**SUBRECIPIENT AGREEMENT**  
**AGREEMENT NUMBER 9903-5320-2456-200-22.3-24-25**

This Subrecipient Agreement ("the Agreement") is hereby entered into by and between Essential Access Health ("Essential Access"), and **Nevada County Health Department**, ("Subrecipient") (individually "the Party" and collectively "the Parties"), to set forth the objectives, understandings, and agreements between the Parties in connection with the sub award of Title X grant funds as described herein.

WHEREAS, Essential Access has received funding pursuant to Title X for the provision of family planning and related preventive health services to eligible clients in the State of California, commencing April 1, 2024; and

WHEREAS, Essential Access, as the Grant Recipient, is authorized by the DHHS and desires to execute an agreement with Subrecipient to support the provision of Title X services to residents of Subrecipient's geographic area in accordance with all provisions of 42 CFR Part 59 currently in effect or implemented during the period of the Grant; and

WHEREAS, Subrecipient is appropriately licensed and qualified and desires to enter into this Agreement with Essential Access and agrees to deliver the services described herein in accordance with the terms and conditions set forth below;

NOW THEREFORE, in consideration of the mutual promises and covenants herein contained and intending to be legally bound hereby, Essential Access and Subrecipient agree as follows:

**ARTICLE I: TYPE OF AGREEMENT**

This Agreement is a sub award of federal funds awarded by Essential Access to Subrecipient. It is a cost-reimbursement agreement that will pay Subrecipient for allowable costs as provided for in the applicable cost principles issued by the Office of Management and Budget 2 CFR Part 200 Subpart E and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards 45 CFR Part 75 Subpart E.

**ARTICLE II: SCOPE OF WORK**

**A. Scope of Services.**

1. Subrecipient shall, in a manner satisfactory to Essential Access, make available to all eligible individuals in the State of California the services provided under the Title X program ("Clients"), including comprehensive family planning and related preventive health services, except for abortion, and such other services as are reflected in the Scope of Work, attached hereto and incorporated by reference herein as Attachment A. The Attachment A, Scope of Work is based on services to be provided over the budget period April 1, 2024 through March 31, 2025, but may be adjusted based on performance and/or progress made toward the objectives outlined in the Scope of Work.

2. Subrecipient shall establish and implement policies and procedures governing personnel, financial management, and programmatic management, as specified more fully in OMB Uniform Guidance at 2 CFR Part 200 and the DHHS regulations at 45 CFR Part 75, as applicable. Such policies and procedures shall be consistent with: (i) requirements of the Title X statute and implementing regulations, as well as all requirements of all Title X related laws and regulations; (ii) other applicable federal and state laws and regulations, including procurement laws, the OMB Uniform Guidance and Circulars; and (iii) DHHS and/or OPA Program Guidance, including the Title X Program Requirements and Quality Family Planning Recommendations (QFP).

**B. Program Modification.**

1. Subrecipient may make changes to staff and location of its Family Planning services, provided that Subrecipient shall notify Essential Access in writing within ten (10) working days in advance of any such change in key staff or any address change or closure of a Title X clinic site location.

**ARTICLE III: FINANCIAL PROVISIONS**

**A. Amount of Award.**

1. In consideration of the services to be delivered by Subrecipient as described in Article II herein, Essential Access shall pay Subrecipient a total amount not to exceed **\$120,000** (the "Title X Award") during the term of this Agreement, provided that Subrecipient is in compliance with all terms and conditions of this Agreement. Subrecipient is only entitled to receive reimbursement for its actual, allowable costs and is not entitled to any payments over and above its actual, allowable cost of operating the Title X program provided for herein, nor any carryover funds at the end of a budget period
2. All payments of sub award funds authorized under this Agreement are contingent upon (i) the availability and amounts of the Grant funds awarded to Essential Access as the Grant Recipient, including but not limited to funding amounts authorized by any FY appropriations or Continuing Resolutions; and (ii) Essential Access' receipt of Grant funds from DHHS for the applicable budget period. The amount of funding to be provided to Subrecipient under this Agreement may be adjusted to reflect the actual funding that Essential Access receives from DHHS, which may cover budget periods of less than one year, and/or adjusted due to suspension, termination, or relinquishment of the Grant under which this Agreement is made, or a portion thereof, as noted in Article X.

**B. Financial Systems.**

Subrecipient shall maintain financial systems in accordance with United States Generally Accepted Accounting Principles ("U.S. GAAP") and, as applicable, 2 CFR Part 200 Subpart

D, and the DHHS regulations at 45 CFR Part 75 Subpart D.

