Other County Boards, Commissions, or Committees on which you have served:

Town of Truckee Planning Commissioner

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

I'm passionate about Nevada County as whole and cherish our local Truckee North Tahoe region. I enjoy contributing to the success of the Town and the County. I enjoy working with others to find solutions to problems that face our community. I enter every discussion with an open mind and I honor the public process while working hard to remain nimble and effective.

References: Please list two references with telephone numbers

Applicants may be required by State Law and County Ordinance to file a financial disclosure statement as part of the appointment process. The form may be viewed at <http://www.fppc.ca.gov>. An Oath of Office will be required upon appointment.

Hardy S. Bullock

EXPERIENCE

2013-2018 Truckee Tahoe Airport District - Truckee, CA

Director of Aviation & Community Services

- Direct an executive team of 5-8 and a junior staff of 23.
- Develop and manage 230 hangar leases, commercial business and signatory agreements.
- Direct an appointed Community Advisory Roundtable Team, develop agendas, and implement strategic goals, present to stakeholders, media, leadership, elected officials and staff.
- Develop and manage commercial operating permits for scheduled/on demand air charter, commercial soaring, skydiving, ground transportation and EMS operators.
- Create and introduce public policy and Primary Management & Compliance Documents in support of a safe, efficient, and secure general aviation airport.
- Develop aeronautical and community outreach strategies, coach staff to serve pilots, passengers, and constituents in exemplary fashion. Expediently resolve internal and external conflict with tact, discretion, authority and care.
- Work with the FAA, elected officials and congressional representatives in Washington DC to develop flight procedures, integrate ADSB, build control tower facilities, and fund special initiatives.
- Manage consultant teams who report directly on progress related to congressional support, ADSB surveillance, contract tower funding, safety management systems, public relations, master plan/ALP development, geographic systems, information technology, flight procedures, and lands management.
- Reduce community annoyance while meeting Federal Grant Assurances. Answer community questions and complaints regarding environmental impacts from aviation operations.
- Work with elected officials to develop, manage, administrate capital facility plans, budgets, and grant funding requests. Work with staff to manage line item accountability of cost.
- Review staff performance, assign rewards, promote professional development, foster innovation and inspire others to grow personally and professionally.

2008-2013 Truckee Tahoe Airport District - Truckee, CA

Environment & Technology Manager/ Community Affairs & Conservation Manager

- Monitor and comply with aviation related environmental policy and regulation including storm water, hazardous materials storage, land use, zoning, and over flight.
- Manage airport IT solutions including MLAT flight tracking, airport surveillance, access control, and data collection.
- Enhance and promote responsible airspace use for safety and annoyance mitigation. Respond to community complaints.

EXPERIENCE CONTINUED

1998-2008 Quality Enterprises, Inc. (QEI) Truckee, Nevada City, Los Angeles, Redding CA

President and CEO

- Serve regional and national clients in the energy sector offering forestry contracting and consulting services.
- Responsibility for the bottom line factors including vision, strategic planning, pricing, bidding and prospecting.
- Provide guidance for large-scale project logistics ranging in size from \$500k - \$1.5 million.
- Direct general oversight of 30-50 employees, 1-6 subcontractors, and associated equipment in 5-8 separate base locations in CA, ID, OR & NV.

EDUCATION

- B.A., General Studies University Nevada Reno 1995
- California Licensed Contractor
- Pilot (Airman) Certificate Total Time 1800 hours
- Instrument Rating / Multi Engine Instrument / Glider / Jet
- American Association of Airport Executives Accreditation Program Certified Member
