Dear Supervisor Heidi Hall :

Though I've only met with you recently by way of your acquaintance with my neighbor, George Basso, I saw in you a genuine concern and belief in the "Quality of Life" here in Nevada County.

My intent here is to appeal to your compassionate Heart and Soul that I saw that afternoon.

My family and I, also came here with the same intentions of Love and Respect for the Land we purchased and the home we built. It's been a labor of Love until we got the "Notice of Public Hearing" by the Zoning Administration on February 27th 2019. AND OH, how the beauty of it all may change !! I pray, that at the Appeal for Public Hearing on MAY 28th will be decided in our neighborhood's favor to decline A T & T's request for yet another cell tower on private property.

I'll see you at the hearing.

Respectfully, Rod Corvington