C. Budget.

1. Subrecipient agrees to provide a budget and cost allocation methodology statement, to be entered in the Essential Access portal <https://extranetportal.essentialaccess.org> with line items and amounts approved by Essential Access, as support for Subrecipient's Title X Award. Once approved, the budget and cost allocation methodology statement will be incorporated by reference herein as the Agreement's approved Title X Award Budget.
2. Subrecipient may make modifications to the Agreement's approved Title X Award Budget, provided that such modification does not require prior approval pursuant to 2 CFR Part 200.308 or 45 CFR Part 75.308, as applicable, and that any request for modification is submitted to Essential Access by March 31, 2025. Approval of a requested modification does not alter or extend the reporting due dates as set forth in Attachment B: Family Planning Services Reporting Requirements, attached hereto and incorporated by reference herein.
3. If Subrecipient has an approved DHHS negotiated indirect cost rate, Subrecipient may use such rate only after it has provided current documentation of the approved rate to Essential Access. Subrecipients that use a non-DHHS approved rate (i.e., state, county, local government rate) may use the lower of that rate or 22.4%. If no such rate exists, a de minimis indirect cost rate of 10% may be used as defined in the OMB Uniform Guidance at 2 CFR 200.414.

D. Non-Federal Share.

Pursuant to 42 CFR § 59.7, Subrecipient must provide non-federal matching share in the amount of not less than ten percent (10%) of the Title X Award ("Matching Requirement").

E. Cost Allowability.

1. Subrecipient expressly understands and agrees that the allowability of costs shall be determined in accordance with the OMB Uniform Guidance 2 CFR Subpart E and the DHHS Regulations 45 CFR Subpart E, as applicable. Subrecipient is liable for payment or reimbursement of any costs incurred by Subrecipient under this Agreement that may be disallowed by Essential Access, DHHS, or other appropriate federal officials. As such, Subrecipient shall be obliged to remit to Essential Access any funded amounts which were paid pursuant to this Article III and used to cover disallowed costs. If Subrecipient fails to remit such amounts within thirty (30) days, Essential Access may offset such amount against future funding obligations by Essential Access or take any other action available to it under law to reclaim such amount.

F. Payment.

1. Subrecipient shall furnish Essential Access with reports of its costs by the 25th of the

month following the end of each calendar quarter. If the 25th falls on a weekend or holiday, then the report will be due on the next business day.

2. Payment will be made based on Subrecipient's timely submission of financial and performance reports required herein, and approval by Essential Access of such reports. Accordingly, within thirty (30) days of receipt and approval of such report, Essential Access shall reimburse Subrecipient for properly documented and allowable costs under this Agreement. Essential Access will review and approve reports submitted by Subrecipient based on the following criteria:

- a. Expenditures are in accordance with the approved Title X Award budget;
- b. The proper authorized indirect cost rate is applied;
- c. The report contains sufficient detail to identify the cost of items or the performance rendered;
- d. Staff time is expensed properly in accordance with the approved Title X Award budget; and
- e. Performance and expenditures are in compliance with applicable federal and state laws, regulations and requirements.

Essential Access reserves the right to reject a report submitted by Subrecipient for failure to meet any of the foregoing criteria.

3. This Agreement is subject to the availability of federal grant funds to Essential Access. Essential Access shall promptly notify Subrecipient, in writing, of any modification, payments (including partial payments or reductions in payments), delays, relinquishment, or cancellations of said DHHS grant. The Title X Award may be reduced or cancelled if DHHS reduces the Grant for any reason or if Essential Access no longer receives the Grant from DHHS for any reason.
4. Notwithstanding any other provision of this Agreement, Subrecipient understands and agrees that should Subrecipient fail to expend its Title X Award, Essential Access reserves the right to reallocate the Title X Award to ensure that funds are expended efficiently. Essential Access shall review the Subrecipient's use of the Title X Award at the beginning of the last quarter of the Term, and upon determination that the Title X Award is not being expended efficiently or will not be expended fully during the Agreement's term, Essential Access may, in its sole discretion, reallocate all or a portion of Subrecipient's Title X Award to another organization. Subrecipient understands and agrees that it may not carry over any non-obligated portion of its Title X Award to the next grant period.

#### **ARTICLE IV: TECHNICAL ASSISTANCE**

Essential Access shall provide Subrecipient with support and technical assistance that Essential Access, in its sole discretion, deems necessary and appropriate, regarding Subrecipient's

responsibilities set forth in this Agreement. The provision of any technical assistance does not, however, relieve or reduce Subrecipient's responsibility for compliance with any of the terms and conditions of this Agreement or any applicable federal or state laws, regulations or requirements. In addition, Subrecipient shall participate (one administrator and one clinician) in the Essential Access annual Title X Network Meeting to be held in the Los Angeles area (date to be determined), as well as any other Title X-related trainings, quality assurance initiatives and service enhancements developed by DHHS, OPA, and/or Essential Access, as required by Essential Access.

