Interests & Experiences

Experience: A resume, or additional sheets, may be attached containing any information that would be helpful to the Board in evaluating your application.

Stephanie Fischer

Education/Employment Experience

*Associates of Arts in Liberal Studies, Sierra College *Associates of Science in Social Science, Sierra College *Bachelor of Science in Social Science, Sacramento State University, GPA 3.96 *State Certified Sexual Assault and Domestic Violence Counselor *11 years of professional experience at Community Beyond Violence working with families and individuals within this community who experience violence

Community Experience and Affiliations

I have worked at Community Beyond Violence (CBV) for 11 years. Prior to that I worked in several other community service settings. I believe the key to community success is collaboration and so I have spent a long time networking and developing relationships with those in our community including: donors, volunteers, government and non-profit partners, law enforcement, clients from all over the spectrum and neighboring county agencies and non-profits.

Other County Boards, Commissions, or Committees on which you have served:

Board of Directors for the Center of NonProfit Leadership 2021- current

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

I have spent my professional career working with individuals and families in our community who are low income, experiencing homelessness, or marginalized in some way. Due to my experience at Community Beyond Violence (CBV), I am in a unique position to see the gaps and overlaps in services in our community from the perspective of our clients. CBV has been around since 1978 and is primarily a state and federally funded agency. So I have a lot of experience in dealing with government funding applications and restrictions.
