Each year Nevada County submits any additions to, or deletions from, its maintained mileage system to the California Department of Transportation pursuant to Section 2121 of the California Streets and Highways Code.

The total Nevada County maintained road miles is now 562.10 miles. This includes a reduction in the county's maintained mileage by 0.09 miles due the annexation of a small portion of Coyote Street by Nevada City. There were no other modifications to the County maintained road mileage in 2017.
