Hi, Sue,

I have enjoyed my time on the Landmarks Commission and had hoped to stay on until my move later this year to Yuba County. However, with a full time law job, running a ranch, building a house and moving, I feel I am not meeting the needs of my seat on the Commission. I was planning to announce it at tomorrow's Commission meeting, but wanted to let you have the first official word of my resignation. I truly hate to leave, but I think it's for the best. Our Landmarks Commission is absolutely amazing, and I am honored to have had the opportunity to serve on it. The Promotions Director should have more time to do that job than I do currently. Thank you so much for allowing me to continue my service into 2019.
