NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo

MEETING DATE: May 19, 2026

TO: Board of Supervisors

FROM: **Landon Beard, Chief Information Officer**

SUBJECT: Resolution approving the professional services contract between the County of Nevada and Maverick Networks, Inc. for telecommunications support and maintenance services, for the period of July 1, 2026 through June 30, 2029, for a maximum not to exceed contract price of \$180,000 and authorizing the Chair of the Board to execute the contract, which is contingent upon adoption of the fiscal year 2026/2027 County Budget.

RECOMMENDATION: Adopt the resolution approving the contract renewal

FUNDING: Payment will be made from the Information Systems budget and has been included in the Fiscal Year 2026-27 Budget. A budget amendment is not required and there is no further impact on the General Fund.

BACKGROUND: In 2020, the County of Nevada contracted with Maverick Networks, Inc. to implement and provide support for a county-wide telephone system. This system enables telephone-based communication with partners and community members. Reliable and dependable services are important to County departments to meet their goals and service objectives. Maintenance and service contracts ensure this system is secure and functional.

Maverick Networks, Inc. has performed satisfactorily since the purchase of the Mitel MiVoice Business phone system in 2020 and the parties desire to enter into a 3-year agreement for support and maintenance services from July 1, 2026 through June 20, 2029 in an amount not to exceed \$180,000, or \$60,000 annually. This resolution approves the agreement and authorizes the Chair of the Board to execute the agreement.

Item Initiated by: Sandy Philpott, Administrative Assistant II

Approved by: Landon Beard, Chief Information Officer
