## Nevada County Arts Council – looking ahead...

In closing, we celebrate not only another year of service but our successful applications to California Arts Council for three new or renewed programs, to be rolled out in the year to come:

1. **Artists in Schools** – an implementation grant allowing us to work more deeply, and in more school districts, in the year to come.
2. **Veterans Initiative in the Arts** – allowing us to take *Image Nation* on the road, showcasing the work of our veterans and involving more members of the public both east and west in Nevada County.
3. **1<sup>st</sup> Annual Sierra Poetry Festival** – via a small Local Impact Grant we will draw from a rich cultural resource of poets and performers spanning the entire county, in partnership with Sierra College. Our festival will be designed as a pilot for an ongoing annual event which will reach beyond county lines. Included in our festival will be the inauguration of a **Poet Laureate Program for Nevada County**. We look forward to working with you, our Board of Supervisors, on this!
