NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: December 14, 2021

TO: Board of Supervisors

FROM: **Mike Dent**

SUBJECT: Resolution approving execution of a renewal Standard Agreement Number 22F-5029 with the State Department of Community Services and Development (CSD) for funding of 2022 Community Services Block Grant (CSBG) Programs and authorizing the Health and Human Services Agency Director to sign any required documents associated with CSD notifications of availability of CSBG funds up to the maximum amount of \$278,748 for the term of January 1, 2022 through May 31, 2023.

RECOMMENDATION: Approve the attached resolution.

FUNDING: The County annually receives federal CSBG funds to support local services to low income residents of Nevada County. CSBG grants are allocated on a calendar year basis through a formula set by the CSD. The allocated CSBG award for all agencies is listed in the Agreement's Attachment A - 2022 CSBG Allocation spreadsheet. Per the spreadsheet, the total calendar year 2022 amount for Nevada County is \$278,748. As funds are appropriated to the State by the Congress, CSD will release a notification sanctioning the available amount to be expended for each quarter. Receipt of funding was anticipated and included in the Department's budget. There are no County general fund dollars required in the Agreement.

BACKGROUND: As a condition of receipt and distribution of these funds, Nevada County must establish a list of priorities for addressing the needs of low-income residents through the development of a Community Action Plan (CAP). Per Resolution No. 21-285, the Board of Supervisors approved the 2022/23 Nevada County CAP and authorized its submittal to CSD, which was subsequently approved by the State. The CAP uses public input to develop goals and strategies and prioritize services to promote the goals of self-sufficiency among low income populations in its service area, and the Adult & Family Services Commission tripartite board is the designated entity to oversee the planning, implementation and evaluation of CSBG activities.

The CSBG grant is unique in that the funding is discretionary; agencies choose how to spend funding in the most effective and efficient way for their community. A portion of CSBG grant

awards are distributed to community non-profit organizations in an effort to fill the gaps in social services and/or to provide support to existing priority services to eligible residents of Nevada County. The submitted CAP determined that funding should be directed to improve the conditions of people living in poverty in the following areas: affordable housing, mental health and addiction treatment, transportation, health & dental services and improving household income.

It is recommended that the Board approve the attached renewal Agreement as the funding received will be used to sustain services through the upcoming calendar year.
