NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: September 26, 2017

TO: Board of Supervisors

FROM: Steve Monaghan – IGS-Facilities Management

SUBJECT: Resolution approving construction documents and authorizing the Purchasing Agent to solicit bids for the Bost House ADA Parking and Entry Ramp Project.

RECOMMENDATION: Adopt the Resolution

FUNDING: This project will be paid from the Facilities Management FY 17/18 budget and reimbursed from the Behavioral Health budget. The estimated cost for this project is \$30,000. A budget amendment will be requested when the contract award is brought to the Board for approval. There is no further impact on the General Fund.

BACKGROUND:
Due to a lack of funding from a CDBG grant, the ADA parking and entry ramp upgrades were not included in the Bost House renovation project. All ADA upgrades to the interior of the facility were completed during the renovation and the decision was made to postpone the ADA parking and entry ramp upgrades until the fall of 2017. These upgrades are required to operate a Medi-Cal approved facility.

This project will provide the necessary upgrades by creating one van accessible parking space and improving the path of travel from that parking space into the main house and cottage. These improvements will satisfy the requirement by Medi-Cal for ADA compliance to meet current California ADA building codes.
