THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA, ORDAINS AS FOLLOWS:

### SECTION I:

That the 21.62-acre portion of Assessor's Parcel Number 23-230-23 ("Site A"), which is located east of State Route 49, west of the Forest Springs Mobilehome Park Community and north of Lady Jane Road, be rezoned from the Residential Agricultural District with a 1.5-acre Minimum (RA-1.5) to the Multi-Family Medium Density Residential District with the Mobilehome Parks and Planned Development Combing Districts (R2-MH-PD) based on the following findings A-E:

- A. That the proposed amendment is consistent with and furthers the goals, objectives, policies, programs and implementation measures of the General Plan and the provisions of the Land Use and Development Code Chapter II Zoning Regulations, including the General Plan Policies outlined in finding II.A and Land Use and Development Code Section L-II 2.2.2.A.1, Section L-II 2.6.B, and Section L-II 2.7.4.B, providing for the further development of Site A as a Mobilehome Park;

- B. That Site A is physically suitable for the requested Multi-Family Medium Density District with the Mobilehome Parks and Planned Development Combining Districts (R2-MH-PD) for the anticipated use of the site as a Mobilehome Park based on access to publicly maintained roads, available infrastructure, as infill development, and as an expansion to the existing Forest Springs Mobilehome Park; and
- C. That the addition of the Mobilehome Park and Planned Development (PD) Combining Districts to Multi-Family Medium Density District (R2) will ensure that future development will not result in conflicts with surrounding land uses;
- D. The proposed amendment for Site A will bring the 21.62-acre portion into zoning conformance with the other lands that comprise the 116.10-acre Assessor's Parcel (APN 23-230-23);
- E. That the proposed amendment will not be detrimental to the public interest, health, safety, convenience, or welfare of the County.

SECTION II:

That the 6.22-acre Assessor's Parcel Number 23-300-64 ("Site B"), which is located approximately 1,000 feet south of Site A, be rezoned to add the Subdivision Limitation Combining District (X) to the existing the Multi-Family Medium Density District (R2) for a resultant zoning designation of (R2-X) based on the following findings A-D:

- A. That the proposed amendment is consistent with and futures the goals, objectives, policies, programs and implementation measures of the General Plan and the provisions of the Land Use and Development Code Chapter II Zoning Regulations, including the General Plan Policies outlined in finding II.A and Land Use and Development Code Section L-II 2.2.1.A.1 and Section L-II 2.7.9.B limiting the further development of Site B;
- B. That Site B is physically suitable for the requested addition of the Subdivision Limitation Combining District (R2-X) for the continuation of the existing single-family residential use of the site based on access to publicly maintained roads and surrounding uses; and
- C. That the addition of the Subdivision Limitation Combining District (X) will ensure that future development of Site B is limited due to the presence of environmental resource constraints due to the presence of a perennial water body and will not result in conflicts with surrounding land uses;
- D. That the proposed amendment will not be detrimental to the public interest, health, safety, convenience, or welfare of the County.
