RE: Nevada County Matching Contribution for Fiscal Year 2017-2018

Each year, Agency on Aging\Area 4 (AAA4) works tirelessly to provide critical services for our aging population within Nevada County and the six other counties that comprise our service area. Board approval for continued financial support from each of the seven counties ensures the quality and content of our services does not suffer. This year, the requested match reflects an expanding 60-plus population and the resulting increased service delivery costs.

Nevada County's share of requested match for the fiscal year 2017-2018 is \$30,727. The attached information sheet illustrates the method used to calculate each county's share of match funding. We are providing this information so that Nevada County has time to review the information and include it in the County Budget for the upcoming fiscal year.

It is estimated that in FY 2017-2018 AAA4 will receive and administer \$695,550 in Federal and State grants for nutrition, transportation, legal assistance, information and assistance, ombudsmen and other supportive services in Nevada County. Continued funding is contingent upon meeting the minimum match requirements – estimated to be \$30,727 for Nevada County in FY 2017-2018. Without sufficient funding, AAA4 can no longer provide the services so desperately needed by Nevada's older adult community.

Should you have any questions concerning this request, please do not hesitate to contact Pam Miller, Executive Director, or Lynda Webb, Fiscal Administrator, at (916) 486-1876.

Thank you for your continued support!

Sincerely,

Eldon Luce, Chair
AAA4 Governing Board
