INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Members of the Board of Supervisors and Grand Jury County of Nevada Nevada City, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County of Nevada (County) as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated February 29, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

To the Honorable Members of the Board of Supervisors and Grand Jury County of Nevada

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY OMB CIRCULAR A-133

To the Honorable Members of the Board of Supervisors and Grand Jury County of Nevada Nevada City, California

Report on Compliance for Each Major Federal Program

We have audited the County of Nevada's (County) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2015. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations.* Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

To the Honorable Members of the Board of Supervisors and Grand Jury County of Nevada

Report on Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified certain deficiencies in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as item (2015-001) that we consider to be significant deficiencies.

The County's responses to the internal control over compliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The County's responses are not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

To the Honorable Members of the Board of Supervisors and Grand Jury County of Nevada

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County, as of and for the year ended June 30, 2015, and have issued our report thereon dated February 29, 2016, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

Other Matters

Supplementary Schedules

The Supplementary Schedule of the California Emergency Management Agency Grants Expenditures has not been subjected to auditing procedures applied in the audit of the basic financial statements, and accordingly, we express no opinion on it.

Notes to Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2015

NOTE 1: REPORTING ENTITY

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all federal awards programs of the County of Nevada. The County of Nevada's reporting entity is defined in Note 1 to the County's basic financial statements. All federal awards received directly from federal agencies as well as federal awards passed through other government agencies are included in the schedule.

In accordance with requirements under U.S. Office of Management and Budget (OMB) Circular A-133, expenditures for federal awards under the American Recovery and Reinvestment Act of 2009 (ARRA) are separately identified in the schedule by inclusion of the prefix "ARRA" or Recovery in identifying the name of the federal program on the schedule of expenditures of federal awards.

NOTE 2: BASIS OF ACCOUNTING

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the County and is presented based on accounting principles generally accepted in the United States of America. For program expenditures accounted for in governmental funds, the modified accrual basis of accounting is used and for program expenditures accounted for in proprietary funds, the accrual basis of accounting is used. Such expenditures are recognized following the cost principles contained in OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations.* Wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3: RELATIONSHIP TO FINANCIAL STATEMENTS

The amounts reported in the accompanying Schedule of Expenditures of Federal Awards agree, in all material respects, to amounts reported within the County's financial statements. Federal award revenues are reported principally in the County's financial statements as intergovernmental revenues in the General and Special Revenue funds and grant revenue in the Enterprise funds.

NOTE 4: SUBRECIPIENTS

Of the federal expenditures presented in the Schedule of Expenditures of Federal Awards, the County of Nevada provided federal awards to subrecipients as follows:

Federal CFDA	Program Title	Amount Provided to Subrecipients
14.228	Community Development Block Grant	\$ 233,684
93.556	Promoting Safe & Stable Families	10,000
93.558	Temporary Assistance for Needy Families	38,295
93.569	Community Services Block Grant	89,717

Notes to Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2015

NOTE 5: PASS-THROUGH ENTITIES' IDENTIFYING NUMBER

When federal awards were received from a pass-through entity, the Schedule of Expenditures of Federal Awards shows, if available, the identifying number assigned by the pass-through entity. When no identifying number is shown, the County either determined that no identifying number is assigned for the program or was simply unable to obtain an identifying number from the pass-through entity.

NOTE 6: LOANS WITH CONTINUING COMPLIANCE REQUIREMENT

Outstanding federally-funded program loans, with a continuing compliance requirement, carried balances as of June 30, 2015 as follows:

Federal		Amount Outstanding					
CFDA#	Program Title	July 1, 2014	New Loans	June 30, 2015			
14.228	Community Development Block Grants/State's Program	\$ 1,436,795	\$ -	\$ 1,436,795			
14.229	HOME Investment Partnerships Program	2,090,271	160,000	2,250,271			

NOTE 7: TOTAL FEDERAL AWARDS EXPENDED BY CFDA NUMBER

When there is more than one program under a single CFDA number, the Schedule of Federal Awards totals all programs under the one CFDA number. Occasionally, however, this total could not be conveniently displayed because all programs under one CFDA number were not contiguous. When this occurred, this total is not shown in the Schedule, but instead is provided below:

Compliance Requirement Eligibility

Criteria

Any family that includes an adult, minor child head of household or a spouse of the head of household who has received assistance under any State program funded by federal TANF funds for sixty months (whether or not consecutive) is ineligible for additional federally funded TANF assistance. Certain exemptions apply in counting the months on Federal TANF assistance. The County's uses an automated tracking system to evaluate this sixty-month, time-on-aid limit. When cases near the TANF sixty month, time-on-aid limit, the "clock" must be reviewed to determine whether or not any adjustments for exempt/nonexempt months is warranted. The case must be set to transfer to state only funding at the end of the TANF sixty-months, time-on-aid limit.

Condition

During our eligibility testing compliance requirement, we noted one case in which the 60 month tracking limit for federal aid had been exceeded.

Cause

The required review of the 60 month tracking clock had not been performed effectively

Effect of Condition

Not completing the sixty-month, time-on-aid tracking can result in individuals receiving federal TANF assistance for more than sixty months in violation of federal law.

Questioned Costs

Questioned costs were computed to be \$1,914. The computation was based on the benefit amount received of \$638 for a period of three months.

Recommendation

We recommend that the County review its current system of ensuring that the sixty-month, time-on-aid limit is not exceeded and determine whether or not training, a review process and/or a revision to the system is warranted.

Corrective Action Plan

The County has reviewed the cited case and concludes the cause of the error was out of the County's control. The County staff had entered the information in the case correctly but the electronic record keeping system used did not process the information correctly. The County will continue to monitor the 60 month time clock as appropriate.
