I really need to do my homework before I send comments. I submit this slightly edited comment for the Sept 22 BOS meeting.

Thank you,
John

Nevada County BOS Sept 22 meeting . Item 23, SR 20-3442

I applaud the Nevada County staff's quick and nimble response to be able to leverage the CARES Act Project funding for gigabit fiber optic internet network deployment. Fiber is the future and Race Telecommunications is the perfect recipient as they can readily meet the funding completion deadline by applying these funds toward a project in process. I highly recommend that the Board vote yes on this resolution.
