Community Experience and Affiliations

2019 - present: Member of Tahoe Forest Health System - Patient and Family Advisory Council

2023 - present: Friends of Truckee Library - Founding member of the Advisory Council

Other County Boards, Commissions, or Committees on which you have served:

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

Having worked for decades on broad compliance issues for the University of California, I truly enjoy these types of challenges. I welcome the opportunity to serve Truckee, of which I am very much a part, especially the Truckee Library, an integral part of our community. Starting as an immigrant at age 5, community libraries sustained my education and assimilation into my new American life. I am eager to "give back" to and serve the Truckee Library.

Professional Experience

2000 – 2013: Legal and Policy Coordinator; University of California, Natural Reserve System (NRS), Oakland, California (full-time)

As Coordinator for the largest university reserve system in the world, I specialized in real estate transactions (sales, exchanges, and gifts), land management, land use, natural resource conservation issues, environmental laws that involve protected species, water, wetlands, conservation easements, mitigation banking, and contracts. I worked closely with UC risk management on various liability matters. I cooperated with a broad range of local, state, federal governmental agencies (e.g., State Parks and Recreation, Department of Fish and Game, National Park Service, National Forest Service, Federal Bureau of Land Management, Bureau of Reclamation, Army Corps of Engineers), other educational institutions, and non-profit organizations such as land trusts and The Nature Conservancy. I participated in regional conservation planning efforts and negotiated various cooperative and use agreements with agencies and parties to foster more effective and efficient management of reserves and to expand the natural areas available to the University for research and education.

1998 to 2000: Principal Environmental Planner; University of California, NRS (part-time)
Advised NRS on real property, land use, and environment policy matters.

1993 to 1997: Counsel; University of California, Office of the General Counsel (OGC), Oakland, California (part-time)
Advised NRS on real property and land use matters, and on issues related to the environment, education and research, and liability. Negotiated with private entities, governmental agencies, and non-profit organizations, and drafted research memoranda, licenses, easements and other documents.

1991 - 1993: Research Associate; University of California, OGC (part-time)
Assisted University Counsel on NRS matters. Drafted contracts and research memoranda.

1989 - 1991: Research Associate; University of California, OGC (full-time)
Advised University on a broad range of matters involving litigation, and administrative, constitutional, education, labor, commercial, real property, tax, and health law. Drafted court briefs, research memoranda, and documents for hearings and trials.

1983 - 1989: Office Manager; Neil Handelman, M.D., Inc., Berkeley, California

1980, Summer: Extern; Supreme Court of California, San Francisco, California
The Late Honorable Frank C. Newman, Associate Justice
