NEVADA CITY, CA 95959-8600

DATE OF MEETING: March 10, 2015

SUBJECT: Approval of Plans and Specifications for the Nevada County Striping 2015 –
Phase 1 and Phase 2 Project– Contract No. 426622

RECOMMENDATION: Approve the attached Resolution.

FUNDING: N/A

BACKGROUND:

The plans, specifications, and engineer's estimate for the striping of County roads have been completed and are hereby submitted for your approval. The work includes striping in western and eastern Nevada County. The roads included for striping are scheduled from a priority list established by the Department of Public Works based on traffic intensities and work programs.

Over the past four years, the Thermoplastic Striping Safety Grants have reduced the number of roads to be striped as part of this annual contract. This Department has prepared an Engineer's Estimate for two phases of the striping project in the amount of \$300,000.00. The Engineers Estimate for Phase 1 is \$120,390 and will take place in Fiscal Year 2014/2015. The Engineers Estimate for Phase 2 is \$179,610 and will be constructed in Fiscal Year 2015/2016. The bid opening will be set by the Director of Public Works, and construction is scheduled to begin in June of 2015.

Please contact me if additional information is required.

Respectfully submitted,

STEVE CASTLEBERRY, DIRECTOR