#### **ARTICLE V: TERM**

This Agreement shall be in effect from April 1, 2024 through March 31, 2025, or unless the Agreement is terminated or suspended at an earlier date in accordance with Article X of this Agreement.

#### **ARTICLE VI: GENERAL PROGRAM REPORTING AND OTHER REQUIREMENTS**

##### **A. Reporting.**

1. Subrecipient shall maintain and furnish to Essential Access financial and programmatic information and reports (in such forms as Essential Access may reasonably prescribe) as required under the OMB Uniform Guidance at 2 CFR Part 200.300 or the DHHS regulations at 45 CFR Part 75.300, as applicable, and set forth herein in Attachment B.
2. Subrecipient shall cooperate with and, as reasonably requested, assist Essential Access in the development and preparation of those portions of the Federal Financial Report ("FFR"), as well as other required reports, which pertain to Subrecipient's activities under this Agreement. Such reports shall be prepared according to the timeframes established by Essential Access and shall be reviewed and revised in accordance with the directives of Essential Access. Such reports shall be approved, signed and submitted to DHHS, or the appropriate authorities, by Essential Access.
3. Notwithstanding Article III, in the event that Subrecipient fails to deliver the required reports within the time frames established by Essential Access, or otherwise comply with the terms of this Agreement, it is agreed that Essential Access may, upon reasonable notice, suspend reimbursements to Subrecipient until such reports are delivered to and approved by Essential Access or until Subrecipient fully complies with the terms of this Agreement.

##### **B. Record Keeping and Access.**

1. Subrecipient shall maintain financial records, supporting documents, statistical records, and all other books, documents, papers or other records pertinent to this Agreement for a period of three (3) years from the date of Essential Access' submission of the annual financial report covering the funds awarded hereunder, or for such other period as may be specifically required by the OMB Guidance at 2 CFR Part 200.333 and the DHHS regulations at 45 CFR Part 75.361, as applicable. If an audit, litigation, or other action

involving the records is started before the end of the three (3) year period, Subrecipient agrees to maintain the records until the end of the three (3) year period or until the audit, litigation, or other action is completed, whichever is later. Client medical records must be retained in accordance with state and federal regulations. Records for real property and equipment acquired with Title X funds shall be retained for three (3) years after final disposition.

2. Subrecipient shall make available to Essential Access, DHHS, the Comptroller General, or any of their duly authorized representatives, upon appropriate notice, such books, records, reports, documents, and papers that are pertinent to the award for audit, examination, excerpt, transcription, and copy purposes, for as long as such records, reports, books, documents, and papers are retained. This right also includes timely and reasonable access to Subrecipient's facility and to Subrecipient's personnel for the purpose of interview and discussion related to such documents. Subrecipient shall, upon request, transfer certain records to the custody of Essential Access or DHHS.

#### C. Monitoring/Oversight/Assessment.

1. Subrecipient agrees to permit Essential Access and/or DHHS to evaluate, through inspection or other means, the quality, appropriateness, and timeliness of services delivered under this Agreement and to assess Subrecipient's compliance with applicable legal and programmatic requirements. If Essential Access identifies and notifies Subrecipient of any instances of Subrecipient non-compliance with the terms of this Agreement, or otherwise in the operation of Subrecipient's Program, Essential Access shall notify Subrecipient of such deficiencies, and may ask for a corrective action plan.

Essential Access, in its sole discretion, may offer to provide technical assistance to Subrecipient in order to correct or eliminate such deficiencies. Additionally, Essential Access shall grant Subrecipient a reasonable time period to correct or eliminate such deficiencies; provided that in no case shall the time allowed exceed six (6) months from the date of notice of the deficiency.

2. Subrecipient agrees to permit Essential Access and DHHS to evaluate, through audit, inspection, onsite review or other means, the quality, appropriateness, and timeliness of services delivered pursuant to this Agreement. Essential Access may, at its discretion, conduct periodic, announced or unannounced monitoring visits to Subrecipient's sites or facilities to ensure program and administrative compliance with Title X goals and the scope of work under this Agreement, and to ensure compliance with all applicable requirements.

#### D. Audit.

1. Annually, at the end of each Subrecipient fiscal year, Subrecipient shall have an external audit (the "Audit") performed by an external auditor that meets the generally accepted government auditing standards ("GAGAS"), including of its Title X Award, in accordance with the provisions of OMB Uniform Guidance at 2 CFR Part 200 Subpart F and DHHS Regulations at 45 CFR Part 75 Subpart F for a single audit, if applicable, and U.S.

Generally Accepted Accounting Principles ("GAAP").

