3.0 Standard of Performance

Contractor represents that it has the skills, expertise, and licenses/permits necessary to perform the services required under this Agreement. Accordingly, Contractor shall perform all such services in the manner and according to the standards observed by a competent practitioner of the same profession in which Contractor is engaged. All products of whatsoever nature which Contractor delivers to County pursuant to this Agreement shall be prepared in a first class and workmanlike manner and shall conform to the standards of quality normally observed by a person practicing in Contractor's profession. Permits and/or licenses shall be obtained and maintained by Contractor without additional compensation. Contractor's personnel, when on the County's premises, shall comply with the County's regulations regarding security, safety and professional conduct, including but not limited to Nevada County Security Policy (NCSP) 102 regarding data security.

4.0 Contractor as Independent

In providing services hereunder, Contractor, and the agents and employees thereof, shall act in an independent capacity and as an independent contractor and not as agents or employees of County.

5.0 Indemnification

5.1 General

Contractor shall defend, indemnify and save harmless the County, its officers, officials, employees, agents and volunteers from any and all liabilities, claims, demands, judgments damages, losses or expenses (including, without limitation, defense costs and attorney fees of litigation) arising out of this Agreement or occasioned by the performance or attempted performance of the provisions hereof, including, but not limited to, any act or omission to act on the part of the Contractor or his agents or employees or other independent contractors directly responsible to him; except those liabilities, claims, demands, judgments damages, losses or expenses to the extent resulting from the negligence or willful misconduct of the County. With respect to any and all liabilities, claims, demands, judgments damages, losses or expenses arising from the joint or concurrent negligence of Contractor and the County, each party shall assume responsibility in proportion to the degree of its respective fault as determined by a court of competent jurisdiction. Contractor's obligation to indemnify County is contingent upon the County giving prompt notice to Contractor of any claims, permitting Contractor to defend, compromise, or settle any claim, and cooperate with the defense of any such claim. Contractor shall notify the County immediately in the event of any accident or injury arising out of or in connection with this Agreement.

5.2 Intellectual Property

- a. Notwithstanding any language contained herein to the contrary, Contractor warrants that the Software does not infringe upon or violate any patent, copyright, trade secret, contract right, or any other proprietary right of any third party within the United States. Except as otherwise provided, Contractor, at its own expense, will defend, indemnify and hold County harmless from any claim made or threatened or any suit or proceeding brought against County insofar as it is based on an allegation that the Software furnished by Contractor under this Agreement infringes any copyright or patent in existence on the date the Software was initially provided to County, but only if County does all of the following:

- i. notifies Contractor of that action in writing within a reasonable period of time (such that Contractor suffers no prejudice to its rights);
 - ii. gives Contractor the right to control and direct the defense and settlement of that action;
 - iii. makes no compromise, settlement, or admission of liability; and
 - iv. provides reasonable assistance and cooperates in the defense of that action at Contractor's reasonable expense.
- b. Subject to the limitations set forth in this Agreement, Contractor shall pay any resulting damages, costs and expenses finally awarded to a third party, including, but not limited to, reasonable legal fees, incurred as a result of the Software's infringement of a copyright or patent right. Contractor will have no responsibility for the settlement of any claim, suit, or proceeding made by County without Contractor's prior written approval.
- c. If the Software is held to infringe, and the use of the Software is enjoined, Contractor, at its expense, will do one of the following:
- i. procure for County the right to continue using the infringing or potentially infringing Software;
 - ii. replace the infringing or potentially infringing Software with non-infringing software; or
 - iii. modify the infringing or potentially infringing Software so that it becomes non-infringing.
 - iv. If none of the foregoing remedies are commercially feasible, Contractor will return to County the initial license fee actually paid by County to Contractor under this agreement, and upon such a return, any licenses granted to County for the Software shall terminate immediately.

