

RESOLUTION NO. SD 17-003
OF THE BOARD OF DIRECTORS OF
NEVADA COUNTY SANITATION DISTRICT NO. 1

AUTHORIZATION TO ENTER INTO AN AGREEMENT WITH INLAND ENVIRONMENTAL RESOURCES (IER) ENVIRONMENTAL SYSTEMS, INC. FOR A TRIAL USE PERIOD WITH AN OPTION TO PURCHASE, TO INSTALL AND EVALUATE A GENER-OX SULFIDE OXIDATION UNIT FOR ODOR CONTROL USE IN LAKE WILDWOOD, ZONE 1 AND AMENDING THE FISCAL YEAR 2016/17 SANITATION DISTRICT BUDGET, IN THE MAXIMUM AMOUNT OF \$100,885.00 – (4/5 AFFIRMATIVE VOTE REQUIRED) – DISTRICT 4

WHEREAS, the Nevada County Sanitation District No. 1 has ongoing odor control and corrosion issues within Nevada County Sanitation District No. 1, Lake Wildwood, Zone 1; and

WHEREAS, District staff researched over fifty odor control vendors present at the Water Environment Federation Technical Exhibition and Conference; and

WHEREAS, District staff determined that liquid-phase technology treatment is preferred because it provides corrosion control in addition to odor control in liquid wastewater, and one application point can effectively treat multiple odor release points; and

WHEREAS, Gener-ox Sulfide Oxidation System offers liquid-phase technology with a proprietary treatment system that is chemical free and safe for public locations and is more cost effective than an ozone based treatment system; and

WHEREAS, Inland Environmental Resources (IER) Environmental Systems, Inc. is the sole source manufacturer offering the Gener-ox Sulfide Oxidation System, thereby there are no available alternative comparisons; and

WHEREAS, the District has several long force mains that would benefit from the oxygen saturation technology provided by Inland Environmental Resources (IER) Environmental Systems, Inc.; and

WHEREAS, there are no suitable locations in Lake Wildwood, Zone 1 to conduct a pilot test of said equipment due to land availability restrictions; and

WHEREAS, a suitable area has been identified at Lift Station 51 in Penn Valley, Zone 6 that will allow for a pilot test of said equipment; and

WHEREAS, District staff has negotiated, contingent upon the Board of Supervisors' approval, a 90 day trial period with Inland Environmental Resources (IER) Environmental Systems, Inc. with a conditional purchase of the Gener-Ox Sulfide Oxidation System; and

WHEREAS, if the trial period is successful, Nevada County Sanitation District No. 1 will purchase the trial unit for permanent use; and

WHEREAS, if the trial period is successful, the District will approach the Board of Directors to purchase up to three additional units for use in Lake Wildwood, Zone 1; and

WHEREAS, a budget amendment is proposed to increase appropriations in account 4728-91005-709-2000 540600.

NOW, THEREFORE, BE IT HEREBY RESOLVED that the Board of Directors of Nevada County Sanitation District No. 1:

1. Authorizes the Board of Directors to enter into an Agreement with Inland Environmental Resources (IER) Environmental Systems, Inc., and authorizes the Chair of the Board of Directors to execute the Agreement on behalf of the Nevada County Sanitation District No. 1. The maximum agreement amount is \$100,885.00.

Terms

Each term of this Contract below specifically incorporates the information set forth in the Summary at page one (1) above as to each respective section (§) therein, as the case may be.

Services

1. **Scope of Services:**

Contractor shall provide all of the services, materials and products (herein "Services") generally described in **Exhibit "A"**, according to a performance schedule, if applicable, as set forth in said exhibit (herein "Performance Schedule") . If requested, Contractor agrees to serve as an expert witness for County in any third party action or proceeding arising out of this Contract.

Payment

2. **Charges and Payments:**

The charges (herein "Charges") for furnishing the aforesaid Services under this Contract are set forth in **Exhibit "B"**, including, if applicable, hourly rates, unit pricing, and expense, mileage and cost limits. Said Charges shall be presented monthly by invoice, and shall be due within thirty (30) days of receipt unless payment is otherwise set forth in said **Exhibit "B"**, and shall remain in effect for the entire term of this Contract, and any extension hereof. In no event will the cost to County for Services to be provided under this Contract, including direct non-salary expenses, exceed the **Maximum Contract Price** set forth at §2, page one (1), above.

Time for Performance

3. **Contract Term:**

This Contract shall commence on the **Contract Beginning Date** set forth at §3, page one (1), above. All Services required to be provided by this Contract shall be completed and ready for acceptance no later than the **Contract Termination Date** set forth at §3, page one (1), above.

4. **Liquidated Damages:**

County and Contractor agree that damages to County due to delays in timely providing Services in accordance with the aforesaid Performance Schedule and Contract Termination Date are impractical and difficult to ascertain. Therefore, if §4 at page one (1) hereof shall indicate a daily amount as **Liquidated Damages**, County shall have the right to assess said daily sum, not as a penalty, but as and for damages to County due to delays in providing Services not in accordance with the said Performance Schedule, or later than the Contract Termination Date (herein "Delay"). Liquidated Damages shall be offset against amounts owing to Contractor, including retention sums.

To the extent that any Delay is a result of matters or circumstances wholly beyond the control of Contractor, County may excuse said Liquidated Damages; provided however, that County may condition such excuse upon Contractor having given prompt notice to County of such delay immediately by telephone and thereafter by written explanation within a reasonable time. The time for Contractor's performance shall be extended by the period of delay, or such other period as County may elect.

5. **Time of the Essence:**

Time is of the essence with respect to Contractor's performance under this Contract. Delay in meeting the time commitments contemplated herein will result in the assessment of liquidated damages, if indicated at §4 at page one (1), hereof. If Liquidated Damages are not so indicated, damages shall be as otherwise provided by law.

Insurance

6. **Commercial General Liability Insurance:** (County Resolution No. 90674)

If §6 at page one (1) hereof shall indicate a **Commercial General Liability** insurance policy is required, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following:

7. Automobile Liability Insurance: (County Resolution No. 90676)

If §7 at page one (1) hereof shall require either a Business Rated or a Commercial Automobile Liability insurance policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following provisions:

- (i) Liability protection for death or bodily injury to a person or persons, property damage, and uninsured and underinsured coverage, combined single limit coverage, in the minimum amount indicated at said §7;

- (iv) A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium).

If §7 at page one (1) hereof shall require a Personal Auto policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance for a minimum of three hundred thousand dollars, (\$300,000), in combined single limits, and naming the County as additionally insured.

8. Worker's Compensation: (County Resolution No. 90674)

If §8 at page one (1) hereof shall indicate a **Worker's Compensation** insurance policy is required, Contractor shall maintain said policy as required by law, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County.

Before commencing to utilize employees in providing Services under this Contract, Contractor warrants that it will comply with the provisions of the California Labor Code, requiring Contractor to be insured for worker's compensation liability or to undertake a program of self-insurance therefor.
