(RES 19-474)

RECOMMENDATION: Approve the attached Resolution.

FUNDING: Services are included in the Department budget and there are no County general fund dollars required in the Agreement.

BACKGROUND:

The County has contracted with the University of California Davis for approximately the past 19 years to provide an Eligibility Services Training Program. Eligibility Workers are responsible for carrying out well defined rules and regulations pertaining to various categorical aid programs and explaining them to applicants and the general public.

Per Resolution No. 19-474, the Board of Supervisors approved an Agreement between The Regents of the University, California, Davis University Extension and the County of Nevada for the provision of an Eligibility Services Training Program for FY 19/20. This Amendment No. 1 to the Agreement extends the Agreement termination date from June 30, 2020 to September 30, 2020. The Eligibility Services Training curriculum includes: CalWORKs, CalFresh (formerly known as Food Stamps), Medi-Cal and IHSS (In-Home Supportive Services) eligibility, CalWORKs employment services, clerical, supervisory, management, fiscal, adult social services, cultural awareness and civil rights training.

It is recommended that the Board of Supervisors approve this Amendment No. 1 to continue to provide an Eligibility Services Training Program for the future.
