addition to any lien rights which Avfuel might possess as a result of services provided to a CFC, upon Customer's receipt of the credit from Avfuel for the vouchers generated from the Customer's deliveries of fuel to that CFC, the Customer automatically and irrevocably transfers to Avfuel any lien rights that Customer has or may have with respect to any equipment or other property owned by the CFC arising from such deliveries of fuel.

5. In all sales of aviation fuel drawn from Avfuel's inventory, title to that aviation fuel will be retained by Avfuel until the point in time that the aviation fuel enters into the aircraft of the CFC, at which point in time title will pass to the CFC. In all sales of aviation fuel drawn from Customer's inventory, title to that aviation fuel will be retained by the Customer until the point in time that the aviation fuel enters into the aircraft of the CFC, at which point in time title will pass instantaneously first to Avfuel and then to the CFC. The risk of loss or contamination of aviation fuel will be borne at each point in time by the party who or which holds title to that aviation fuel at that point in time. If, while Avfuel holds title, any aviation fuel is lost or contaminated as a result of the acts or omissions of the Customer, then the Customer will be liable to Avfuel for that loss or contamination.

6. The into-wing services provided by the Customer in delivering the aviation fuel to the CFC and any other services or products other than aviation fuel to the CFC for which a fee is charged will be deemed sold by the Customer to the CFC. The Customer's fees for into-wing services will be at a charge equal to the lowest charge imposed by the Customer to any other purchaser of aviation fuel at the FBO, less the discount that would be applicable to that charge under Avfuel's Credit and Charge Card Acceptance Program (in that Avfuel will incur the discount in collecting that charge from the CFC). All other services and products will be supplied at the Customer's normally established rates. Such other products may include, without limitation, lubricants, spare parts, food and other amenities. Such other services may include, without limitation, flowage fees, tie-down services, catering services and similar services that expedite deliveries and facilitate arrangements for the CFC. No cash advances will be permitted as "other products or services". The Customer will supply all such other products or services as an independent contractor to

the CFC and not as an agent or a subcontractor of Avfuel.

7. All other products and services that are supplied by Customer to CFCs will be provided in accordance with procedures and quality standards that are commercially reasonable and that comply with all legal requirements in the jurisdiction where the Customer's facilities are located. Customer will be solely liable if such other products and services do not conform to such standards, procedures or requirements.

8. The charges for all other products and services supplied by the Customer to the CFC will be payable solely to the Customer. The Customer will be responsible for collecting and remitting any taxes imposed thereon by any local, state or federal taxing authority. Customer may directly invoice and collect such charges from the CFC. Alternatively, at the Customer's option, Customer may assign to Avfuel for collection the account receivable from the CFC for other products and services supplied by the Customer (a "CFC Receivable"). If the Customer assigns a CFC Receivable to Avfuel, then Avfuel will issue a credit to the Customer's account for the amount of that CFC Receivable and Avfuel will thereafter invoice, collect and retain those charges from the CFC.

9. Any fees for any services supplied by the Customer in the delivery of aviation fuel to a CFC, including, without limitation any flowage fees or into-wing fees, will be earned by the Customer only after it has completed delivery of the entire load of aviation fuel into the aircraft of the CFC and title to that aviation fuel has passed to the CFC. Initial into-wing fees are established in the Special Terms and Conditions and, subject to the "most favored customer" provision in Paragraph 6, Customer may change those fees upon seven (7) days written Notice to Avfuel.

10. Customer will generate a written record (a "Ticket") of all aviation fuel supplied to a CFC at the Customer's facility. Each Ticket will include the following information: the CFC's name; the authorization number; pilot's name; aircraft registration number; flight or ID number provided by the CFC if applicable, transaction date(s); and type and quantity of fuel products provided, as measured in U.S. gallons. In addition, if the Customer assigns to Avfuel the CFC Receivable for other products and services supplied by the Customer to the CFC, the Customer will include in the Ticket the type and quantity of such other products or services and the charges payable by the CFC for such other products or services. Any charges for such other products or services must be separately stated and clearly identified as fees charged by the Customer that are separate from and independent of the amounts charged by Avfuel for aviation fuel. The pilot or other responsible representative of the CFC shall sign and be given a copy of the completed Ticket.

