My name is Maranatha Laidley I have been volunteering at our local food bank for the last seven years and when Nicole came to work at the Food Bank she brought some much needed new energy and her passion for our community and helping everyone in needed she has found so many ways to reach out, from the winter storm providing water and food to feeding children at school and thru the whole summer with lunches that are delivered to the apartments and all the out reach programs she has going every day. The whole team at Nevada County Food Bank are a blessing and we need more people like them in the world . And can go on for hours on all the good she does and How thankful we are for them all . Please all of you have any questions