2. Upon receipt of the report resulting from the Audit, Subrecipient shall submit to Essential Access (and to any other agency, as directed by Essential Access) a copy of such report within thirty (30) days of Subrecipient's receipt of the audit report(s), but no later than nine (9) months after the end of the audit period. In addition, if necessary, Subrecipient shall provide to Essential Access any corrective action plan resulting from the findings of the audit. Essential Access shall review and evaluate the audit results, including Subrecipient's corrective action plan, where such a plan is necessary. Essential Access reserves the right to request additional information regarding Subrecipient's corrective action plan. Subrecipient agrees to promptly implement such corrective action plan, including any recommendations made by Essential Access.

## **ARTICLE VII: CALIFORNIA STATE BILLING REQUIREMENTS**

### **A. Required Billing Numbers.**

Subrecipient must have all National Provider Identification ("NPI") numbers necessary to bill Family Planning Services it will provide pursuant to this Agreement. Subrecipient is required to identify both Medi-Cal and Family PACT eligible patients and bill services for these patients to the Medi-Cal and Family PACT programs, as applicable.

### **B. Medications Billed to Third Parties.**

Funding provided by this contract may not be allocated for any medications that are also billed to a third party or reimbursements.

## **ARTICLE VIII: CENTRALIZED DATA SYSTEM**

### **A. Essential Access Data System.**

Essential Access maintains a Centralized Data System ("CDS") to collect and securely store data regarding services provided to Title X Clients at clinic sites throughout California. Essential Access shall maintain the CDS, monitor the quality of Subrecipient data submission, develop action plans ("CDS Action Plans"), provide data management services, and provide ongoing CDS-related support to Subrecipients.

### **B. Subrecipient Responsibilities for CDS.** Subrecipient is responsible for:

1. Completion of all steps in any CDS Action Plan within a mutually agreed timeframe tailored to the Subrecipient's capabilities and resources. The CDS Action Plan may require the modification of Subrecipient's registration forms, data entry screens, and or billing instruments. The CDS Action Plan may also require modifications to the Subrecipient's payment management system ("PMS") or electronic health records ("EHR") system to identify client visit records ("CVR") of eligible Title X clients and export files in CDS-compatible formats, as well as completing Software Release Forms to enable CDS staff to work directly with Subrecipient software vendors, as applicable;

2. Bi-monthly submission by the 25<sup>th</sup> of the month of the previous two months' CVR export files, including error corrections;
3. Notification within thirty (30) days to Essential Access if the CDS audit report is inconsistent with the export file;
4. Notification within thirty (30) days to Essential Access of the addition, deletion, or modification of any data codes included in the Subrecipient's submission;
5. Notification to Essential Access of clinic site closure(s) or changes in key personnel in accordance with Article II, Section B of this Agreement.
6. Manual updates of Semi-Annual Progress Report tables with any aggregate data not submitted through CDS.

#### **ARTICLE IX: OWNERSHIP OF PROPERTY ACQUIRED UNDER THIS AGREEMENT**

##### **A. Equipment and Supplies.**

1. Subrecipient's purchase, use and disposition of property, equipment and supplies is governed by the OMB Uniform Guidance at 2 CFR Part 200.310 -316 and the DHHS Regulations at 45 CFR Part 75.317 - 323, as applicable, and related DHHS policies.
2. Subrecipient shall maintain adequate property records, as well as effective inventory, control, and maintenance procedures. Subrecipient will be responsible for replacing or repairing equipment for which it is accountable if lost, damaged or destroyed due to negligence on the part of the Subrecipient, or failure to secure appropriate insurance, or noncompliance with property management regulations or instructions of Essential Access or its funding source. For the purposes of this Agreement, "equipment" is defined as any item purchased with Title X Award funds with a useful life of more than one (1) year with a per unit acquisition cost of \$5,000 or more, unless Subrecipient uses a lower limit. Subrecipient shall submit a list with the required elements from OMB Uniform Guidance at CFR Part 200.313 and DHHS Regulations at 45 CFR Part 75.320, as applicable, of all such equipment to Essential Access if requested (the "Equipment Inventory List").
3. Essential Access reserves the right to require transfer of property acquired with funds awarded under this Agreement as provided in the OMB Uniform Guidance at 2 CFR Part 200.313 and the DHHS Regulations at 45 CFR 75.319.

##### **B. Copyrightable Material.**

1. If any copyrightable material is developed in the course of or under this Agreement, Essential Access and DHHS shall have a royalty-free, non-exclusive and irrevocable right to reproduce, publish, and authorize others to reproduce or publish, or otherwise use such material.

2. Subrecipient must obtain Essential Access prior written approval to copyright any such material or to permit any third party to do so.
3. Sub-recipients also may assert copyright in scientific and technical articles based on data produced under the grant and transfer it to the publisher or others where necessary to effect journal publication or inclusion in proceedings associated with professional activities. Any such transfer is subject to the royalty-free, non-exclusive and irrevocable license to the Federal government and any agreement should note explicitly that the assignment is subject to the government license. Journal or other copyright practices are acceptable unless the copyright policy prevents the recipient from making copies for its own use (as provided in 45 CFR part 75). The recipient should account for royalties and other income earned from a copyrighted work as specified by HHS Operation Divisions.
4. For each publication that results from HHS grant-supported activities, recipients must include an acknowledgment of grant support using one of the following statements:
  - a. "This publication was made possible by Grant Number 5 FPHPA006537-03 from the U.S. Department of Health and Human Services Public Health Service." Or
  - b. "The project described was supported by Grant Number 5 FPHPA006537-03 from the U.S. Department of Health and Human Services Public Health Service."

Recipients also must include a disclaimer stating the following: "Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the Office of Population Affairs, U.S. Public Health Service or HHS."

5. Essential Access and the funding source reserve the right to conduct its own examination of materials produced under this contract. If, upon examination any materials are deemed inappropriate, Essential Access reserves the right to recall these materials from public distribution.

## **ARTICLE X: SUSPENSION AND TERMINATION**

### **A. Suspension.**

Suspension means any action by Essential Access that suspends payments under this Agreement. Essential Access may, after providing notice to Subrecipient, suspend this Agreement for failure to comply with reporting requirements set forth in Article VI for a period not to exceed thirty (30) days, pending corrective action by Subrecipient.

### **B. Termination Without Cause.**

Either Party may terminate this Agreement for any reason by giving the other party at least thirty (30) days' advance written notice, unless otherwise required herein.

C. Termination by Essential Access.

1. Essential Access may, by giving advance written notice to Subrecipient specifying the effective date, terminate this Agreement, in whole or in part, for cause. The term "cause" for termination shall include, but not be limited to:
  - a. Failure in any material respect, for any reason, of Subrecipient to fulfill, in a timely and proper manner, its obligations under the Agreement, including non-compliance with the approved Family Planning Services and applicable laws, regulations, policies and procedures, including reporting requirements, provided that Subrecipient shall have thirty (30) days to correct such failure (which period may be extended in the sole discretion of Essential Access) after receiving notice of the failure thereof from Essential Access;
  - b. Submission by Subrecipient to Essential Access of reports that are incorrect or incomplete in any material respect, provided that Subrecipient shall have fifteen (15) days to correct such submission (which period may be extended in the sole discretion of Essential Access) after receiving notice of the defect therein from Essential Access;
  - c. Improper use of Title X-obligated funds, or Essential Access' reasonable belief that the Title X Award paid hereunder has been or will be misappropriated, or used for the purpose of providing abortions, in which case this Agreement shall terminate immediately;
  - d. Suspension, termination, or relinquishment of the Grant under which this Agreement is made, or a portion thereof, in which case this Agreement shall terminate immediately;
  - e. The occurrence of, or criminal indictment for, any act or omission by Subrecipient that is reasonably determined by Essential Access to be materially detrimental to the reputation, operation or activities of Essential Access, in which case this Agreement shall terminate immediately;
  - f. The loss of required insurance by Subrecipient, in which case this Agreement shall terminate immediately;
  - g. The loss or suspension of any license or other authorization to do business that is necessary for Subrecipient to perform services under this Agreement, in which case this Agreement shall terminate immediately;
  - h. The omission or commission of any act or conduct for which a license or authorization is necessary for Subrecipient to perform its duties under this Agreement may be revoked or suspended (regardless of whether such suspension or revocation actually occurs), in which case this Agreement shall terminate immediately;
  - i. Any material change in the legal or financial condition of Subrecipient that

reasonably indicates that Subrecipient will be unable to perform as required under this Agreement, in which case this Agreement shall terminate immediately;

- j. The suspension or debarment of Subrecipient, in which case this Agreement shall terminate immediately; or
- k. The good faith determination by Essential Access that the health, welfare or safety of clients receiving care provided by Subrecipient is jeopardized by the continuation of the Agreement, in which case this Agreement shall terminate immediately.

D. Termination by Subrecipient.

1. Subrecipient may terminate this Agreement for cause by giving written notice to Essential Access specifying the effective date. The term "cause" for termination shall include, but not be limited to:
  - a. Failure of Essential Access to provide payment in accordance with Article III, provided that Essential Access shall have fifteen (15) days to correct such breach (which period may be extended in the sole discretion of Subrecipient), and provided that all funds provided to Subrecipient pursuant to Article III have been exhausted; or
  - b. Application of special terms and conditions to The Title X Award by Essential Access, with which Subrecipient is unable or unwilling to comply, in which case this Agreement shall terminate immediately.

