

NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: February 27, 2024

TO: Board of Supervisors

FROM: Shannan Moon, Sheriff-Coroner-Public Administrator

SUBJECT: Resolution authorizing the purchase of a Sheriff Operations Catalyst Force Entry Training Door as a capital asset in the amount of \$9,778.63 and approve the related budget amendment. (4/5ths affirmative vote required)

RECOMMENDATION: Approve the Resolution authorizing the purchase of a Catalyst Force Entry Training Door as a capital asset in the amount of \$9,778.63.

FUNDING: Funding for the capital asset Catalyst Force Entry Training Door purchase of \$9,778.63 is included in the Sheriff Operations budget, however a budget amendment is required to move the funding to the capital asset account code and is included in the attached resolution. There is no impact to the General Fund.

BACKGROUND:

The purchase of a Catalyst Force Entry Training Door will allow the Sheriff's Office to conduct specialized training exercises focused on door breaching. The door will be purchased utilizing Asset Forfeiture funds.

This forcible entry training door will allow repeatable training opportunities not just for the Special Enforcement Detail (SED) Team, but all deputies in the most efficient ways to forcibly breach a door in exigent circumstances. The unfortunate reality is that the Sheriff's Office can be called upon at any moment in time to respond to a critical incident. Recent history around the nation shows law enforcement is called upon to respond to active shooters, hostage rescue, and other circumstances that require fast and efficient entry. In these circumstances, time matters, and the knowledge gained from training can save critical moments. The Sheriff's Office currently has some forcible entry tools but we do not have a door to facilitate effective training.

It is requested the Board approve the purchase of Catalyst Force Entry Door for \$9,778.63 and accept same as a capital asset.
