

**MEMORANDUM
COUNTY OF NEVADA
INFORMATION AND GENERAL SERVICES
PURCHASING DIVISION**

TO: File
FROM: Diana Wilburn
DATE: May 6, 2025
SUBJECT: Contract with Genuine Parts Company – NAPA Auto Parts

Background

Sourcewell awarded NAPA Integrated Business Solutions contract No. 110520-GPC to provide equipment, products and services that meet the requirements of the vendor managed inventory parts facility operation which includes counter assistance, inventory and warehouse management, parts distribution and just in time delivery and allows the County to forego its own RFP for that service.

The Nevada County Board of Supervisors approved and adopted Resolution 21-273 awarding a contract for a Vendor Managed Inventory Parts Facility Operation. The Board has renewed the contract annually and the contract is currently under Sourcewell contract 090624-GPC which has a maturity date of 12/3/2028.

Evaluation

There are 2 other Cooperative Agreements available to purchase Automotive parts only but do not offer an Integrated Business Solution. NASPO ValuePoint and DGS offer NAPA Parts and are under the same Agreement No. 7-21-99-41-02. This contract expires 10/19/2026.

Omnia Partners offers a Cooperative contract with O'Reilly Auto Parts to purchase parts only, Contract No. 158963 and expires 10/31/2027.

Recommendation

Since the Fleet Department has been satisfied with the current vendor and no other solutions are available, Purchasing recommends renewing the contract with Genuine Parts Company – NAPA Auto Parts.