6.0 Insurance

During the performance of this Agreement, Contractor shall maintain in full force and effect the following insurance coverages:

- 6.1 Commercial General Liability Insurance: (County Resolution No. 90674) Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following:
- a. Broad form coverage for liability for death or bodily injury to a person or persons, and for property damage, combined single limit coverage, in the minimum amount of \$1,000,000.
 - b. An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from Seller's product(s) and/or the services provided under this contract;
 - c. A provision that said insurance shall be primary and other insurance maintained by the County shall be excess only and not contributing with Contractor's insurance; and
 - d. A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium). Upon receipt of such notice, County will provide Contractor in writing a notice that Contractor has until the effective date of termination, change in coverage protection, or reduction in coverage limits to secure new insurance coverage as required herein, and that Contractor's failure to do so will constitute default under the terms of this Agreement.
- 6.2 Data Processing Errors and Omissions Insurance: Contractor shall maintain either a

professional liability or errors & omissions policy in an amount of no less than \$1,000,000, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County.

- 6.3 Cyber Liability Insurance: Without limiting any of the obligations or liabilities of Contractor, Contractor shall carry and maintain, at its own expense including any applicable deductibles or retentions, as long as respective, applicable statute(s) of limitation or repose are in effect relating to the specific purposes of this Agreement, insurance policies of not less than \$1,000,000 for each occurrence and an annual aggregate of \$2,000,000 covering claims involving privacy violations, information theft, damage to or destruction of electronic information, intentional and/or unintentional release of private information, alteration of electronic information, extortion and network security.
- 6.4 Automobile Liability Insurance: (County Resolution No. 90676) For each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following provisions:
- a. Liability protection for death or bodily injury to a person or persons, property damage, and uninsured and underinsured coverage, combined single limit coverage, in the minimum amount of \$1,000,000.
 - b. An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from the Services provided under this Agreement;
 - c. A provision that said insurance shall be primary and other insurance maintained by the Buyer shall be excess only and not contributing with Seller's insurance; and,
 - d. A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium). Upon receipt of such notice, County will provide Contractor in writing a notice that Contractor has until the effective date of termination, change in coverage protection, or reduction in coverage limits to secure new insurance coverage as required herein, and that Contractor's failure to do so will constitute default under the terms of this Agreement.
- 6.5 Worker's Compensation: (County Resolution No. 90674) Before commencing to utilize employees in providing Services under this Agreement, Contractor warrants that it will comply with the provisions of the California Labor Code, requiring Contractor to be insured for worker's compensation liability or to undertake a program of self-insurance therefor. CONTRACTOR shall maintain said policy or self insurance as required by law, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to the County.
- 6.6 Miscellaneous Insurance Provisions: (County Resolution No. 90675) All policies of insurance required by this Agreement shall remain in full force and effect throughout the life of this Agreement and shall be payable on a "per occurrence" basis unless the County specifically consents to "claims made" coverage. If the County does consent to "claims made" coverage and if Contractor changes insurance carriers during the term of this Agreement or any extensions hereof, then Contractor shall carry prior acts coverage.

At all times, Contractor shall keep and maintain in full force and effect throughout the duration of this Contract, policies of insurance required by this Contract which policies shall be issued by companies with a Best's Rating of B+ or higher (B+, B++, A-, A, A+ or A++), or a Best's Financial Performance Rating (FPR) of 6 or higher (6, 7, 8 or 9) according to the current Best's Key Rating Guide, or shall be issued by companies approved by the County. In the event the Best's Rating or Best's FPR shall fall below the rating required by this paragraph, Contractor shall be required to forthwith secure alternate policies which comply with the rating required by this paragraph, or be in material breach of this Agreement. Failure to provide and maintain the insurance policies (including Best's ratings), endorsements, or certificates of insurance required by this Agreement shall constitute a material breach of this agreement (herein "Material Breach"); and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Agreement, or both.

7.0 Ownership of Data

County is and shall be the owner of the following items incidental to this Agreement upon production, whether or not completed: all data collected, all documents of any type whatsoever, and any material necessary for the practical use of the data and/or documents from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion, except for computer software which shall be owned or licensed as provided in this Agreement. Contractor shall not release any materials under this section without prior written approval of County.

No materials produced in whole or in part under this Agreement shall be subject to copyright in the United States or in any other country except as provided in this Agreement or except as determined at the sole discretion of the County. County shall have the unrestricted authority to publish, disclose, distribute, and otherwise use in whole or part, any reports, data, documents or other similar materials prepared under this Agreement, except for the Software and other Intellectual Property, which shall be subject to the ownership and other restrictions set forth in this Agreement.

