**NEVADA COUNTY BOARD OF SUPERVISORS**  
**Board Agenda Memo**

---

**MEETING DATE:** May 10, 2022  
**TO:** Board of Supervisors  
**FROM:** Trisha Tillotson, Acting Director of Public Works  
**SUBJECT:** Resolution approving exchange program agreement to No X22-5917(111) for the Federal Apportionment Exchange Program and State Match Program.

---

**RECOMMENDATION:** Approve the attached resolution.

**FUNDING:** These funds have been programmed into the Capital Improvement Plan 2022 (CIP) and impact the Fiscal Year 2021/22. There is no impact to the County General Fund and a budget amendment is not needed.

**BACKGROUND:** Section 182.6 and 182.9 in the Streets and Highways Code include provisions for counties to exchange their federal apportionment Regional Surface Transportation Program (RSTP) funds annually to fund local transportation projects. Counties have the option to exchange these federal dollars for non-federal State Highway Account funds per provisions of Senate Bill 1435 and Streets and Highways Code Section 182.6. Exchange of these federal dollars for state dollars allows for increased flexibility in the use of these funds to complete transportation projects. Funds received by the County under these provisions of the Streets and Highways Code must be used for transportation purposes but are not subject to federal funding restrictions.

The State has informed Nevada County that \$286,695.00 of the 2021/2022 RSTP apportionment is now available for exchange. In addition, the County's annual disbursement of State matching monies from the State Highway Account is now available for 2021/22 in the amount of \$100,000.

In order to exchange the RSTP and receive the State matching funds, the attached copies of Exchange Program Agreement No. X22-5917(111) must be approved and executed. This agreement provides for the exchange of Nevada County's Federal Apportionment funds for an equal amount of non-federal State Highway Account funds and the disbursement of State matching funds for Fiscal Year 2021/2022. These funds have been programmed in the Capital Improvement Plan 2022 (CIP) for use on road administrative overhead expenses.
