WHEREAS, CONTRACTOR provides acute psychiatric services in two 16-bed licensed Psychiatric Health Facilities (PHF's), located at 1535 Plumas Court and 1253 Stabler Lane, Yuba City, CA.

WHEREAS, said PHF's are Medi-Cal certified; and

WHEREAS, the Nevada County Mental Health Plan desires services of an acute inpatient PHF; and

COUNTY is eligible to receive Medi-Cal reimbursement from the State of California, Department of Mental Health for these bed days. COUNTY may place either male or female patients at CONTRACTOR's psychiatric health facilities (PHF's).

In the event of client neglect or abuse, COUNTY reserves the right to terminate this Agreement effective immediately.

In the event there is a change in State law or regulation regarding the funding mechanism for any of the services provided by CONTRACTOR, the terms of this Agreement shall be immediately subject to renegotiation, up to and including termination of this Agreement.

In the event that any COUNTY department wishes to terminate this Agreement, all applicable COUNTY departments herewith associated shall be notified immediately.

Failure to submit proof of insurance as required herein may result in awarding said Agreement to another bidder.

Insurance coverage in a minimum amount set forth herein shall not be construed to relieve CONTRACTOR for liability in excess of such coverage, nor shall it preclude COUNTY from taking such other action as is available to it under any other provisions of this Agreement or otherwise in law. If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown above, the COUNTY requires and shall be entitled to the broader coverage and/or the higher limits maintained by the CONTRACTOR. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it. CONTRACTOR shall provide COUNTY with required records for billing purposes, utilization review, and other purposes as may be required under terms of this Agreement in a timely manner.

CONTRACTOR is hereby informed that COUNTY payment may be delayed for lack of appropriate records and/or contents of those records required from CONTRACTOR in order to bill under Medi-Cal guidelines.

17. CONCURRENT REVIEW

Per the DHCS Behavioral Health Information Notices (BHIN) BHIN 22-017 (and if applicable per previous guidance in BHIN 19-026), MHPs are required to conduct concurrent review and authorization for all psychiatric inpatient hospital services and psychiatric health facility services. These BHINs outline policy changes implemented to ensure an MHPs' compliance with the Parity in Mental Health and Substance Use Disorder Services Final Rule (Parity Rule; Title 42 of the CFR, part 438.910).

Given these policy changes, Nevada County has contracted with CalMHSA, who currently subcontracts with Acentra Health, to conduct concurrent review and authorization of inpatient psychiatric hospital services on behalf of multiple California County MHPs.

CONTRACTOR agrees to use the web-based utilization review platform to submit initial notification of placement, requests for authorization, and concurrent review documentation.

Treatment Authorization Requests from psychiatric inpatient hospitals should also be submitted through the web-based platform.

1. Within twenty-four (24) hours of admission, CONTRACTOR shall notify the COUNTY of admission via the web-based utilization review platform and shall provide all pertinent information available to determine fiscal responsibility of the person and to request initial authorization. If, upon admission, a beneficiary is in a psychiatric emergency medical condition, as defined in Health & Safety Code section 1317.1(k), the time period for the hospital to request authorization shall begin when the beneficiary's condition is stabilized, as defined in Health & Safety Code section 1317.1(j). For emergency care, no prior authorization is required, following the reasonable person standard to determine that the presenting complaint might be an emergency.
2. Within twenty-four (24) hours of completion of the Psychiatric History/Initial Psychiatric Evaluation, CONTRACTOR shall submit the information to the county via the web-based utilization platform.
3. Prior to the end of each period for each Client for whom Admitting County authorizes continued acute or administrative stay, CONTRACTOR shall utilize the web-based platform to submit to Admitting County all available psychiatry notes, nursing notes, treatment/service/care plan and social worker notes for services provided during the expiring authorization period. Admitting County requests information from CONTRACTOR that is reasonably necessary to decide whether to grant, modify or deny the request for continued acute or administrative stay, including relevant client and clinical information as needed to complete concurrent review procedures and for discharge planning and aftercare support.
4. CONTRACTOR'S failure to provide concurrent review documentation may result in Admitting County's withholding authorization or payment for the period of hospitalization.
5. COUNTY may revise this Concurrent Review section upon receipt of new guidance from the State and/or agreement between COUNTY and CONTRACTOR. Such changes shall be memorialized via a letter signed by CONTRACTOR and acknowledged via letter by COUNTY, and shall not require a contract amendment, unless specifically requested by Admitting County or required by State or federal law, regulation, or other requirement.

18. QUALITY ASSURANCE

CONTRACTOR shall notify COUNTY of any and all special incidents involving a County placement within 24 hours of the incident. All special incidents are reviewed by the County Mental Health Department's Quality Improvement Committee and any recommendations will be forwarded both to the County Mental Health Director and the CONTRACTOR'S Chief Executive Officer.

CONTRACTOR shall furnish COUNTY with a copy of its Quality Assurance Policies and Procedures and its Client Complaint/Grievance Procedure within thirty (30) days of

execution of this Agreement.

19. FINANCIAL RECORDS

CONTRACTOR shall maintain financial records that clearly reflect the cost of services. Appropriate service and financial records must be maintained and retained for four (4) years following the close of the fiscal year to which the records pertain.

20. TERMINATION

Either party may terminate this Agreement without cause, upon sixty (60) days written notice served upon the other party.

Without limiting the termination rights set forth above:

- a. COUNTY declares its intent to terminate this Agreement should any state or federal agency withhold or terminate funding which COUNTY had anticipated using for payment for CONTRACTOR'S services.
- b. COUNTY declares its interest in providing the mental health services described in this contract and therefore agrees to act in good faith and provide written notification to CONTRACTOR in advance of terminating this Agreement with the intent of allowing CONTRACTOR to rectify any problems that would serve to prompt COUNTY's termination of this Agreement.

If CONTRACTOR should fail to perform any of its obligations hereunder, within the time and in the manner herein provided, or otherwise violate any of the terms of this Agreement, COUNTY may terminate this Agreement by giving CONTRACTOR written notice of such termination, stating the reason for such termination. In such event, CONTRACTOR shall be entitled to receive as full payment for all services satisfactorily rendered and expenses incurred hereunder, an amount which bears the same ratio to the total fees specified in the Agreement as the services satisfactorily rendered hereunder by CONTRACTOR bear to the total services otherwise required to be performed for such total fee; provided, however, that there shall be deducted from such amount the amount of damage, if any, sustained by COUNTY by virtue of the breach of the Agreement by the CONTRACTOR.

CONTRACTOR agrees to permit COUNTY, and any state agency authorized by COUNTY'S Mental Health Director, to inspect, review and copy all records, notes and writing of any kind in connection with the services provided by CONTRACTOR under this Agreement. All such inspections and copying shall occur during normal business hours.

The parties expressly recognize that COUNTY personnel other than the Mental Health Director are without authorization to either order additional (and/or changed) services or waive contract requirements. Failure of the CONTRACTOR to secure Board or Mental Health Director authorization for additional services shall constitute a waiver of any and all right to adjustment in additional compensation.
