NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: April 12, 2022
TO: Board of Supervisors
FROM: Panos Kokkas, Director of Public Works
SUBJECT: Resolution Adopting a List of Projects for Fiscal Year 2022-23 Funded by SB1: The Road Repair and Accountability Act of 2017

RECOMMENDATION: Approve the attached resolution.

FUNDING: Not applicable.

BACKGROUND: Senate Bill 1 (SB1), the Road Repair and Accountability Act of 2017, was passed by the Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide. SB1 includes accountability and transparency provisions that will ensure the residents of Nevada County are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year.

SB1 requires Nevada County to adopt a resolution approving an annual list of projects scheduled to receive funding in fiscal year 2022/23 from the Road Maintenance and Rehabilitation Account (RMRA), created by SB1. Projects must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement. Overall, California State Association of Counties (CSAC) is estimating Nevada County will receive \$3,794,501 in RMRA funding in fiscal year 2022/23. County staff is using a more conservative estimate of \$3,458,291 in fiscal year 22-23, due to receiving less year-to-date than CSAC estimates for the current fiscal year.

The Fiscal Year 2022/23 list of projects funded by RMRA revenues are found in Attachment A hereto and include the Road Maintenance and Rehabilitation Program.
