NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo

MEETING DATE: August 8, 2023

TO: Board of Supervisors

FROM: Trisha Tillotson, CDA Director

SUBJECT: Resolution authorizing the capital asset purchase of one (1) SATLexan Iridium Satellite Call Box totaling \$12,025 and amending the fiscal year 2023/2024 ARPA Budget (4/5 Affirmative Vote Required)

RECOMMENDATION: Adopt the Resolution.

FUNDING: The capital asset purchase from the Recreation FY23/24 Budget is included and funded by American Rescue Plan Act (ARPA). A budget amendment is requested to adjust the budget classification for a capital asset.

BACKGROUND: As part of the current Nevada County Recreation Board Objective, the Board of Supervisors continues to advocate for recreation and increase awareness and safety around recreation, especially in, on, and around the South Yuba River through the South Yuba River Public Safety Cohort.

The success of all emergency responses is dependent on how quickly first responders can get to the location where the emergency occurs. Staff has identified an additional location for a permanent stationary emergency satellite call box along the Yuba River at Bridgeport to increase safety and coverage of the area. The additional call box will reduce emergency response time in the canyon and expand upon the four call boxes. The purchase and installation services contract will go through the Purchasing Agent and will cost \$12,025 and includes a one-year warranty and this Resolution obtains Board approval for the purchase of the assets.

The attached resolution approves the capital asset purchases of the one call box with installation.
