SCHEDULE OF SERVICES
SIERRA FAMILY THERAPY CENTERS, INC.

Sierra Family Therapy Center hereinafter referred to as “Contractor”, shall provide services related to mental health services for the County of Nevada, Department of Social Services, Veterans Services Office, hereinafter referred to as “County.”

Program Overview:

Many Nevada County residents live 60-90 miles from the closest VA Medical Center. A small VA outpatient clinic in Auburn, CA is located 30 miles from the Nevada County Veterans Services Offices (VSO) and is the location where most of our veterans are seen for primary care. However, this facility only staffs one psychologist and receiving consistent, timely care is difficult. The VA Medical Center that the Auburn outpatient clinic is associated with is in Sacramento, CA which is 90 minutes away. The VSOs “Veterans Access & Wellness Program” fills in the service gaps for the veteran population of our community, providing necessary treatment for the veteran.

The VSO receives financial resources from two Prop 63 grant opportunities (known as the Mental Services Act of MHSA) to provide free & confidential mental health services to the veterans of Nevada County. The VSO receives funding from the Nevada County Behavioral Health Department (BH), and from the California Department of Veterans Affairs (CalVet), to provide 60 unduplicated veterans (30 unduplicated veterans required for each funding source) up to (10) free and confidential individual therapy sessions and the opportunity to participate in weekly peer-to-peer group sessions each fiscal year.

Sierra Family Therapy Center (SFTC) has been in the community for ten years. Their counseling specialists work with a variety of clients that include veterans, children/teens, adults, couples and families. SFTC has a network of 18 therapists with an ability to bill Medicare, Tri-West, and CHAMPVA. Additionally, SFTC has expressed interest in becoming a mental health provider through the Veterans Administration’s “Choice Program”, which allows veterans to be seen locally if more than 60 minutes from a VA Medical Center. With sensitivity and compassion, they help bring resolution to the obstacles that veterans are facing post-service. SFTC uses a different range of modalities to connect with clients. These modalities include depth therapy, Imago Relationship Therapy (IRT), couples’ therapy, Eye Movement Desensitization Reprocessing (EMDR), play therapy, addiction groups to solution focused therapy. They are trained in a variety of different therapeutic interventions.

Scope of Work:

Contractor shall provide the following services:

Contractor will see a minimum of 60 clients annually. Contractor will be responsible for billing Medicare, Tri-West, and CHAMPVA as applicable for each client seen. County will be the payer of last resort or supplemental payment (if applicable) should no insurance coverage be available for the client.

A. Referred veterans will be offered access to the following services based on individual needs and treatment plan:

1. Individual Psychotherapy: Referred veterans will receive up to (10) weekly or bi-weekly individual meetings with a counselor to explore emotional, social, or educational concerns. Goals of individual counseling may include resolving problems, coping with and healing from trauma, adjusting to new or challenging life circumstances, improving academic skills, enhancing relationships, substance abuse recovery, and healthy communication. The belief is that counseling is a professional relationship that empowers diverse individuals, families, and groups to accomplish mental health and wellness.
2. Family Psychotherapy: Family therapy or family counseling is a form of treatment that is designed to address specific issues affecting the health and functioning of a family. Family is an important part of the veteran's support system and family therapy can be used to help a family through a difficult period, which will assist the veteran on his or her road to recovery much faster. Some methodologies used are Structural Family Therapy, Bowenian Family Therapy, Nurtured Heart Parenting and Systems Family Therapy.
3. Group Psychotherapy: SFTC will continue to monitor the need for a veteran specific group therapy that will involve one therapist working with several clients at the same time who are struggling with similar challenges. These groups traditionally focus on facilitating both a learning process and development of necessary skills. Topic areas may include Assertiveness, Parenting, Grief Stress Management, Relationships, Self-Esteem Building, and Recovery. SFTC will maintain a goal of incorporating group therapy sessions into practice in FY 25/26.
4. Couples Counseling: The purpose of couple's therapy is to restore a better level of functioning in couples who experience relationship distress. The reasons for distress can include poor communication skills, incompatibility, or a broad spectrum of psychological disorders that include domestic violence, alcoholism, depression, and anxiety. The clinicians assess the reasons and/or unmet needs in the relationship resulting in unhealthy dynamics and work with the couple to heal these unmet needs together through healthy communication, mutual respect, and relationship skills.

B. Contractor will offer regular hours of operation and will offer non-Medi-Cal clients the same hours of operation as it offers to Medi-Cal clients.

C. Contractor is responsible to provide the following reports:

- a. Quarterly report of number of unduplicated veterans seen through BH and CalVet funding resources (10/15/25, 1/15/26, 4/15/2026, 7/15/2026)
- b. Quarterly report of number of group therapy sessions to include range and average of participating clients (10/15/2025, 1/15/2026, 4/15/2026, 7/15/2026)
- b. An Annual Progress Report within 15 days of the end of the fiscal year (fiscal year ends 6/30/2026; report due 7/15/2026)
- c. Any MHSA Progress or Evaluation Report that is required, and as may be requested by the County. The Contractor shall cooperate with the County for the compilation of any data or information for services rendered under this Agreement as may be necessary for the County to conform to MHSA reporting guidelines.
- d. Contractor shall not be paid for their final invoice until final reporting metrics and annual progress reports are received by County.

