Phebe Bell, MSW, Interim Behavioral Health  
Jill Blake, Public Health  
Tex Ritter, JD, Child Support Services / Collections / Housing &  
Community Services Division  
Mike Dent, MPA, Social Services

## NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo

---

**MEETING DATE:** May 8, 2018

**TO:** Board of Supervisors

**FROM:** **Michael Heggarty**

**SUBJECT:** Resolution accepting additional competitive funds from the California Department of Social Services, Housing and Disability Advocacy Program (HDAP) to be used for the Nevada County SOARWorks Program in the amount of \$69,165 to be distributed over three (3) years and available through June 30, 2020. This amount is in addition to the noncompetitive allocated amount of \$81,897 previously accepted by the Board of Supervisors on March 13, 2018 per Resolution 18-093, which revises the total amount of funding to \$151,062.

---

**RECOMMENDATION:** Approve the attached Resolution.

**FUNDING:** The SOAR Works program is funded with monies appropriated through the State of California 2017 Budget Act. The 3-year State noncompetitive allocation of \$81,897 (All County Welfare Director's Letter dated June 27, 2017) has increased to include \$69,165 of competitively awarded funds which revises the total amount to \$151,062. This funding requires a 100% county match contribution, for a total base grant amount of \$302,124. The match contributions will come from the following sources: Mental Health Services Act Funding (MHSA), AB109 Funding, 1991 DSS Sales Tax Realignment funding, and SSI Interim Assistance Reimbursements (IAR). There are no County General Funds required. A budget amendment is not needed at this time.

**BACKGROUND:** The Department of Social Services has secured funding made available through the California Department of Social Services (CDSS). This is a new funding opportunity offered by CDSS that supports the Housing and Disability Income Advocacy Program (HDAP). Per Resolution 18-093, the Board of Supervisors accepted noncompetitive funds in the amount of \$81,897 from the California Department of Social Services, Housing and Disability Program (HDAP) to be used for the SOARWorks Program. The County applied for and was awarded

additional competitive funding in the amount of \$69,165 which revises the total amount of funding received to \$151,062. Funding will be used to support implementation and integration of SOARWorks. SSI/SSDI Outreach, and Recovery (SOAR) is a program designed to increase access to SSI/SSDI for eligible adults who are experiencing or at risk of homelessness and have a serious mental illness, medical impairment, and/or a co-occurring substance use disorder. The program will provide specialized case management and advocacy to individuals experiencing homelessness who may be eligible for social security or disability benefits but who do not currently receive such funds. Nevada County currently has SOAR-trained case managers in a number of departments who have successfully used the model to gain benefits for homeless individuals; however, no current structured program exists.

With this funding we will implement a more structured and coordinated approach that utilizes the County's Coordinated Entry System to fully integrate SOARWorks into the county's Continuum of Care (CoC). Funds will be used to implement greater program oversight and coordination, offset costs accrued by SOARWorks caseworkers, and develop tools to increase the team's capacity to initiate applications for SSI/SSDI benefits and assist these individuals through the entire application process including potential appeals. Additionally, funding will be provided to place participants into temporary or permanent housing while they await award determination.

These funds will support a program that addresses housing and resource needs for eligible individuals who are homeless. This program was designed to leverage increased county-wide coordination of services, the coordinated entry system, and housing first strategies, all part of the the overall Nevada County Homeless Plan.

**Item Initiated by:** Brendan Phillips, Health and Human Services Agency Program Manager

**Approved by:** Michael Heggarty, Health and Human Services Agency Director