8.0 Assignment and Subcontracting

Except as specifically provided herein, the rights, responsibilities, duties and Services to be performed under this Agreement are personal to the County and Contractor. They may not be transferred, subcontracted, or assigned without the prior written consent of both parties.

Contractor shall cause and require each transferee, subcontractor and assignee to comply with the insurance provisions set forth herein at to the extent such insurance provisions are required of Contractor under this Contract. Failure of Contractor to so cause and require such compliance by each transferee, subcontractor and assignee shall constitute a Material Breach of this Agreement, and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which COUNTY may elect to suspend payments hereunder, or terminate this Agreement, or both.

9.0 Confidentiality

The parties hereto acknowledge that information obtained about the other party pursuant to this Agreement may include confidential and proprietary information (hereinafter the "Confidential Information"). Each party agrees not to use Confidential information except in accordance with the terms of this Agreement or any other agreements between the parties, and not to disclose Confidential Information to any third parties without the prior written consent of the other party, except as required by law. The parties agree that the Confidential Information does not include any information which, at the time of disclosure, is generally known by the public. County shall make no attempt to reverse compile, disassemble, or otherwise reverse engineer the Software or any portion thereof. These obligations of confidentiality shall survive termination of the License and this Agreement.

10.0 Warranty

Contractor warrants the Software to operate in all material respects as specified in the Contractor-provided documentation. If Contractor makes or has made claims in response to specifications listed in a County solicitation, then the Contractor warrants the Software to operate in all material respects as claimed in response to the solicitation. Contractor disclaims any responsibility for the use or function of the Software beyond the parameters set forth in the Documentation or in Contractor's response to County's solicitation. Contractor warrants that the Software does not contain any disabling devices that would allow Contractor to terminate operation of the Software. Contractor further warrants that, to the best of its knowledge, the Software does not contain any viruses. Contractor warrants as follows for all customization made by Contractor for the County: (1) All Customizations will continue to be supported by Contractor under its Software Support and Managed Services Agreement as defined in Schedule C; (2) All Customizations will be preserved and will remain functional in any future software versions, revisions, or updates provided by Contractor; (3) All future software versions, revision, or updates provided by Contractor will not cause the County to incur any additional cost as a result of the Customizations. These provisions shall apply for as long as the County is covered by the Contractor's Software Support and Managed Services Agreement.

THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES OF CONDITIONS, EXPRESS OR IMPLIED INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND THOSE ARISING BY STATUTE OR OTHERWISE IN LAW OR FROM THE COURSE OF DEALING OR USAGE OF TRADE. CONTRACTOR DOES NOT REPRESENT OR WARRANT THAT THE SOFTWARE WILL OPERATE ERROR-FREE OR UNINTERRUPTED AND THAT ALL PROGRAM ERRORS IN THE SOFTWARE CAN BE FOUND IN ORDER TO BE CORRECTED. NOR DOES CONTRACTOR MAKE ANY WARRANTIES REGARDING THE ACCURACY, RELIABILITY OR CURRENCY OF ANY INFORMATION CONTENT.

CONTRACTOR'S LIABILITY AND RESPONSIBILITY FOR ANY AND ALL CLAIMS, DAMAGES OR LOSSES ARISING FROM USE OF THE SOFTWARE BY COUNTY SHALL BE ABSOLUTELY LIMITED TO THE INSURANCE OCCURRENCE LIMIT OF \$1 MILLION. THIS LIMITATION OF CONTRACTOR'S LIABILITY SHALL APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT OR TORT, INCLUDING NEGLIGENCE. THE STATED EXPRESS WARRANTIES ARE IN LIEU OF ALL OBLIGATIONS OR LIABILITIES ON THE PART OF CONTRACTOR ARISING OUT OF OR IN CONNECTION WITH THE DELIVERY, USE, AND/OR PERFORMANCE OF THE SOFTWARE.

