FROM: David Garcia, Director of Public Works
SUBJECT: Resolution accepting the Amendment Modification Summary (E-76) authorizing additional funding for the Construction Phase in the amount of \$12,041.49 for Soda Springs Rd over the South Yuba River Bridge Project, Federal Aid Project #BRLO-5917(079) – District V.

RECOMMENDATION: Approve the attached resolution.

FUNDING: The Soda Springs Road over the South Yuba River Bridge Project is funded with Highway Bridge Program (HBP) funds. A budget amendment is not required and there is no impact to the General Fund.

BACKGROUND: The Department of Public Works was previously allocated a total federal amount of \$2,304,250.00 in HBP funds for the Soda Springs Road over the South Yuba River Bridge Project. The Board of Supervisors accepted these funds by Resolutions 21-100, 21-038, 19-574, 19-450, 14-193.

The State has prepared an Amendment Modification Summary (E-76), dated December 26, 2024, authorizing an increase in the amount of the award by \$12,041.49 for the Construction Phase for a total federal funding amount of \$2,316,291.49. Approval from the Board of Supervisors is required to accept these funds.

This project was accepted as complete by the Nevada County Board of Supervisors on March 8, 2022, via resolution 22-114. This amendment adds additional funding to cover previously unreimbursed County expenses.