11. The Ticket (or all information required to be shown on the Ticket) for each sale to a CFC shall be delivered to Avfuel by POS Transmission or facsimile within twenty-four (24) hours following the completion of that sale. The original Tickets shall be kept on file by Customer for a period of five (5) years from the invoice date and will be sent to Avfuel upon request. Avfuel will from time to time provide Customer with instructions for processing these transactions and may provide the forms for doing so. Avfuel reserves the right to change these procedures upon seven (7) days written Notice to Customer.

12. The total amount due with respect to each Ticket shall be paid or credited to Customer's by Avfuel within ten (10) days following Avfuel's receipt of the Ticket.

13. Except as provided herein, all Tickets will be accepted by Avfuel without recourse. The exceptions are: a) Customer warrants the validity of all charges, and any charge that is disputed by the CFC, correctly or incorrectly, on grounds that the charge is invalid or inaccurate or that the aviation fuel, products or services supplied were unsatisfactory may be charged back to Customer at Avfuel's option; b) charges not previously authorized by Avfuel may be charged back to Customer at Avfuel's option; and c) any Ticket that is incomplete, illegible, or is otherwise not prepared in accordance with Avfuel's processing instructions may be charged back to Customer at Avfuel's option.

14. Avfuel has invited the Customer to participate as a CFD in the CFD Program on the expectation and condition that (a) the Customer's deliveries of aviation fuel at the Delivery Addresses will be limited to deliveries to end users of that fuel pursuant to direct sales by the Customer to those end users and deliveries to purchasers listed as CFCs to facilitate direct sales by Avfuel to those CFCs pursuant to the CFD Program, (b) the Customer will make deliveries of aviation fuel at the Delivery Addresses to purchasers

listed as CFCs only pursuant to the CFD Program and will not make direct sales to those CFCs and (c) except for sales pursuant to the CFD Program to purchasers listed as CFCs for brokered resale by those CFCs to end users, the Customer will not make any deliveries of aviation fuel at the Delivery Addresses pursuant to brokered sales (i.e. sales to end users in which a third party receives a brokerage margin or commission or other fee from the Customer or the end user or sales to third parties who resell the fuel to end users). The Customer acknowledges that these conditions are necessary to preserve Avfuel's continuing investment in developing and maintaining the network of participating fixed base operators and participating end users for the CFD Program and that Customer's failure to comply with these conditions will result in Avfuel's exercise of the right pursuant to Section 15 to discontinue the Customer's participation in the CFD Program.

15. Avfuel reserves the unilateral right to amend, suspend, or terminate the CFD Program at any time effective upon written notice to the Customer. Customer may withdraw from the CFD Program at any time upon 60 days Notice to Avfuel. See Section 14 of the General Terms and Conditions regarding Notices. Termination of Customer's participation in this Program shall not be construed as terminating the Agreement or Customer's participation in any other Program.

16. Avfuel will waive the processing fees for jet fuel for CALFIRE and USFS through the Avfuel Contract Fuel Program.

SCHEDULE OF CHARGES AND PAYMENTS

INVOICES AND PAYMENT TERMS. Invoices are to be mailed to the County department specified on the resulting contract. All invoices must include the contract number. Failure to comply will result in delayed payments. The County will make payment on a Net 30-day basis unless a cash discount is allowed for payment within the time period specified by vendor. The payment term shall begin on the date the acceptance of services are authorized by the County, or on the date a correct invoice is received in the office specified in the order, whichever is later. Prompt payment discounts shall be considered earned if payment is postmarked or personally delivered within the prescribed term. For the purposes of this section, the beginning date described above shall be considered day zero for the purposes of counting days in the prescribed term. **LATE FEES:** In accordance with Section 926.10 of the California Government Code, Nevada County will pay interest at the rate of 6% per annum on invoices which are unpaid 61 or more days beyond the "beginning date" as defined above.

