5.2 Intellectual Property

- a. Notwithstanding any language contained herein to the contrary, Contractor warrants that the Software does not infringe upon or violate any patent, copyright, trade secret, contract right, or any other proprietary right of any third party within the United States. Except as otherwise provided, Contractor, at its own expense, will defend, indemnify and hold County harmless from any claim made or threatened or any suit or proceeding brought against County insofar as it is based on an allegation that the Software furnished by Contractor under this Agreement infringes any copyright or patent in existence on the date the Software was initially provided to County, but only if County does all of the following:

 - i. procure for County the right to continue using the infringing or potentially infringing

Software;

- ii. replace the infringing or potentially infringing Software with non-infringing software; or

Upon receipt of such notice, County will provide Contractor in writing a notice that Contractor has until the effective date of termination, change in coverage protection, or reduction in coverage limits to secure new insurance coverage as required herein, and that Contractor's failure to do so will constitute default under the terms of this Agreement.

In the event the Best's Rating or Best's FPR shall fall below the rating required by this paragraph, Contractor shall be required to forthwith secure alternate policies which comply with the rating required by this paragraph, or be in material breach of this Agreement. Failure to provide and maintain the insurance policies (including Best's ratings), endorsements, or certificates of insurance required by this Agreement shall constitute a material breach of this agreement (herein "Material Breach"); and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Agreement, or both.

Unless otherwise stated in the applicable Schedule, Contractor shall not be liable for, and County hereby assumes the risk of and shall indemnify and hold harmless Contractor against, any claim, injury, loss, damage, or expense (including attorneys' fees), either direct or indirect, incurred, made, or suffered by County in connection with or in any way arising out of the furnishing, performance, or use of services provided by any third party contracted by County to perform services in connection with the Software.

Effective July 22, 2003, it is the policy of the County of Nevada that former members of the Board of Supervisors, a former CEO, or a former Purchasing Agent, for a period of twelve (12) months following the last day of employment, shall not enter into any relationship wherein that former employee or former Board member receives direct remuneration from a legal entity that, during the last twelve (12) months of said employment or Board member's service, entered into a contract with, or received a grant from the County of Nevada. Provided however, that this prohibition shall not apply to any employee that did not personally approve a contract with or grant to said legal entity during the last twelve (12) months of said employment, and shall not apply when the Board of Supervisors did not approve a contract with or grant to said legal entity during the last twelve (12) months of said Board member's service.

This covenant shall not prohibit Contractor from offering the same or similar Software and Services to other entities.

County shall provide all information reasonably necessary to Contractor in performing the Services provided herein. Contractor shall not be responsible for any delays caused by County's failure to

provide information or failure to perform obligations.

16.0 Technology Life Expectancy

County understands, acknowledges, and agrees that the technology upon which the Hardware, Software, and Third-Party Software is based changes rapidly. County further acknowledges that Contractor will continue to improve the functionality and features of the Software to improve legal compliance, accuracy, functionality, and usability. As a result, Contractor does not represent or warrant that the Hardware, Software, and/or Third-Party Software provided to County under this Agreement or that the Computer System recommended by Contractor will function for an indefinite period of time. Rather, Contractor and County may, from time to time, analyze the functionality of the Hardware, Software, Third-Party Software, and Computer System in response to changes to determine whether upgrades are advised. Contractor shall, for the duration of the maintenance period covered by this Agreement, and at no additional cost to County, maintain the Software to be compatible with Microsoft-supported operating systems and databases. County upgrades may include, without limitation, the installation of a new Release, additional disk storage and memory, and workstation and/or server upgrades. County upgrades may also include the installation and/or removal of Third-Party Software. County is solely responsible for all costs associated with such future resources and upgrades,

17.0 Term and Termination

17.1 The Term of this Agreement shall commence upon execution by both parties (hereinafter the "Effective Date") and shall continue until all Tasks and Deliverables have been completed by Contractor and Accepted by County unless terminated earlier in accordance with this section. The Terms of the Software Maintenance Agreement and Software Escrow shall be as described in the respective Schedules C and F, as applicable.

17.2 Termination by County

- a. County may, by written notice to Contractor, terminate this Agreement in whole or in part at any time, whether for County's convenience or because of the failure of Contractor to fulfill the obligations hereunder. Upon receipt of such notice, Contractor shall immediately discontinue all services affected (unless the notice directs that the Disentanglement provision herein shall be invoked), and shall deliver to County all data, estimates, summaries, reports, and all other records, documents or papers as may have been accumulated or produced by Contractor in performing services under this Agreement, whether completed or in process.
- b. For Convenience: County may, by written notice stating the extent and effective date, terminate this Agreement in whole or in part at any time. Upon receipt of such notice, Contractor shall promptly cease work and notify County as to the status of its performance. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for services performed to the date of termination, to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such information as is necessary to determine the mutually agreeable reasonable value of the services rendered by Contractor. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity.
- c. For Cause: Should Contractor default in the performance of this Agreement or materially breach any of its provisions, the County may elect to immediately suspend payments or terminate the contract, or both, without notice.

