Board Agenda Memo

MEETING DATE: June 21, 2016

TO: Board of Supervisors

FROM: **Keith Royal, Sheriff-Coroner-Public Administrator**

SUBJECT: Resolution authorizing the execution of a renewal personal services contract with Lehr Auto Electric and Emergency Equipment for the provision of Sheriff's Office vehicle equipment installation services

RECOMMENDATION: Adopt the resolution

FUNDING: Funding in the amount of \$248,000 is for FY 2016/2017 and impacts the Sheriff's Office Operations budget. Monies have been budgeted using General Fund dollars. These services are mandatory.

BACKGROUND: Lehr Auto Electric and Emergency Equipment is a vendor proficient in emergency vehicle equipment installation. The type of equipment they install on Sheriff Office vehicles includes, but is not limited to, radios, scanners, light bars, antennas, sirens, flashers, lights, push-bumpers, speakers, computer components, cages, door panels, and seat belts.

Last year our contract with Lehr was for \$127,500 to outfit eleven vehicles. The new contract is for the maximum amount of \$248,000 to outfit up to 21 vehicles with a term of July 1, 2016 to June 30, 2017. Emergency equipment previously outfitting our older model patrol vehicles cannot be utilized to outfit the newer patrol vehicles we are rotating into service, therefore we are needing to purchase new equipment for installation.

The Sheriff's Office has been very pleased with the service provided by Lehr Auto Electric.