E. Termination Procedures.

1. Should this Agreement be terminated before the end of the Term by either party, Subrecipient agrees to comply with the following closeout procedures:
  - a. Subrecipient shall submit all financial, performance and other reports as required by the terms and conditions of the Agreement. At its sole discretion, Essential Access may approve or deny extensions when requested by the Subrecipient.
  - b. Unless an extension is granted, Subrecipient shall liquidate all obligations incurred pursuant to this Agreement no later than ninety (90) calendar days after the funding period or date of completion as specified in the Agreement.
  - c. Essential Access will make payments for allowable costs incurred prior to termination only after all required documentation has been received and approved.
2. In the event of termination of this Agreement, either in whole or in part, all property, finished or unfinished documents, data, studies, and/or reports purchased or prepared by the Subrecipient under this Agreement shall, at the option of Essential Access, become its property or be disposed of and Subrecipient shall be entitled to compensation for any unreimbursed expenses necessarily incurred in satisfactory performance of this contract. Notwithstanding the above, Subrecipient shall not be relieved of liability to Essential

Access for damages sustained by Essential Access by virtue of any breach of this Agreement by Subrecipient, and Essential Access may withhold any reimbursement to Subrecipient for the purpose of offset until such time as the exact amount of damages due Essential Access from Subrecipient is agreed upon or otherwise determined.

3. Essential Access, by the rules and regulations set by its funding source, reserves the right to determine ownership of any and all equipment purchased by Subrecipient during the course of this Agreement. Ownership will be determined after Subrecipient has submitted an Equipment Inventory in accordance with Article IX of this Agreement.

#### **ARTICLE XI: RELATIONSHIP; INDEMNIFICATION**

##### **A. Relationship of Parties.**

1. During the term of this Agreement, Essential Access and Subrecipient shall remain separate and independent entities. None of the provisions of this Agreement are intended to create, nor shall be deemed or construed to create any relationship between or among the Parties other than that of independent entities. Except as otherwise provided, neither of the Parties shall be construed to be the agent, partner, co-venturer, employee or representative of the other Party.
2. Subrecipient is an independent contractor and, therefore, is not covered by, or entitled to, any insurance (including Worker's Compensation coverage for Subrecipient's employees) or other benefits maintained by Essential Access for its officers, agents, or employees.

##### **B. Indemnification.**

1. Subrecipient hereby agrees to indemnify, defend and hold harmless Essential Access, its affiliates, officers, directors, employees and agents against any and all liability, loss, damages or expenses that Essential Access, its affiliates, officers, directors, employees or agents may hereinafter sustain, incur or be required to pay (including court costs and reasonable attorney fees) arising from the acts or omissions of Subrecipient, its officers, employees, agents or representatives in connection with the performance of or failure to perform its obligations under this Agreement, except to the extent caused by or resulting from the negligence or willful misconduct of Essential Access.
2. Essential Access hereby agrees to indemnify, defend and hold harmless Subrecipient, its affiliates, officers, directors, employees and agents against any and all liability, loss, damage or expense that Subrecipient, its affiliates, officers, directors, employees or agents may hereinafter sustain, incur or be required to pay (including court costs and reasonable attorneys' fees) arising from the acts or omissions of Essential Access, its officers, employees, agents or representatives in connection with the performance or failure to perform its obligations under this Agreement, except to the extent caused by or resulting from the negligence or willful misconduct of Subrecipient.
3. The obligations of this Section shall survive termination of this Agreement.

## **XII: DISPUTE RESOLUTION**

The Parties shall first attempt to resolve any claims, controversies or disputes arising out of or relating to this Agreement by informal discussions between the Parties, subject to good cause exceptions, including, but not limited to, disputes determined by either Party to require immediate relief (i.e., circumstances which may result in fraud, theft or a misappropriation of Title X funds). Any claim, controversy or dispute that has not been resolved by informal discussions between the Parties within a reasonable period of time after the commencement of such discussion (not to exceed thirty (30) calendar days), shall then be resolved by final and binding arbitration under the commercial arbitration rules of the American Arbitration Association then in effect. Essential Access and Subrecipient will pay their own attorneys' fees and expert fees and other costs related to prosecuting or defending any dispute but shall share equally the costs and fees associated with the arbitration hearing and the arbitrator or arbitration panel. Judgment on any arbitration award or decision may be entered in any court having jurisdiction.

## **ARTICLE XIII: INSURANCE**

### **A. Subrecipient Insurance Requirements.**

1. Subrecipient agrees to secure and maintain, or cause to be secured and maintained, during the Term of this Agreement and as appropriate, the insurance coverage set forth as follows:

  - b. Workers' Compensation: in accordance with applicable law statutorily required amounts;
  - c. Professional Liability: coverage of at least \$1,000,000 per occurrence against professional liabilities for Subrecipient and its employed health care practitioners which may occur as a result of services provided by Subrecipient's health care practitioners; and
  - d. Fidelity: coverage adequate to protect against loss due to employee dishonesty.

