## New eComment for Nevada County Board of Supervisors December 14, 2021, Meeting Agenda

Terry Parks submitted a new eComment.

Meeting: Nevada County Board of Supervisors December 14, 2021, Meeting Agenda

Item: 37. SR 21-0887 (Introduce/Waive further reading) Ordinance amending Article 2 of Chapter II, of the Nevada County Administrative Code - Board of Supervisors, setting the Board of Supervisors compensation for services in alignment with the County elected officials, and deleting the event allowance and the assignment of a County vehicle to Fifth District Supervisor.

eComment: It doesn't matter how much the proposed raise in pay is, your unresponsive actions to the requests of the people demand a forfeit of all pay and benefits and a resignation from your respective positions.

## New eComment for Nevada County Board of Supervisors December 14, 2021, Meeting Agenda

Nancy Peirce submitted a new eComment.

Meeting: Nevada County Board of Supervisors December 14, 2021, Meeting Agenda

Item: 37. SR 21-0887 (Introduce/Waive further reading) Ordinance amending Article 2 of Chapter II, of the Nevada County Administrative Code - Board of Supervisors, setting the Board of Supervisors compensation for services in alignment with the County elected officials, and deleting the event allowance and the assignment of a County vehicle to Fifth District Supervisor.

eComment: Reading through the comments, it's pretty clear many are opposed a Board of Supervisors pay raise. I however, would like to take it a step further and suggest that the Board instead consider taking a pay cut. Additionally, the Board should also institute an across the board pay freeze for all county paid employees and then LOWER the salaries for any position when that position is vacated due to retirement or resignation. Take a look at <https://transparentcalifornia.com/> to see how bad it is!

## New eComment for Nevada County Board of Supervisors December 14, 2021, Meeting Agenda

Janet Stegman submitted a new eComment.

Meeting: Nevada County Board of Supervisors December 14, 2021, Meeting Agenda

Item: 37. SR 21-0887 (Introduce/Waive further reading) Ordinance amending Article 2 of Chapter II, of the Nevada County Administrative Code - Board of Supervisors, setting the Board of Supervisors compensation for services in alignment with the County elected officials, and deleting the event allowance and the assignment of a County vehicle to Fifth District Supervisor.

eComment: No pay raise for board members: Your pay rate is already too high for your positions and you are not doing a proper and legally required job of including the community in your decision-making.

eComment: I say we crowd source funds to hire real investigators and private detectives to go through the BOS and Health Administrator's life with a lice comb. This group of tyrants have really grown into their positions as petty dictators. Time to remove and replace all of them with Constitutionalist that will protect Liberty, property rights and other Amendments of utmost importance. As far as an increase in salary, this is another slap in the face to WE THE PEOPLE. Think Bugs Life

eComment: In no way do I support this board giving themselves a raise while many men and women of this county have struggled to keep their jobs due to the boards tyrannical restrictions. Board members have done nothing but cause harm and discount the voice of the people while violating the Brown Act. None of you have a proper oath and have no business granting yourselves a raise. I see a recall In your futures!

eComment: This board deserves not a pay raise, but to be personally liable to pay for harms caused by restrictions, based in a non-existent emergency, that have caused preventable injuries and deaths.

## New eComment for Nevada County Board of Supervisors December 14, 2021, Meeting Agenda

Clarita Nolan submitted a new eComment.

Meeting: Nevada County Board of Supervisors December 14, 2021, Meeting Agenda

Item: 37. SR 21-0887 (Introduce/Waive further reading) Ordinance amending Article 2 of Chapter II, of the Nevada County Administrative Code - Board of Supervisors, setting the Board of Supervisors compensation for services in alignment with the County elected officials, and deleting the event allowance and the assignment of a County vehicle to Fifth District Supervisor.

eComment: I strongly oppose a raise for the board of supervisors. They took a paycheck when they shut down all of our community businesses. They supported lockdowns, damaging the local economy and only rationed a small percentage to local businesses. They should be agreeing to a pay cut. That would be the noble thing to do in a time where so many are out of work and suffering. None of you have a proper oath and have no business granting yourselves a raise. I see a recall In your futures!
