**Board Agenda Memo**

---

**MEETING DATE:** June 21, 2016

**TO:** Board of Supervisors

**FROM:** Keith Royal, Sheriff-Coroner-Public Administrator

**SUBJECT:** Resolution authorizing the execution of Amendment #2 to the contract approved by Resolution 13-235, extending the Agreement with the County of Placer for forensic pathology services and use of the County of Placer Morgue

---

**RECOMMENDATION:** Adopt the resolution

**FUNDING:** Funding in the amount of \$110,000 is for FY 2016/2017 and impacts the Sheriff's Office Operations budget. Monies have been budgeted using General Fund monies. These services are mandatory.

**BACKGROUND:** The Nevada County Sheriff's Office provides Coroner services for the County of Nevada. Unattended or suspicious deaths require the services of a Forensic Pathologist to perform autopsies and/or medical chart reviews to determine cause of death. Nevada County does not have a morgue, nor does the Sheriff's Office employ a forensic pathologist, as the cost would be prohibitive. Our neighboring county, the County of Placer, does have a morgue and employs two forensic pathologists.

The County of Nevada has found it prudent to contract for pathology services with the County of Placer. We have been very happy with their services, as their forensic pathologists are experienced and reputable. We also feel we are receiving services at a very reasonable cost of \$110,000 per year for up to 120 coroner cases.

This resolution will allow for an amendment to the contract to extend for one year, without any other changes and will be our second extension of the current contract. The contract extension will be from July 1, 2016 to June 30, 2017. Resolution 15-225 approved the first amendment to the contract. The County of Placer has authorized their Purchasing Manager to sign the Amendment.
