To the Food Bank of Nevada County,

The Sierra Community House would like to express our deepest gratitude for your continued support of our Hunger Relief Program. Your organization has donated roughly 52,000 pounds of produce and non perishable goods throughout the 2021 – 2022 fiscal year and continue to donate on a bi weekly basis. This food supplies community members in eastern Nevada County with a range of nutritious items such as: eggs, yogurt, canned goods, and fresh produce. These gracious donations help us achieve our goal of serving 300 eastern Nevada County families per week.

Thank you,

McKenna Bean

Dear Supervisors,

The Food Bank of Nevada County continues to provide an indispensable service to the San Juan Ridge.

As a long-time volunteer at these local monthly distributions, I have seen the positive, often essential, service to the health, wellbeing, and quality of life this supplemental food has provided to members of my community.

It is heart-warming to see the cheerful, grateful faces of neighbors, many elderly, disabled, struggling young families, some challenged to find basic security and shelter.

Thank you for your consideration, and continued support of this essential service, the monthly North San Juan commodities distributions, provided by The Food Bank of Nevada County.

Sincerely,
Judy Arbuckle
