4. Park Impact Fee Nexus Study prepared by SCI Consulting group, dated October 2013
5. Nevada County Resolution No. 18-383, adopted June 17, 2018

BACKGROUND: Section L-IX 1.1 of the Land Use and Development Code of Nevada County provides that, pursuant to the “Mitigation Fee Act” (Gov. Code Sec. 66000 ff, also called “AB 1600 Fees”), the Board of Supervisors may adopt, by resolution, the development impact mitigation fees for the Truckee-Donner Recreation and Park District (TDRPD).

In October of 2013, the TDRPD approved phased park impact fees in the amount of \$1.51 per square foot to become effective when enacted and \$1.71 per square foot for new single-family housings to become effective January 1, 2015, and \$2.46 per square foot for new multi-family housing to become effective when enacted, and Quimby In-Lieu Fees in the amount of \$4,202 per single-family lot and \$3,095 per multi-family unit. On March 25, 2014 the County Board of

Supervisors by Resolution No. 14-103 adopted the phased park impact fee in the same amounts. By Resolution No. 16-332, No. 17-367, and No. 18-383 the Board of Supervisors approved phased increases for TDRPD fees.

On August 22, 2019, by their Resolution No. 2019-279, the TDRPD has approved an inflationary increase to the existing AB 1600 fees based on a memorandum prepared by SCI Consulting Group dated August 22, 2019 to adjust the District's park impact fee for inflation. The percentage change in the average monthly Engineering News-Record Construction Cost Index from April 2017 through March 2018 was 2.98%.

Therefore, the fees adjusted for inflation would become:

<u>Park Impact Fee</u>	<u>Existing</u>	<u>Proposed</u>
Single-Family-Housing	\$1.93 per square foot	\$1.99 per square foot
Multi-Family-Housing	\$2.77 per square foot	\$2.85 per square foot

The attached resolution provides for the adoption of the park impact fees on new residential development for development of park and recreational facilities.

This action requires a public hearing and the fees will become effective on November 23, 2019.