D. Contractor shall provide the following outcomes in the Annual Progress Reports:

Despite progress in addressing explicit discrimination, racial inequities continue to be deep, pervasive, and persistent across the country. Though we have made many strides toward racial equity, policies, practices, and implicit bias have created and still create disparate results. Through partnerships with the community, the Nevada County Department of Social Services strives to address these inequities and continue progress in moving forward.

The contractor is encouraged to have a diverse and inclusive workforce that includes representation from the disparate communities served by our county. The contractor is expected to think holistically about creating services, program sites, and an employee culture that is welcoming and inclusive. Contractors should track metrics on Diversity, Equity, and Inclusion outcomes within their service delivery. Additional efforts should be made to identify and highlight growth opportunities for equitable outcomes, access to services, and other opportunities. Please contact County contract manager about proposed metrics to track.

Services should be designed to meet clients' diverse needs. Contractor is expected to participate in trainings and tailor outreach efforts and marketing materials to engage a diverse population of community members. Given that Spanish is a threshold language in Nevada County, a special emphasis should be placed on engaging Latinx communities and providing services in Spanish.

Coverage shall be at least as broad as:

1. **Commercial General Liability CGL:** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **\$2,000,000** per occurrence. 2. **Workers’ Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than **\$1,000,000** per accident for bodily injury or disease.
3. **Sexual Abuse or Molestation (SAM) Defense for False Allegations:** If the work will include contact with minors, elderly adults, or otherwise vulnerable clients and the CGL policy referenced above is not endorsed to include affirmative coverage for sexual abuse or molestation, Contractor shall obtain and maintain policy covering Sexual Abuse and Molestation with a limit no less than **\$1,000,000** per occurrence or claim.
4. **Professional Liability (Errors and Omissions):** Insurance with limit no less than **\$1,000,000** per occurrence or claim, **\$2,000,000** aggregate.

If Contractor maintains broader coverage and/or higher limits than the minimums shown above, County requires and shall be entitled to the broader coverage and/or the higher limits maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to County

Other Insurance Provisions:

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured Status: County, its officers, employees, agents, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of the work or operations performed by or on behalf of Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Contractor’s insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, then through the addition of both CG 20 10, CG 20 25, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions are used.)
2. **Primary Coverage** For any claims related to this contract, **Contractor’s insurance shall be primary** insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects County, its officers, employees, agents, and volunteers. Any insurance or self-insurance maintained by the County, its officers, employees, agents, and volunteers shall be excess of Contractor’s insurance and shall not contribute with it.
3. **Umbrella or Excess Policy** The Contractor may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. Umbrella or Excess policies shall be provided on a true “following form” or

broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until the Contractor's primary and excess liability policies are exhausted.

4. **Notice of Cancellation** This policy shall not be changed without first giving thirty (30) days prior written notice and ten (10) days prior written notice of cancellation for non-payment of premium to County.
5. **Waiver of Subrogation** Contractor hereby grants to County a waiver of any right to subrogation which any insurer or said Contractor may acquire against County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
6. **Sole Proprietors** If Contractor is a Sole Proprietor and has no employees, they are not required to have Workers Compensation coverage. Contractor shall sign a statement attesting to this condition, and shall agree they have no rights, entitlements or claim against County for any type of employment benefits or workers' compensation or other programs afforded to County employees.
7. **Self-Insured Retentions** must be declared to and approved by the County. The County may require the Contractor to provide proof of ability to pay losses and related investigations, claims administration, and defense expenses within the retention. The Policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or County. The CGL and any policies, including Excess liability policies, may not be subject to a self-insured retention (SIR) or deductible that exceeds **\$25,000** unless approved in writing by the County. Any and all deductibles and SIRs shall be the sole responsibility of the Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. County may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. Policies shall NOT contain any self-insured retention (SIR) provision that limits the satisfaction of the SIR to the Named. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. County reserves the right to obtain a copy of any policies and endorsements for verification.
8. **Acceptability of Insurers:** Insurance is to be placed with insurers authorized to conduct business in the State with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to County.
9. **Claims Made Policies** if any of the required policies provide coverage on a claims-made basis:
 - a. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - b. Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
 - c. If the coverage is canceled or non-renewed, and not replaced with another **claims-made policy form with a Retroactive Date**, prior to the contract effective date, Contractor must purchase "extended reporting" coverage for a minimum of **five (5)** years after completion of contract work.
10. **Verification of Coverage** Contractor may be requested to furnish County with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and the County reserves the right to request a copy of the Declarations and Endorsement page of the CGL policy listing all policy endorsements to County before work begins. Failure to obtain and provide verification of the requested/required documents prior to the work beginning shall not waive Contractor's obligation to provide them. County reserves the right to require complete, certified

copies of all required insurance policies, including endorsements required by these specifications, at any time.

11. **Subcontractors** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.
12. **Special Risks or Circumstances** County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
13. **Premium Payments** The insurance companies shall have no recourse against County and funding agencies, its officers, and employees or any of them for payment of any premiums or assessments under any policy issued by a mutual insurance company.
14. **Material Breach** Failure of Contractor to maintain the insurance required by this Contract, or to comply with any of the requirements of this section, shall constitute a material breach of the entire Contract.
15. **Certificate Holder** the Certificate Holder on insurance certificates and related documents should read as follows:

County of Nevada
950 Maidu Ave.
Nevada City, CA 95959

Upon initial award of the Contract to your firm, you may be instructed to send the actual documents to a County contact person for preliminary compliance review.

Certificates which amend or alter the coverage during the term of the Contract, including updated certificates due to policy renewal, should be sent directly to Contract Administrator.