Unless otherwise stated in the applicable Schedule, Contractor shall not be liable for, and County hereby assumes the risk of and shall indemnify and hold harmless Contractor against, any claim, injury, loss, damage, or expense (including attorneys' fees), either direct or indirect, incurred, made, or suffered by County in connection with or in any way arising out of the furnishing, performance, or use of services provided by any third party contracted by County to perform services in connection with the Software.

11.0 Nondiscrimination and Compliance with Laws

In providing Services hereunder, Contractor agrees to comply with all applicable laws and regulations, including but not limited to those relating to nondiscrimination and civil rights. Contractor agrees to timely file all required reports, make required payroll deductions, and timely pay all taxes and premiums owed, including sales and use taxes and unemployment compensation and workers' compensation premiums. Contractor shall have and keep current at all times during the term of this contract all licenses and permits required by law.

12.0 Prior Nevada County Employment (County Resolution No. 03-353)

Effective July 22, 2003, it is the policy of the County of Nevada that former members of the Board

of Supervisors, a former CEO, or a former Purchasing Agent, for a period of twelve (12) months following the last day of employment, shall not enter into any relationship wherein that former employee or former Board member receives direct remuneration from a legal entity that, during the last twelve (12) months of said employment or Board member's service, entered into a contract with, or received a grant from the County of Nevada. Provided however, that this prohibition shall not apply to any employee that did not personally approve a contract with or grant to said legal entity during the last twelve (12) months of said employment, and shall not apply when the Board of Supervisors did not approve a contract with or grant to said legal entity during the last twelve (12) months of said Board member's service.

A violation of this policy shall subject Contractor to all of the remedies enumerated in said resolution and as otherwise provided in law, which remedies shall include but not be limited to injunctive relief, cancellation and voiding of this contract by COUNTY, a return of grant money, a cause of action for breach of contract, and entitlement to costs and reasonable attorney fees in any action based upon a breach of contract under this provision.

13.0 Intellectual Property

County acknowledges that Contractor owns all right, title and interest in and to the Software, the Documentation, and other information relating thereto, including all patents, trademarks, copyrights, trade secrets and other Intellectual Property rights. No rights, other than those granted pursuant to the License, are transferred to County.

14.0 Conflict of Interest

Contractor covenants that Contractor presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Contractor further covenants that in the performance of this Agreement, no person having any such interest shall be employed by Contractor. This covenant shall not prohibit Contractor from offering the same or similar Software and Services to other entities.

15.0 Responsibilities of County

County shall provide all information reasonably necessary to Contractor in performing the Services provided herein. Contractor shall not be responsible for any delays caused by County's failure to provide information or failure to perform obligations.

16.0 Technology Life Expectancy

County understands, acknowledges, and agrees that the technology upon which the Hardware, Software, and Third-Party Software is based changes rapidly. County further acknowledges that Contractor will continue to improve the functionality and features of the Software to improve legal compliance, accuracy, functionality, and usability. As a result, Contractor does not represent or warrant that the Hardware, Software, and/or Third-Party Software provided to County under this Agreement or that the Computer System recommended by Contractor will function for an indefinite period of time. Rather, Contractor and County may, from time to time, analyze the functionality of the Hardware, Software, Third-Party Software, and Computer System in response to changes to determine whether upgrades are advised. Contractor shall, for the duration of the maintenance period covered by this Agreement, and at no additional cost to County, maintain the Software to be compatible with Microsoft-supported operating systems and databases. County upgrades may include, without limitation, the installation of a new Release, additional disk storage and memory, and workstation and/or server upgrades. County upgrades may also include the installation and/or removal of Third-Party Software. County is solely responsible for all costs associated with such future resources and upgrades,

17.0 Term and Termination

17.1 Termination by County

- a. For Cause: Should Contractor default in the performance of this Agreement or

materially breach any of its provisions, the County may elect to immediately suspend payments and to provide written notice to Contractor of County's intent to terminate the Agreement. Upon receipt of such notice, Contractor shall have sixty (60) days to cure the breach or correct the failure to perform. If the cure or correction is not deemed acceptable by County within the 60 day cure period, Contractor will immediately discontinue all services affected (unless the notice directs that the Disentanglement provision herein shall be invoked), and shall deliver to County all data, estimates, summaries, reports, and all other records, documents or papers as may have been accumulated or produced by Contractor in performing services under this Agreement, whether completed or in process.

