RECOMMENDATION: Approve the contract for the renewal of the software, maintenance, and support agreement for the Bluecrest mail ballot sorter.

FUNDING: Nevada County Elections budgeted for the renewal of the software & maintenance contract with Bluecrest. The contract's financial obligation is as follows:

Year 1 (July 1, 2026-June 30, 2027)	\$34,740.00
Year 2 (July 1, 2027-June 30, 2028)	\$35,972.00
Year 3 (July 1, 2028-June 30, 2029)	\$37,251.00
Total Cost	\$107,963.00

Expenditures for this contract are included in the Fiscal Year 2026-2027 adopted budget. No budget amendment is required.

BACKGROUND: In 2023, Nevada County purchased a Bluecrest sorting machine, 75% of which was paid for using grant money from the Secretary of State Office. The sorting machine has allowed the Registrar of Voter's Office to become more streamlined in our mail ballot count and allowed us to cut labor costs and allocate resources to other parts of the election process. The current contract for the software, maintenance, and support on the Bluecrest sorter is set to expire on June 30, 2026. Attached you will find the contract for the renewal of the agreement to extend for three more years ending on June 30, 2029.