### **B. Additional Insurance Provisions.**

1. Essential Access will be named as a co-insured or additional insured on all of Subrecipient's insurance policies showing the above coverage amounts and effective dates.
2. If Subrecipient's professional liability insurance is written in a "claims made", as opposed to an "occurrence" form, Subrecipient agrees to purchase or otherwise make arrangements for a "tail" or extended disclosure period policy for all activities so insured during the course of this Agreement.

3. Within ten (10) days after execution of this Agreement, Subrecipient will provide Essential Access with certificates of insurance for the above required coverages. Subrecipient shall promptly provide Essential Access with written notice of any ineligibility determination, suspension, revocation or other action or change relevant to the insurance requirements set forth above. Subrecipient may provide all or a portion of the required coverage through programs of self-insurance as allowed by California law.

#### **ARTICLE XIV: CONFIDENTIALITY**

In accordance with prevailing federal and state of California confidentiality statutes, regulations, customs and usage, canons, or code of professional ethics, the Parties (and their employees, agents, and contractors) shall not disclose, except to each other, any proprietary information, professional secrets or other information, records, data and data elements (including, but not limited to, protected health information as defined by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA")) collected and maintained in the course of carrying out responsibilities under this Agreement, unless either Party receives prior written authorization to do so from the other Party or as authorized or required by law; provided that, nothing contained herein shall be construed to prohibit Essential Access or DHHS from obtaining, reviewing, and auditing any information, record, data, and data elements to which it is lawfully entitled. All confidential obligations contained herein (including those pertaining to information transmitted orally) shall survive termination of this Agreement.

#### **ARTICLE XV: CONFLICT OF INTEREST**

##### **A. Written Conflict of Interest Policy.**

Subrecipient shall maintain a written conflict of interest policy that includes provisions to ensure that no employee, director, officer, or agent shall participate in the administration of the Title X Award if an actual, apparent or potential conflict of interest would be involved. Such a conflict would arise when the employee, consultant, officer or member of Subrecipient's Board of Directors uses his/her position for purposes that are, or give the appearance of being, motivated by the possibility of private gain for himself, herself, or others, such as those with whom they have family, business, or personal ties.

##### **B. Subrecipient Employees.**

Subrecipient shall ensure that no employee shall be paid as a staff member and a consultant.

#### **ARTICLE XVI: GOVERNING LAWS**

##### **A. Title X Award-Related Laws, Regulations, and Policies.**

This Agreement shall be governed and construed in accordance with applicable federal and state laws, regulations, and policies, including, but not limited to:

1. The Title X Statute (42 U.S.C. § 300 et seq., as amended);

2. The Title X Regulations (42 CFR part 59);
3. The Federal Regulations (42 CFR, part 50, Subpart B);
4. The terms and conditions of the Title X Award, as well as relevant Program Guidelines and Program Instructions issued by DHHS and OPA;
5. The Transparency Act (2 CFR Part 170);
6. 2 CFR Part 200 or 45 CFR Part 75 (DHHS Grants Administration regulations), as applicable;
7. The Consolidated Appropriations Act, 2024 imposes the following statutory provisions which limit the use of Title X funds during the current budget period.
  - a. Restrictions on Distribution of Sterile Needles (Section 523) - "Notwithstanding any other provision of this Act, no funds appropriated in this Act shall be used to carry out any program of distributing sterile needles or syringes for the hypodermic injection of any illegal drug."
  - b. Salary Limitation (Section 203) - "None of the funds appropriated in this title shall be used to pay the salary of an individual, through a grant or other extramural mechanism, at a rate in excess of Executive Level II." Effective January 2024, the Salary Limitation is based upon the Executive Level II of the Federal Executive Pay Scale. That amount is \$221,900, (but typically increases annually). For the purposes of the salary limitation, the direct salary is exclusive of fringe benefits and indirect costs. An individual's direct salary is not constrained by the legislative provision for a limitation of salary. The rate limitation simply limits the amount that may be awarded and charged to the grant. A recipient may pay an individual's salary amount in excess of the salary cap with non-federal funds.
  - c. Anti-Lobbying (Section 503) –
    - i. "No part of any appropriation contained in this Act or transferred pursuant to section 4002 of Public Law 111-148 shall be used, other than for normal and recognized executive legislative relationships, for publicity or propaganda purposes, for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation designed to support or defeat the enactment of legislation before the Congress or any State or local legislature or legislative body, except in presentation to the Congress or any State or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any State or local government, except in presentation to the executive branch of any State or local government itself.
    - ii. No part of any appropriation contained in this Act or transferred pursuant to

section 4002 of Public Law 111-148 shall be used to pay the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before the Congress or any State government, State legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.

