NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: June 26, 2018

TO: Board of Supervisors

FROM: Jessica Hankins, Project Coordinator

SUBJECT: **Resolution to Award a Contract for the Purdon Road over Shady Creek Bridge Replacement Project – County Contract No. 224021 Federal Aid Project Number BRLO 5917(083) – 4/5th Affirmative Vote Required (District 4)**

RECOMMENDATION: Approve the attached resolution to award the contract to Viking Construction, Inc.

FUNDING: The project is budgeted in the Fiscal Year 2018/19 Capital Improvement Project (CIP) budget and is funded with Federal Highway Bridge Program (HBP) funds. The awarded contract will be contingent on the Nevada County Board of Supervisors approving the FY 18/19 CIP budget on June 19, 2018. There is no impact on the General Fund.

BACKGROUND: On February 27, 2018 the Nevada County Board of Supervisors adopted Resolution No. 18-080 approving the bidding documents and specifications for the Purdon Road at Shady Creek Bridge Replacement Project.

On May 17, 2018 bids were opened and four (4) contractors submitted bids, summarized below. A detailed bid breakdown is attached in the supporting documentation.

Bid Number	Contractor	Bid Price
1	Diamond D General Construction	\$1,449,570.10
2	Viking Construction, Inc.	\$1,817,313.75
3	Granite Construction	\$1,918,033.00
4	Steelhead Constructors	\$2,239,471.00
	<i>Engineer's Estimate</i>	<i>\$1,369,441.00</i>

Because this project funded through the Federal Highway Bridge Program (HBP), the County is required to establish a Disadvantaged Business Enterprise (DBE) goal for the project. That goal is set at 10% of the construction contract amount.

Following the bid opening, the apparent low bidder Diamond D General Construction did not submit their DBE commitment and therefore did not meet the DBE goal or good faith effort requirement. The second low bidder, Viking Construction, Inc., has submitted their DBE information and met the goal with 10.18% of the contract amount comprised of DBE firms. Staff therefore recommends awarding to the second low bidder, Viking Construction, Inc., in the amount of \$1,817,313.75. The total amount to be encumbered in FY 18/19 is \$1,999,045.13, which includes a 10% contingency of \$181,731.38.

Additional funding to cover the cost increase over the Engineer's Estimate has been authorized by the District 3 local Caltrans office and is anticipated to receive final approval. Notice to proceed will not be issued without final approval.

Construction is scheduled to begin in July 2018, and will be completed within 160 working days as allowed for in the contract.

Item Initiated by: Jessica Hankins, Project Coordinator
