

RESOLUTION No. _____

OF THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA

RESOLUTION ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2026/27 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017 (ALL DISTRICTS)

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017), was passed by the Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of Nevada County are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, Nevada County must adopt by resolution a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, Nevada County will receive an estimated \$4,761,599 in RMRA funding in Fiscal Year 2026/27 from SB 1; and

WHEREAS, SB 1 funding will enable Nevada County to continue essential road maintenance and rehabilitation projects and safety improvements for the traveling public that would not have otherwise been possible without SB1; and

WHEREAS, Nevada County has undergone a public process to ensure public input into our community's transportation priorities/the SB 1 project list; and

WHEREAS, Nevada County used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities' priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help Nevada County micro-surface, chip seal and cape seal 21, 6.4 and 0.3 miles of County road respectively, complete additional pavement maintenance on 7.3 miles, provide brush clearing, drainage and shoulder maintenance on 52.5 miles, complete restriping and remarking on 53 miles, and improve the traffic signals at W. Hacienda Dr and Combie/Magnolia Rd and Lakeshore N. and Magnolia Rd; and

WHEREAS, the roads listed for maintenance may change as directed by the Director of Public Works; and

WHEREAS, the 2023 California Statewide Local Streets and Roads Needs Assessment found that Nevada County's roads are in an "at-risk" condition, and this revenue will help us increase the overall quality of our road system; and

WHEREAS, the SB 1 project list and overall investment in our local road infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure and

using cutting-edge technology, materials, and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE, BE IT HEREBY RESOLVED that the Nevada County Board of Supervisors:

1. Finds the foregoing recitals are true and correct.
2. Approves the following list of proposed projects to be funded in-part or solely with Fiscal Year 2026/2027 Road Maintenance and Rehabilitation Account revenues:
