THE HONORABLE BOARD
OF SUPERVISORS
COUNTY OF NEVADA
950 MAIDU AVENUE
NEVADA CITY, CA 95959

DATE OF MEETING: October 13, 2015

SUBJECT: Approval of Application for \$400,000 in Fiscal Year 2014-15 Proposition 1B, Public Transportation Modernization, Improvement, and Service Enhancement Account (PTMISEA) Funding Apportioned by the California Department of Transportation

RECOMMENDATION: Approve the attached Resolution.

FUNDING: N/A

BACKGROUND:

Proposition 1B includes funding available to transit operators for providing mobility choices, reducing congestion and protecting the environment. Funds are appropriated to the State Controller's Office through Caltrans Division of Mass Transportation, with allocation requests being accepted through November 13, 2015.

Eligible capital projects must be consistent with the Western Nevada County Transit Development Plan Update (TDP) Fiscal Year 2010/2011 to 2014/2015. The TDP supports the replacement of transit vehicles. Transit Services will submit an allocation request to replace two Gold Country Stage transit vehicle buses (\$350,000) and one transit accessible van (\$50,000) for a total amount of \$400,000. The submittal of this application was approved by the Transit Services Commission at their September 15, 2015, meeting. It should be noted that PTMISEA funding is solely dependent on State bond sales.

Respectfully submitted,

STEVE CASTLEBERRY, DIRECTOR
