SUBJECT: Resolution to Approve the Bidding Documents and Specifications for the Gold Country Stage Bus Stop Improvements, Contract No. 889816 - District III

RECOMMENDATION: Approve the attached Resolution and advertise Bidding Documents and Specifications for the Gold Country Stage Bus Stop Improvements, Contract No. 889816.

FUNDING: The funding for this project is included in the FY 2018/19 Transit Services budget. The project is funded with State Prop 1B Public Transportation Modernization, Improvement, and Service Enhancement Account Funds. There is no impact on the County's General Fund and no budget amendment is needed.

BACKGROUND: The plans, specifications and cost estimate for the Gold Country Stage Bus Stop Improvements have been completed. The engineers estimate is \$130,000. This project will modernize and enhance accessibility for buses, providing a new bus stop turn-out near the existing stop location at Sutton Way, adjacent to the Glenbrook Center along Olympia Park Road. The bus stop turn-out will include bus shelter, bench and sidewalk access, providing American Disability Act (ADA) accessibility. The existing bus stop within the parking area at the shopping center will be removed. The project is scheduled for construction in 2019. Attached is a map of the proposed location.