- b. For Convenience: County may, by no less than ninety (90) days written notice stating the extent and effective date, terminate this Agreement in whole or in part at any time. Upon receipt of such notice, Contractor shall promptly cease work and notify County as to the status of its performance. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for services performed to the date of termination, to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such information as is necessary to determine the mutually agreeable reasonable value of the services rendered by Contractor. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity. Upon receipt of such notice, Contractor shall immediately discontinue all services affected (unless the notice directs that the Disentanglement provision herein shall be invoked), and shall deliver to County all data, estimates, summaries, reports, and all other records, documents or papers as may have been accumulated or produced by Contractor in performing services under this Agreement, whether completed or in process.

17.2 Termination by Contractor

- a. For Nonpayment: Should County fail to pay Contractor all or any part of the payment set forth in Schedule D, Contractor may, at Contractor's option, terminate this Agreement if such failure is not remedied by County within thirty (30) days of written notice to County of such late payment.
- b. For Cause: Should County default in the performance of this Agreement or materially breach any of its provisions, Contractor, at Contractor's sole option, may terminate this Agreement upon thirty (30) days written notice.

17.3 Disentanglement

If directed by County, Contractor shall cooperate with County and County's other vendors and contractors to ensure a smooth transition at the time of termination of this Agreement, regardless of the nature or timing of the termination. Contractor shall cooperate with County to accomplish a complete transition of the services as set forth in this Agreement being terminated to County or to any replacement provider designated by County, without any interruption or adverse impact on those services or any other services provided by third parties. Contractor shall fully cooperate with County and any new service provider and otherwise promptly take all steps, including but not limited to providing to County or any new service provider all requested information or documentation required to assist County in effecting a complete transition to the new service provider. Contractor shall provide all information or documentation regarding the services to be transitioned, including but not limited to data conversion tables, client files, interface specifications, and training materials. Contractor shall provide for the prompt and orderly conclusion of all work required under the Agreement, as County may direct, including completion or partial completion of projects, documentation of work in process, and other measures to assure an orderly transition to County or the County's designee.

All Contractor work done as part of the Disentanglement shall be performed by Contractor and will be reimbursed by the County at no more than Contractor's costs, up to the total amount of this Agreement. Contractor shall not receive any additional or different compensation for the work otherwise required by the Agreement. Contractor's obligation to provide the Services shall not cease until the earlier of the following: a) the Disentanglement is completed to the County's reasonable satisfaction, or b) three (3) months after the expiration of the then-current Term of the Agreement.

17.5 Renegotiation Option: In view of the fact that it is unknown how long the products and services will be employed by County and that County will require ongoing maintenance and support of the products for as long as the system is operational, therefore after completion of the initial term of the Agreement including any extensions and renewals, County and Contractor may renegotiate the Agreement upon mutual agreement of the parties.

17.6 Effect of Termination: Contractor shall cooperate with County to ensure a smooth transition at the time of termination of this Agreement, regardless of the nature or timing of the termination. Contractor shall cooperate with County to ensure that any and all of County's data maintained in the software licensed to the County by Contractor is extracted in a commercially recognized format acceptable to County prior to the termination date, and that said data is securely transmitted to County. The termination of this Agreement shall not affect the County's rights to the Software pursuant to Schedule B (License Agreement) provided that County has paid all Software license fees set forth in the Schedule D and County is not in breach of any provision of this Agreement or the Schedules. If County terminates this Agreement prior to the payment of all Software license fees, or if County is in breach of this Agreement, County shall immediately cease using the Software and shall either destroy or return the original and all copies, in whole or in part, in any form, of the Software and related materials. County shall certify such action in writing to County within one (1) month after the termination date. Obligations and rights in connection with this Agreement which by their nature would continue beyond the termination of this Agreement, including without limitation, Section 9 of this Schedule A, shall survive termination of this Agreement.