Jet A: The formula for avgas is the weekly average of Platt's Los Angeles Jet Mean plus a differential of \$.11312 per gallon. This differential is a rack price and includes freight. The Platt's average price will be calculated each Monday (or Tuesday when Monday is a holiday) for the previous week (Monday-Friday-published trading days only) and will be effective for the following Tuesday through Monday period.

Avgas 100LL: The formula for avgas is the weekly average of Platt's Los Angeles Premium Unleaded plus a differential of \$1.06925 per gallon. This differential is a rack price and includes freight. The Platt's average price will be calculated each Monday (or Tuesday when Monday is a holiday) for the previous week (Monday-Friday-published trading days only) and will be effective for the following Tuesday through Monday period.

Please note that all the above confidential fuel prices include freight, are exclusive freight surcharges and any federal, state or local taxes, into-wing charges, fuel or any other surcharges or fees. If any documented surcharges are imposed upon Avfuel, Avfuel reserves the right to assess surcharges to customer.

The price formula is valid when fuel is delivered from the primary supply terminal. If fuel is delivered from an alternate supply terminal additional charges may be applicable. In the event that there is a change in Avfuel's costs for supplying the above products Avfuel reserves the right to amend any component of the aforementioned formula. In such case, Avfuel will notify customer in writing of the changes which will take effect as of the date in the notification but before any increased charges begin to accrue. Customer reserves the right to decline product/services at any increased rate pursuant to this section. Failure to notify Customer of increased rates prior to the accrual of amounts owed at those increased rates is grounds for Customer to pay for product and services at the reduced price formula. Declination of Customer to pay higher rates is not considered a breach of this agreement.

Prices shall be F.O.B. the Customer's facilities at the Airports (each a "Delivery Address") and shall be exclusive of all taxes, fees, surcharges and other charges.

SCHEDULE OF CHANGES

The parties agree to the following amendment to the contract:

1. Replace Paragraph 11 in its entirety with the following:

11. Indemnity.

EXCEPT AS OTHERWISE PROVIDED IN THIS AGREEMENT, EACH PARTY (AS SUCH, THE "INDEMNIFYING PARTY") AGREES TO DEFEND INDEMNIFY AND TO HOLD HARMLESS THE OTHER PARTY AND THE OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS OF THE OTHER PARTY (AS SUCH, THE "INDEMNIFIED PARTIES") FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, LOSSES, LIABILITIES, CAUSES OF ACTION, COSTS OR EXPENSES (INCLUDING ATTORNEY'S FEES) OF WHATSOEVER NATURE WHICH ARE ASSERTED AGAINST OR INCURRED BY ANY INDEMNIFIED PARTY AS A RESULT OF THE BREACH BY THE INDEMNIFYING PARTY OF ITS OBLIGATIONS UNDER THIS AGREEMENT OR AS A RESULT OF ANY NEGLIGENCE, WILLFUL MISCONDUCT, OR ERROR OR OMISSION OF THE INDEMNIFYING PARTY OR OF ANY OFFICERS, DIRECTORS, EMPLOYEES OR AGENTS OF THE INDEMNIFYING PARTY. WITHOUT LIMITING THE GENERALITY OF THE ABOVE PROVISIONS, THE OBLIGATION OF THE INDEMNIFYING PARTY UNDER THIS SECTION 11 SHALL INCLUDE ANY REASONABLE COSTS INCURRED BY THE INDEMNIFIED PARTIES IN ENFORCING THE OBLIGATION OF INDEMNITY UNDER THIS SECTION. EACH PARTY'S OBLIGATION TO INDEMNIFY SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT AND SHALL REMAIN IN FULL FORCE AND EFFECT UNTIL THE LAPSE OF ALL APPLICABLE STATUTES OF LIMITATIONS OR SIMILAR TIME PERIODS WITHIN WHICH AN ACTION FOR INDEMNITY OR CONTRIBUTION MUST BE BROUGHT.