- iii. The prohibitions in subsections (a) and (b) shall include any activity to advocate or promote any proposed, pending or future Federal, State or local tax increase, or any proposed, pending, or future requirement or restriction on any legal consumer product, including its sale or marketing, including but not limited to the advocacy or promotion of gun control."
- d. Gun Control (Section 218) - "None of the funds made available in this title may be used, in whole or in part, to advocate or promote gun control."

## Special Terms and Requirements

1. **Program Income Use.** Program income (fees, premiums, third-party reimbursements which the project may reasonably expect to receive), as well as State, local and other operational funding, will be used to finance the non-federal share of the scope of project as defined in the approved grant application and reflected in the approved budget. Program income and the level projected in the approved budget will be used to further program objectives. Program Income may be used to meet the cost sharing or matching requirement of the Federal award. The amount of the Federal award stays the same. Program Income in excess of any amounts specified must be added to the Federal funds awarded. They must be used for the purposes and conditions of this award for the duration of the Project period. 45 C.F.R. § 75.307 (e).
2. **Program Specific Regulation.** In accepting this award, the grantee stipulates that the award and any activities thereunder are subject to all provisions of 42 CFR Part 59, Subpart A.
3. **OPA Program Priorities.** All recipients must comply with the requirements regarding the provision of family planning services that can be found in the statute (Title X of the Public Health Service Act, 42 U.S.C. § 300 et seq.) and the implementing regulations (42 C.F.R. Part 59, Subpart A), and any legislative mandates. In addition, sterilization of clients as part of the Title X program must be consistent with 42 C.F.R. Part 50, Subpart B ("Sterilization of Persons in Federally Assisted Family Planning Projects").

In addition to the statute, regulations, legislative mandates, and additional program guidance that apply to Title X, OPA establishes program priorities that represent overarching goals for the Title X program. OPA expects recipients to develop and implement plans to address program priorities. The current priorities are: 1) advance health equity through the delivery of Title X services; 2) improve and expand access to Title X services; and 3) deliver Title X services of the highest quality.

4. **Notice of Change in Service Sites.** In order to maintain an accurate record of current Title X service sites, grantees must provide notice to the Office of Population Affairs (OPA) of any deletions, additions, or changes to the name, location, street address and email, services provided on-site, and contact information for Title X grantees and service sites. This database will also be used to verify eligibility for 340B program registration and recertification. You must enter your changes to the Title X database within 30 days from the official approval of the change at <https://opa-fpclinicdb.hhs.gov/> This does not replace the prior approval requirement under HHS grants policy for changes in project scope, including clinic closures.
5. **304B Program Participation.** If you or your sub-recipient(s) enrolls in the 340B Program, you must comply with all 340B Program requirements. You may be subject to audit at any time regarding 340B Program compliance. 340B Program requirements are available at <https://www.hrsa.gov/opa/program-requirements/index.html>.

## ESSENTIAL ACCESS HEALTH SEPARATION OF FAMILY PLANNING AND ABORTION SERVICES POLICY

If a Subrecipient provides abortion services, Essential Access will verify the following on each Title X program monitoring visit to ensure Title X activities and abortion services are separate and distinct:

<u>Activity</u>	<u>Responsible Person</u>
Financial separation of Title X family planning services funding and abortion services funding, including verification that funding for common costs is properly allocated.	Essential Access Lead Financial Auditor
The ability to separate and distinguish between Title X family planning activities and non-Title X abortion related activities within the facility.	Essential Access Medical Specialists and Essential Access Program Representatives
That abortion information is not presented as a method of family planning during Title X family planning client education.	Essential Access Medical Specialists and Essential Access Program Representatives

### **Process for Subrecipients to Initiate Abortion Services**

If a Subrecipient plans to add abortion services, the following must be done:

- A. Six weeks prior to adding abortion services, the Subrecipient will notify Essential Access in writing of its intent to implement abortion services.
- B. Essential Access will conduct an onsite review of the proposed abortion services health center prior to the Subrecipient's provision of such services. The review will include:
  1. Verification of financial separation of Title X family planning services funding and abortion services funding, including verification that funding for common costs is properly allocated.
  2. Verification of the ability to separate and distinguish between Title X family planning activities and non- Title X abortion related activities within the facility.
  3. Verification that abortion information is not presented as a method of family planning during Title X family planning client education.
- C. Essential Access will summarize any findings and recommendations in a letter that will be sent to the Subrecipient. A timeline for correction of any findings will be established with the Subrecipient and a follow-up review will be scheduled prior to the implementation of abortion services, if necessary.

***Subrecipients must not include abortion activities in their Title X budget application and must describe in the cost methodology section of their budget how they separate their financial information between Title X family planning services and non-Title X abortion activities.***