17.3 Termination by Contractor

- a. For Nonpayment: Should County fail to pay Contractor all or any part of the payment set forth in Schedule E, Contractor may, at Contractor's option, terminate this Agreement if such failure is not remedied by County within thirty (30) days of written

notice to County of such late payment.

- b. For Cause: Should County default in the performance of this Agreement or materially breach any of its provisions, Contractor, at Contractor's sole option, may terminate this Agreement upon thirty (30) days written notice.

17.4 Disentanglement

If directed by County, Contractor shall cooperate with County and County's other vendors and contractors to ensure a smooth transition at the time of termination of this Agreement, regardless of the nature or timing of the termination. Contractor shall cooperate with County to accomplish a complete transition of the services as set forth in this Agreement being terminated to County or to any replacement provider designated by County, without any interruption or adverse impact on those services or any other services provided by third parties. Contractor shall fully cooperate with County and any new service provider and otherwise promptly take all steps, including but not limited to providing to County or any new service provider all requested information or documentation required to assist County in effecting a complete transition to the new service provider. Contractor shall provide all information or documentation regarding the services to be transitioned, including but not limited to data conversion tables, client files, interface specifications, and training materials. Contractor shall provide for the prompt and orderly conclusion of all work required under the Agreement, as County may direct, including completion or partial completion of projects, documentation of work in process, and other measures to assure an orderly transition to County or the County's designee. All Contractor work done as part of the Disentanglement shall be performed by Contractor and will be reimbursed by the County at no more than Contractor's costs, up to the total amount of this Agreement. Contractor shall not receive any additional or different compensation for the work otherwise required by the Agreement. Contractor's obligation to provide the Services shall not cease until the earlier of the following: a) the Disentanglement is completed to the County's reasonable satisfaction, or b) twelve (12) months after the expiration of the then-current Term of the Agreement.

17.6

- 17.7 Renegotiation Option: In view of the fact that it is unknown how long the products and services will be employed by County and that County will require ongoing maintenance and support of the products for as long as the system is operational, therefore after completion of the initial term of the contract including any extensions and renewals, County and Contractor may renegotiate the contract upon mutual agreement of the parties.

- 17.8 Effect of Termination: Contractor shall cooperate with County to ensure a smooth transition at the time of termination of this Agreement, regardless of the nature or timing of the termination. Contractor shall cooperate with County to ensure that any and all of County's data maintained in the software licensed to the County by Contractor is extracted in a commercially recognized format acceptable to County prior to the termination date, and that said data is securely transmitted to County. The termination of this Agreement shall not affect the County's rights to the Software pursuant to Schedule B (License Agreement) provided that County has paid all Software license fees set forth in the Schedule E and County is not in breach of any provision of this Agreement or the Schedules. If County

terminates this Agreement prior to the payment of all Software license fees, or if County is in breach of this Agreement, County shall immediately cease using the Software and shall either destroy or return the original and all copies, in whole or in part, in any form, of the Software and related materials. County shall certify such action in writing to County within one (1) month after the termination date. Obligations and rights in connection with this Agreement which by their nature would continue beyond the termination of this Agreement, including without limitation, Section 11 of this Schedule A, shall survive termination of this Agreement.

Contractor shall then have five (5) days from the date it receives such notice to enter into an agreement with the County, satisfactory to the County Counsel, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by County in any legal action to compel the disclosure of such information under the California Public Records Act. Contractor shall have sole responsibility for defense of the actual "Confidential" designation of such information.

Contractor and County understand and agree that any failure by Contractor to respond to the notice provided by County and/or to enter into an agreement with County, in accordance with the provisions above, shall constitute a complete waiver by Contractor of any rights regarding the information designated "Confidential" by Contractor, and County shall disclose such information pursuant to applicable procedures required by the Public Records Act.

20.0 Books of Record and Audit Provision

Contractor shall maintain complete records relating to this Agreement for a period of five (5) years from the completion of Services hereunder. Contractor shall permit County to audit said records as well as such related records of any business entity controlled by Contractor. Said audit may be conducted on Contractor's premises or at a location designated by County, upon fifteen (15) days notice. Contractor shall promptly refund any moneys erroneously charged and shall be liable for the costs of audit if the audit establishes an over-charge of five percent (5%) or more of the total Contract amount.

21.0 Taxes

With the exception of sales or use taxes which may be levied by the State of California for software or related materials, County shall not be responsible for paying any taxes on Contractor's behalf, and should County be required to do so by state, federal, or local taxing agencies, Contractor agrees to promptly reimburse County for the full value of such paid taxes plus interest and penalty, if any. 28.0 Amendment and Waivers

Any term or provision of this Agreement may be amended, and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a writing signed by the Party to be bound thereby. The waiver by a Party of any breach hereof or default hereunder shall not be deemed to constitute a waiver of any other breach or default. The failure of any Party to enforce any provision hereof shall not be construed as or constitute a waiver of the right of such Party thereafter to enforce such provision.

29.0 Force Majeure

Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is

prevented from performing such obligations by any act of war, hostile action, or catastrophic natural event.