18.0 Informal Dispute Resolution

If a dispute, controversy, or claim arises between the parties relating to this Agreement, the parties shall promptly notify one another of the dispute in writing. Each party shall promptly designate a representative to resolve the dispute. The representatives shall meet within ten (10) days following the first receipt by a party of such written notice and shall attempt to resolve the dispute within fifteen (15) days.

19.0 Compliance with Public Records Law

All information County receives from Contractor, whether received in connection with Contractor's proposal or in connection with any services performed by Contractor, will be disclosed upon receipt of a request for disclosure pursuant to the California Public Records Act; provided, however, that if any information is set apart and clearly marked "Confidential Information" pursuant to Section 9, above, when it is provided to County, County shall give notice of Contractor of any request for disclosure of such information. Contractor shall then have five (5)

days from the date it receives such notice to enter into an agreement with the County, satisfactory to the County Counsel, providing for the defense of, and complete indemnification and reimbursement for all costs (including plaintiff's attorney fees) incurred by County in any legal action to compel the disclosure of such information under the California Public Records Act. Contractor shall have sole responsibility for defense of the actual "Confidential" designation of such information.

Contractor and County understand and agree that any failure by Contractor to respond to the notice provided by County and/or to enter into an agreement with County, in accordance with the provisions above, shall constitute a complete waiver by Contractor of any rights regarding the information designated "Confidential" by Contractor, and County shall disclose such information pursuant to applicable procedures required by the Public Records Act.

20.0 Books of Record and Audit Provision

Contractor shall maintain complete records relating to this Agreement for a period of five (5) years from the completion of Services hereunder. Said records shall be maintained in sufficient detail to establish the accuracy of charges for services provided and corresponding calculations of any sales tax payable.

Contractor shall permit County to audit said records as well as such related records of any business entity controlled by Contractor. Said audit may be conducted on Contractor's premises or at a location designated by County, upon fifteen (15) days notice. Contractor shall promptly refund any moneys erroneously charged and shall be liable for the costs of audit if the audit establishes an over-charge of five percent (5%) or more of the total Contract amount.

21.0 Taxes

With the exception of sales or use taxes which may be levied by the State of California for software or related materials, County shall not be responsible for paying any taxes on Contractor's behalf, and should County be required to do so by state, federal, or local taxing agencies, Contractor agrees to promptly reimburse County for the full value of such paid taxes plus interest and penalty, if any. Similarly, Contractor shall not be responsible for paying any taxes on County's behalf, and should Contractor be required to do so by state, federal, or local taxing agencies, County agrees to promptly reimburse Contractor for the full value of such paid taxes plus interest and penalty, if any. (The fees set forth in Schedule E do not include any amounts for sales taxes, as it is anticipated that all software and related materials will be provided by Contractor by electronic delivery.)

Furthermore, by entering into this Agreement, Contractor hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which Contractor is obligated, which breach would have a material effect hereon.

The headings of the several sections of this Schedule A and other Sections which comprise this Agreement, and any table of contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

27.0 Severability

If any one or more of the provisions of this Agreement shall for any reason be held to be invalid or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

28.0 Amendment and Waivers

Any term or provision of this Agreement may be amended, and the observance of any term of this Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a writing signed by the Party to be bound thereby. The waiver by a Party of any breach hereof or default hereunder shall not be deemed to constitute a waiver of any other breach or default. The failure of any Party to enforce any provision hereof shall not be construed as or constitute a waiver of the right of such Party thereafter to enforce such provision.

29.0 Force Majeure

Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations by any act of war, hostile action, or catastrophic natural event. Should there be such an occurrence that impacts the ability of either party to perform their responsibilities under this Agreement, the nonperforming party shall give immediate written notice to the other party to explain the cause and probable duration of any such nonperformance.

30.0 Publicity

County authorizes Contractor to use County's name in its list of customers. The parties agree that either party or both may issue a mutually acceptable news release regarding County's use of the applicable Software and Support Services. Each party's approval of such news release will not be unreasonably withheld or delayed. Once a press release has been issued, Contractor may publicly refer to County (by name only) as being a customer of Contractor, and only in relation to this Agreement except as otherwise authorized by County.