1. Replace Paragraph 20 in its entirety with the following:

20. Breach and Termination:

20.1 BREACH AND CURE PERIOD. Failure of a Party to comply with the provisions of this Agreement shall constitute a breach of the Agreement by the non-complying Party. Except as otherwise permitted under this Agreement, the non-breaching Party shall provide Notice of that breach to the other Party in the manner set forth in Section 26. The Notice shall specify the alleged breach and the period within which the breach must be cured which, except as otherwise permitted under this Agreement, shall be at 30 calendar days. The Party receiving such Notice shall respond thereto in writing within five (5) business days.

20.1.1 A material breach by Contractor that results in a material health or safety issue reasonably requiring immediate action, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to immediately suspend payments hereunder, suspend performance under this contract, or, if such material breach shall remain uncured five (5) days after delivery of written Notice to Contractor, terminate this contract **effective upon delivery of Notice**.

20.1.2 If the breach is of the County's obligation to make a payment to Contractor when due, then Contractor, in addition to all other rights hereunder, may suspend its performance under this Agreement forthwith. Contractor shall also have the right to offset any undisputed amount that Contractor then or thereafter owed to County.

20.2 TERMINATION. If a breach is not cured within the period specified in the Notice, the Party claiming breach, by further written Notice, at its election, may affirm this Agreement and initiate appropriate legal actions to require the other Party to remedy that breach or may immediately terminate this Agreement. In either instance, the Party claiming the breach may by appropriate legal proceedings seek and secure recovery of any damages resulting from that breach.

20.2.1 If Contractor violates any material ordinance, regulation or other law which applies to its performance herein and if such violation shall remain uncured five (5) days after delivery of written Notice to Contractor, County may terminate this Contract by giving **five (5) days Notice** to Contractor.

20.2.2 Either party may terminate this Contract for any reason, or without cause, by giving **thirty (30) calendar days Notice** to the other, which notice shall be sent by registered mail in conformity with the notice provisions in Section 26. In the event of termination, the Contractor shall be paid for services performed to the date of termination in accordance with the terms of this Contract. Contractor shall be excused for failure to perform services herein if such performance is prevented by acts of God, strikes, labor disputes or other forces over which the Contractor has no control.

20.2.3 County, upon giving **sixty (60) calendar days Notice** to Contractor, shall have the right to terminate its obligations under this Contract at the end of any fiscal year if the County or the State of California, as the case may be, does not appropriate funds sufficient to discharge County's obligations coming due under this contract.

20.3 If the Agreement is terminated in accordance with this Paragraph 20, Contractor or its agents or employees may, upon reasonable Notice to County, and during a mutually agreed-upon time and date, enter onto any facility of County for the purpose of repossessing any item of Equipment or any personal property of any description owned by Contractor, and County shall make reasonable efforts to assist Contractor in such repossession. Exercise of the foregoing remedies shall not constitute a waiver of any amount due by County hereunder or of any damages accruing by reason of the breach of any of the terms or conditions of this Agreement.

20.4 The Party claiming a breach may waive that breach by giving Notice to the other Party in the manner set forth in Section 26 below. The waiver of any breach shall not constitute a waiver of any subsequent breach of the same or any other term or condition. Any failure of either Party to enforce rights or seek remedies arising out of any breach by the other Party shall not prejudice or affect the rights and remedies of that Party in the event of any subsequent breach by the other Party.

20.5 Except as set forth in Section 20.2, any dispute that arises under this Agreement, pursuant to Section 20.1 or otherwise, shall be submitted to a senior officer or other person having the authority to negotiate the resolution of such disputes for each Party. Those persons shall attempt, in good faith, to resolve the dispute, and no action in law or equity shall lie for at least 30 days while the process set forth herein runs its course. If the dispute involves the payment of money, all undisputed amounts shall be paid when due regardless of whether the undisputed amount is only part of an invoice.

20.6 The exercise of a Party's right to terminate the Agreement or to exercise any other remedy shall not be deemed an election of remedies and shall be without prejudice to the non-breaching Party's rights to exercise any other remedy afforded to it by this Agreement or by law or equity. In any action related to the enforcement or breach of this Agreement, the prevailing Party shall have the right to recover its costs actually incurred.
